1

WHEREAS, Company and Borrowers have requested the Lenders’ consent to the consummation of the corporate restructurings contemplated by the Plastics Sale Agreement, the consummation of the Plastics Sale, the application of certain of the Net Asset Sale Proceeds arising therefrom to certain of the Loans as described herein, the release of OBPPI and certain other Subsidiaries of Company to be sold as part of the Plastics Sale from their respective obligations under the Subsidiary Guaranty and the other Loan Documents and the release of the Liens granted under the Security Agreement and the other Loan Documents on the Capital Stock of OBPPI and on the assets of OBPPI and such other Subsidiaries, and the other matters described herein; and

WHEREAS, subject to the terms and conditions hereof, the undersigned Lenders desire to provide such consent; and

WHEREAS, subject to the terms and conditions hereof, Company, Borrowers, Administrative Agent and the undersigned Lenders desire that, upon consummation of the Plastics Sale, the application of the Net Asset Sale Proceeds arising therefrom as required by the SARCA (as amended hereby) and the other conditions thereto described below, the SARCA (together with all schedules and exhibits thereto) be amended and restated in its entirety in the form of the Third Amended and Restated Secured Credit Agreement attached hereto as Annex A with conforming changes as noted therein (the “**Third Amended and Restated Credit Agreement**”).

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the parties hereto agree as follows:

Section 1. CONSENT TO PLASTICS SALE; RELATED MATTERS; RELEASE OF CERTAIN GUARANTORS AND LIENS.

A. Consent to Sale – Related Corporate Restructurings. Requisite Lenders hereby consent to the consummation of the corporate restructuring transactions described on Schedule IA on or before the date of consummation of the Plastics Sale or the earlier termination of the Plastics Sale Agreement.

B. Consent to Consummation of Plastics Sale. Notwithstanding the limitations on Asset Sales set forth in subsection 6.7(v) of the SARCA, Requisite Lenders hereby consent to the consummation of the Plastics Sale pursuant to the Plastics Sale Agreement (including the sales to be made by certain Foreign Subsidiaries in accordance with Section 1.6 of the Plastics Sale Agreement pursuant to the agreements constituting “Foreign Subsidiary Purchase Agreements” thereunder described on Schedule IB attached hereto (the “**Foreign Subsidiary Purchase Agreements**”), so long as the Net Asset Sale Proceeds arising therefrom (calculated without deduction or netting of amounts under clauses (B) – (D) of the definition of Net Asset Sale Proceeds and including, without limitation, any such proceeds allocable to or received by any Foreign Subsidiary pursuant to any Foreign Subsidiary Purchase Agreement and, to the extent required by the Third Amended and Restated Credit Agreement, any net positive purchase price adjustments received under Section 1.3 of the Plastics Sale Agreement) are applied as required by subsection 2.4b(ii)(a) of the SARCA, as

amended by Section 3 of this Amendment Agreement (to the extent such Section is effective as of the date of consummation of the Plastics Sale).

C. Release of Guarantors; Liens. Requisite Lenders hereby consent to the Collateral Agent's release, concurrently with the consummation of the Plastics Sale, of (i) the Subsidiary Guarantors listed on Schedule IC(1) attached hereto (the "**Released Guarantors**") from their respective obligations under the Subsidiary Guaranty and the other Loan Documents; (ii) Collateral Agent's Liens securing the Obligations on the Capital Stock and assets (including pledged stock of non-Guarantors) of the Released Guarantors (other than any "**Retained Assets**" (as defined under the Plastics Sale Agreement)); and (iii) Collateral Agent's Liens on the assets described on Schedule IC(2) attached hereto, such assets constituting the "**Contributed Assets**" (as defined in the Plastics Sale Agreement), in each case. Requisite Lenders hereby authorize Collateral Agent to execute such releases, documents and other instruments as the Loan Parties may reasonably request to evidence the release of such Guarantors and Liens.

D. Release of Liens on Certain BSN Accounts. So as to permit cash pooling among BSN and its Subsidiaries consistent with past practice of such entities prior to the BSN Acquisition Closing Date, Requisite Lenders hereby consent to the Collateral Agent's release of its Liens on the bank accounts of certain BSN Subsidiaries described in Schedule IC(3) attached hereto and to the waiver of any provisions in the Offshore Collateral Documents requiring a future pledge of bank accounts to the extent such pledge would interfere with such cash pooling. Section 2. AMENDMENTS TO CREDIT AGREEMENT PRIOR TO CONSUMMATION OF PLASTICS SALE.

A. Amendment to Subsection 1.2. The following sentence is hereby added to the end of subsection 1.2:

61

subsection 5.1(iii) giving pro forma effect to such incurrence and evidencing compliance with the covenants referred to in such Compliance Certificate and a Consolidated Senior Secured Leverage Ratio on a pro forma basis of not more than 2.85:1.00 as of the last day of such period), and from time to time after the Third Restatement Date to incur from one or more existing Lenders and/or other Persons that are Eligible Assignees and which, in each case, agree to make such loans to Owens-Brockway, loans and commitments to make loans in an aggregate principal amount not to exceed \$300,000,000 which loans may be incurred as one or more tranches of additional term loans (the “Additional Term Loans”) as determined by Administrative Agent that are pari passu in all respects to the Tranche B1 Term Loans under a facility that would provide that the Additional Term Loans would have a Weighted Average Life to Maturity of not less than the Tranche B1 Term Loans and a final maturity no earlier than Tranche B1 Term Loan Maturity Date; provided, that (i) the terms and

(b) In the event that Owens-Brockway desires to incur Additional Term Loans, Owens-Brockway will enter into an amendment with the lenders (which shall upon execution thereof become Lenders hereunder if not theretofore Lenders) to provide for such Additional Term Loans, which amendment shall set forth any terms and conditions of the Additional Term Loans not covered by this Agreement as agreed by Owens-Brockway and such Lenders, and shall provide for the issuance of promissory notes to evidence the Additional Term Loans if requested by the lenders advancing Additional Term Loans (which notes shall constitute Notes for purposes of this Agreement), with such amendment to be in form and substance reasonably acceptable to Administrative Agent and consistent with the terms of this subsection 2.1A(vi) and of the other provisions of this Agreement. No consent of any Lender (other than any Lender making Additional Term Loans) is required to permit the Loans contemplated by this subsection 2.1A(vi) or the aforesaid amendment to effectuate the Additional Term Loans. This section shall supersede any provisions contained in this Agreement, including, without limitation, subsection 10.7 and references in subsection 10.7 to “subsection 2.1A(iv)” shall be deemed to refer to this section.

(vii) Refinancing Term Loans. (a) Owens-Brockway, ACI and BSN shall have the right at any time (so long as (x) no Potential Event of Default or Event of Default then exists and (y) Borrowers’ Agent shall have delivered to Administrative Agent a Compliance Certificate for the period of four full Fiscal Quarters immediately preceding the incurrence described below (prepared in good faith and in a manner consistent with the requirements of clause (b) of subsection 5.1(iii) giving pro forma effect to such incurrence and evidencing

62

compliance with the covenants referred to in such Compliance Certificate), to incur from one or more existing Lenders and/or other Persons that are Eligible Assignees and which, in each case, agree to make such loans to Owens-Brockway, ACI or BSN, as applicable, loans and commitments to make loans (the “**Refinancing Term Loans**”) in an aggregate principal amount not to exceed the aggregate amount of Tranche A1 Term Loans (in the case of ACI), Tranche B1 Term Loans and “Domestic Tranche C Term Loans” made under the Second Amended and Restated Credit Agreement (in the case of Owens-Brockway) and French Tranche C1 Term Loan and French Tranche C2 Term Loans (in the case of BSN) theretofore made to such Borrower and thereafter repaid (or to be repaid with the proceeds of such Refinancing Term Loans). Refinancing Term Loans may be incurred as one or more tranches (of at least \$100,000,000 each) of Refinancing Term Loans as determined by Agents that are pari passu in all respects with, have a Weighted Average Life to Maturity of not less than, have a final maturity no earlier than and shall otherwise be (except as to pricing) on terms and conditions substantially similar to the Type of Term Loan such tranche of Refinancing Term Loans is to replace or refinance.

(b) In the event that Owens-Brockway, ACI or BSN desires to incur Refinancing Term Loans, Owens-Brockway, ACI or BSN, as applicable, will enter into an amendment with the lenders (which shall upon execution thereof become Lenders hereunder if not theretofore Lenders) to provide for such Refinancing Term Loans, which amendment shall set forth any terms and conditions of the Refinancing Term Loans not covered by this Agreement as agreed by Owens-Brockway, ACI or BSN, as applicable, and such Lenders, and shall provide for the issuance of promissory notes to evidence the Refinancing Term Loans if requested by the lenders advancing Refinancing Term Loans (which notes shall constitute Notes for purposes of this Agreement), with such amendment to be in form and substance reasonably acceptable to Agents and consistent with the terms of this subsection 2.1A(vii) and of the other provisions of this Agreement. No consent of any Lender (other than any Lender making Refinancing Term Loans) is required to permit the Loans contemplated by this subsection 2.1A(vii) or the aforesaid amendment to effectuate the Refinancing Term Loans. This section shall supersede any provisions contained in this Agreement, including, without limitation, subsection 10.7.

B. Domestic Overdraft Account. Lenders agree that Domestic Borrowers and Administrative Agent may establish and maintain the Domestic Overdraft Account to be established pursuant to the Domestic Overdraft Agreement; provided that (i) the Domestic Overdraft Amount shall not exceed at any time \$50,000,000, and (ii) in no event shall the Total Utilization of Revolving Loan Commitments at any time exceed the Revolving Loan Commitments then in effect. Notwithstanding anything contained in this Agreement to the contrary (but subject, however, to the limitations set forth in subsection 2.1A(v) with respect to the making of Revolving Loans), Lenders and Domestic Borrowers further agree that Administrative Agent at any time in its sole and absolute discretion may, upon notice to the Domestic Borrowers and Revolving Lenders, require each Revolving Lender (including Administrative Agent) on one Business Day’s notice to make a Revolving Loan on behalf of the Domestic Borrowers in an amount equal to that Lender’s Pro Rata Share, or, in the sole and absolute discretion of Administrative Agent, require each other Revolving Lender to purchase a participation in amounts due with respect to the Domestic Overdraft Amount in an amount equal to that Lender’s Pro Rata Share of the Domestic Overdraft Amount; provided, however, that the obligation of each such Lender to make each such Revolving Loan on behalf of the Domestic Borrowers or to purchase each such participation in the Domestic Overdraft Amount is subject to

63

the condition that at the time such extension of credit under the Domestic Overdraft Agreement was made the duly authorized officer of Administrative Agent responsible for the administration of Administrative Agent’s credit relationship with Domestic Borrowers believed in good faith that (x) no Event of Default had occurred and was continuing or (y) any Event of Default that had occurred and was continuing had been waived by Requisite Lenders (or, if applicable under subsection 10.7, all Lenders) at the time such extension of credit under the Domestic Overdraft Agreement was made. In the case of Revolving Loans made by Lenders other than Administrative Agent under the immediately preceding sentence, each such Lender shall make the amount of its Revolving Loan available to Administrative Agent, in Same Day Funds, at the Domestic Funding and Payment Office not later than 1:00 P.M. (New York time) on the Business Day next succeeding the date such notice is given. The proceeds of such Revolving Loans shall be immediately delivered to Administrative Agent (and not to any Domestic Borrower or any other Loan Party) and applied to repay the Domestic Overdraft Amount. On the day such Revolving Loans are made, Administrative Agent’s Pro Rata Share of the Domestic Overdraft Amount being refunded shall be deemed to be paid with the proceeds of a Revolving Loan made by Administrative Agent and such portion of the Domestic Overdraft Amount deemed to be so paid shall no longer be outstanding. Each Domestic Borrower authorizes Administrative Agent to charge the Domestic Borrower’s accounts with Administrative Agent (up to the amount available in each such account) in order to immediately pay Administrative Agent the amount of the Domestic Overdraft Amount to be refunded in such order as

Administrative Agent may elect, regardless of whether such amounts were drawn on behalf of such Domestic Borrower or another Domestic Borrower, to the extent amounts received from Lenders, including amounts deemed to be received from Administrative Agent, are not sufficient to repay in full the Domestic Overdraft Amount to be refunded and provided further that Administrative Agent shall give Domestic Borrowers notice of such charges prior thereto or as soon as reasonably practicable thereafter. Each Revolving Loan made in accordance with the foregoing shall be made as a Base Rate Loan. If any portion of any such amount paid to Administrative Agent should be recovered by or on behalf of any Domestic Borrower from Administrative Agent in bankruptcy, by assignment for the benefit of creditors or otherwise, the loss of the amount so recovered shall be ratably shared among all Revolving Lenders in the manner contemplated by subsection 10.6. In the event that Administrative Agent requires the other Revolving Lenders to purchase participations in the Domestic Overdraft Amount, payment for such participations shall be made directly to Administrative Agent at the Domestic Funding and Payment Office not later than 1:00 P.M. (New York time) on the Business Day next succeeding the date notice to purchase such participations is given. Except as provided above in this subsection 2.1B and except for the satisfaction of the conditions specified in subsection 3.1 and 3.2, each Lender's obligation to make Revolving Loans pursuant to this subsection 2.1B and to purchase participations in the Domestic Overdraft Amount pursuant to this subsection 2.1B shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against Administrative Agent, any Loan Party or any other Person for any reason whatsoever; (ii) the occurrence or continuance of an Event of Default or a Potential Event of Default; (iii) any adverse change in the condition (financial or otherwise) of any Loan Party; (iv) any breach of this Agreement by any Loan Party or any other Revolving Lender; or (v) any other circumstance, happening, or event whatsoever, whether or not similar to any of the foregoing; provided that in the event that the obligations of Lenders to make Revolving Loans

64

are terminated in accordance with Section 7, Lenders having a Revolving Loan Commitment shall thereafter only be obligated to purchase participations in the Domestic Overdraft Amount as provided in this subsection 2.1B. In the event that any Lender fails to make available to Administrative Agent the amount of any of such Lender's Revolving Loans required to be made pursuant to this subsection 2.1B or the amount of any participations in the Domestic Overdraft Amount which are required to be purchased from Administrative Agent by such Lender pursuant to this subsection 2.1B, Administrative Agent shall be entitled to recover such amount on demand from such Lender together with interest at the customary rate set by Administrative Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. Nothing in this subsection 2.1B shall be deemed to prejudice the right of any Lender to recover from Administrative Agent any amounts made available by such Lender to Administrative Agent pursuant to this subsection 2.1B in respect of any extension of credit by Administrative Agent under the Domestic Overdraft Agreement in the event that it is determined by a court of competent jurisdiction that such extension of credit by Administrative Agent constituted gross negligence or willful misconduct on the part of Administrative Agent.

Any notice given by Administrative Agent to Lenders pursuant to the immediately preceding paragraph shall be concurrently given by Administrative Agent to Domestic Borrowers or Borrowers' Agent.

C. Offshore Revolving Loan Commitments. On the Third Restatement Date, "Offshore Revolving Loans" outstanding and "Offshore Revolving Loan Commitments" under the Second Amended and Restated Credit Agreement are hereby continued as outstanding Offshore Revolving Loans in Dollars and Offshore Revolving Loan Commitments hereunder, respectively. The proceeds of all such Offshore Revolving Loans shall be used for the purposes identified in subsection 2.5A. The amount of each Lender's UK Revolving Loan Commitment, each Lender's Australian Revolving Loan Commitment, each Lender's Canadian Revolving Loan Commitment and each Lender's Italian Revolving Loan Commitment in each case as of the Third Restatement Date is set forth opposite its name in Schedule A annexed hereto and the aggregate amounts of the (i) UK Revolving Loan Commitments, (ii) the Australian Revolving Loan Commitments, (iii) the Canadian Revolving Loan Commitments and (iv) the Italian Revolving Loan Commitments (in each case set forth in Schedule A) are, as of the Third Restatement Date, (i) \$20,000,000, (ii) \$440,000,000, (iii) \$10,000,000 and (iv) \$63,000,000, respectively; provided that the Offshore Revolving Loan Commitments of Lenders shall be adjusted to give effect to any assignments thereof pursuant to subsection 10.2; provided, further that the amount of any Offshore Revolving Loan Commitment shall be reduced from time to time by the amount of any reductions thereto made pursuant to subsection 2.4G. In no event shall the aggregate principal amount of the UK Revolving Loans of any Lender outstanding at any time exceed its UK Revolving Loan Commitment then in effect, in no event shall the aggregate principal amount of the Australian Revolving Loans of any Lender outstanding at any time exceed its Australian Revolving Loan Commitment then in effect, in no event shall the aggregate

principal amount of Canadian Revolving Loans of any Lender outstanding at any time exceed its Canadian Revolving Loan Commitment then in effect and in no event shall the aggregate principal amount of the Italian Revolving Loans of any Lender outstanding at any time exceed its Italian Revolving Loan Commitment then in effect. Each Lender's Offshore Revolving Loan Commitment shall expire on the Revolving Loan Commitment Termination Date and all Offshore Revolving Loans and all other amounts owed hereunder with respect to the Offshore Revolving Loans and the Offshore Revolving Loan Commitments shall be paid in full no later than that date. Amounts borrowed under this subsection 2.1C may be repaid and reborrowed to but excluding the Revolving Loan Commitment Termination Date.

Anything contained in this Agreement to the contrary notwithstanding, no Offshore Borrower shall request Lenders to make any Offshore Revolving Loans (and no Lender shall be obligated to make Offshore Revolving Loans) if, immediately after giving effect to the making of such Offshore Revolving Loans:

66

(1) the Total Utilization of Revolving Loan Commitments would exceed the Revolving Loan Commitments then in effect;

at the rates and at the times which shall be determined in accordance with the provisions of this Agreement.

D. Offshore Overdraft Accounts.

(i) Lenders agree that each Offshore Borrower may establish and maintain an Offshore Overdraft Account with an Offshore Overdraft Provider pursuant to an Offshore Overdraft Agreement; provided that (a) (1) the UK Overdraft Amount shall not exceed at any time the Offshore Currency Equivalent of \$20,000,000, (2) the Australian Overdraft Amount shall not exceed at any time the Offshore Currency Equivalent of \$30,000,000, (3) the Canadian Overdraft Amount shall not exceed at any time the Offshore Currency Equivalent of \$10,000,000 and (4) the Italian Overdraft Amount shall not exceed the Offshore Currency Equivalent of \$63,000,000, and (b) in no event shall an Offshore Borrower request an extension of credit under an Offshore Overdraft Agreement (and no Offshore Overdraft Account Provider shall be obligated to extend credit under an Offshore Overdraft Agreement) if, after giving effect to such extension of credit:

(1) the Total Utilization of Revolving Loan Commitments would exceed the Revolving Loan Commitments then in effect;

(2) the sum of the Total Utilization of UK Revolving Loan Commitments plus the Total Utilization of the Australian Revolving Loan Commitments plus the Total Utilization of the Canadian Revolving Loan Commitments plus the Total Utilization of Italian Revolving Loan Commitments would exceed the Aggregate Offshore Sublimit;

(3) the Total Utilization of UK Revolving Loan Commitments would exceed the UK Revolving Loan Commitments then in effect;

(4) the Total Utilization of Australian Revolving Loan Commitments would exceed the Australian Revolving Loan Commitments then in effect;

(5) the Total Utilization of Canadian Revolving Loan Commitments would exceed the Canadian Revolving Loan Commitments then in effect; or

(6) the Total Utilization of Italian Revolving Loan Commitments would exceed the Italian Revolving Loan Commitments then in effect.

(ii) Notwithstanding anything contained in this Agreement to the contrary (but subject, however, to the limitations set forth in subsection 2.1C with respect to the making of Offshore Revolving Loans), Lenders and each Offshore Borrower further agree that any Offshore Overdraft Account Provider at any time in its sole and absolute discretion may, upon notice to the relevant Offshore Borrower, the Administrative Agent and the Lenders, require each Revolving Lender (including such Offshore Overdraft Account Provider) on one Business Day's notice to make an Offshore Revolving Loan in Dollars in an amount equal to that Lender's Pro Rata Share (determined with respect to such Type of Offshore Revolving Loan Commitments) of the relevant Offshore Overdraft Amount (calculated in Dollars by reference to the applicable Spot Rate on the date such Offshore Revolving Loan is to be made) or, in the event the relevant Type of Offshore Revolving Loan Commitment has terminated, require each

68

Revolving Lender to purchase a participation in amounts due with respect to the relevant Offshore Overdraft Account in an amount equal to that Lender's Pro Rata Share of the relevant Offshore Overdraft Amount (calculated in Dollars by reference to the applicable Spot Rate on the date such participation is to be purchased); provided, however, that the obligation of each Revolving Lender to make each such Offshore Revolving Loan or of each Revolving Lender to purchase each such participation in any such Offshore Overdraft Amount is subject to the condition that at the time such extension of credit under the applicable Offshore Overdraft Agreement was made the duly authorized officer of such Offshore Overdraft Account Provider responsible for the administration of such Offshore Overdraft Account Provider's credit relationship with the relevant Offshore Borrower believed in good faith that (a) no Event of Default had occurred and was continuing or (b) any Event of Default that had occurred and was continuing had been waived by Requisite Lenders (or, if applicable under subsection 10.7, all Lenders) at the time such extension of credit under such Offshore Overdraft Agreement was made. In the case of Offshore Revolving Loans or participation purchases made by Lenders other than Administrative Agent under the immediately preceding sentence, each such Lender shall make the amount of its Offshore Revolving Loan or the amount of its participation, as applicable, available to Administrative Agent in Same Day Funds in Dollars, at the Domestic Funding and Payment Office not later than 12:00 Noon (New York time) on the Business Day next succeeding the date such notice is given and upon such transfer such Offshore Revolving Loans shall be deemed made or such participations purchased, as the case may be. The proceeds of such Offshore Revolving Loans or participation purchases shall be delivered by Administrative Agent to such Offshore Overdraft Account Provider (and not to the relevant Offshore Borrower) as soon as practicable and applied to repay the relevant Offshore Overdraft Amount. On the day such Offshore Revolving Loans are made or such participations are purchased, such Offshore Overdraft Account Provider's Pro Rata Share of the Offshore Overdraft Amount being refunded shall be deemed to be paid with the proceeds of an Offshore Revolving Loan made by such Offshore Overdraft Account Provider and such portion of the Offshore Overdraft Amount deemed to be so paid shall no longer be outstanding. Each Offshore Borrower authorizes the Offshore Overdraft Account Provider to charge such Offshore Borrower's accounts with such Offshore Overdraft Account Provider (up to the amount available in each such account) in order to immediately pay such Offshore Overdraft Account Provider the amount of the Offshore Overdraft Amount to be refunded to the extent amounts received from Lenders, including amounts deemed to be received from such Offshore Overdraft Account Provider, are not sufficient to repay in full the Offshore Overdraft Amount to be refunded; provided that such Offshore Overdraft Account Provider shall give such Offshore Borrower notice of such charges prior thereto or as soon as reasonably practicable thereafter. Each Offshore Revolving Loan made in accordance with the foregoing shall be made as a Base Rate Loan. If any portion of any such amount paid to any Offshore Overdraft Account Provider should be recovered by or on behalf of such Offshore Borrower from such Offshore Overdraft Account Provider in bankruptcy, by assignment for the benefit of creditors or otherwise, the loss of the amount so recovered shall be ratably shared among all Lenders in the manner contemplated by subsection 10.6.

(iii) Except as provided above in this subsection 2.1D and except for the satisfaction of the conditions specified in subsections 3.1 and 3.2, each Lender's obligation to make Offshore Revolving Loans pursuant to this subsection 2.1D and the obligation of each Revolving Lender to purchase participations in any Offshore Overdraft Amount pursuant to this

69

subsection 2.1D shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (a) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against such Offshore Overdraft Account Provider, any Borrower or any other Person for any reason whatsoever; (b) the occurrence or continuance of an Event of Default or a Potential Event of Default; (c) any adverse change in the condition (financial or otherwise) of any Loan Party; (d) any breach of this Agreement by any Borrower or any other Lender; or (e) any other circumstance, happening, or event whatsoever, whether or not similar to any of the foregoing; provided that in the event that the obligations of Lenders to make Offshore Revolving Loans are terminated in accordance with Section 7, Revolving Lenders shall thereafter only be obligated to purchase participations in the relevant Offshore Overdraft Amount as provided in this subsection 2.1D. In the event that any Lender fails to make available to the relevant Administrative Agent the amount of any of such Lender's Offshore Revolving Loans required to be made pursuant to this subsection 2.1D or to the Administrative Agent the amount of any participations in the relevant Offshore Overdraft Amount which are required to be purchased from such Offshore Overdraft Account Provider by such Lender pursuant to this subsection 2.1D, such Offshore Overdraft Account Provider shall be entitled to recover such amount on demand from such Lender together with interest at the customary rate set by such Offshore Overdraft Account Provider for the correction of errors among banks in the relevant jurisdiction for three Offshore Banking Days and thereafter at the Base Rate. Nothing in this subsection 2.1D shall be deemed to prejudice the right of any Lender to recover from any Offshore Overdraft Account Provider any amounts made available by such Lender to such Offshore Overdraft Account Provider pursuant to this subsection 2.1D in respect of any extension of credit by such Offshore Overdraft Account Provider under the relevant Offshore Overdraft Agreement in the event that it is determined by a court of competent jurisdiction that such extension of credit by such Offshore Overdraft Account Provider constituted gross negligence or willful misconduct on the part of such Offshore Overdraft Account Provider.

(iv) Any notice given by any Offshore Overdraft Account Provider to the relevant Lenders pursuant to subsection 2.1D(iii) shall be concurrently given by such Offshore Overdraft Account Provider to the Administrative Agent and the applicable Offshore Borrower or Borrowers' Agent.

(v) Anything contained in this Agreement to the contrary notwithstanding, no amendment, modification, termination or waiver of any provision of this Agreement or of the other Loan Documents, and no consent to any departure by any Borrower therefrom, shall modify, terminate or waive in any manner adverse to any Offshore Overdraft Account Provider any provision of this subsection 2.1D or any other provision of this Agreement directly relating to the Offshore Overdraft Accounts or the Offshore Overdraft Amounts (including any provision directly relating to the repayment of the Offshore Overdraft Amounts with the proceeds of Offshore Revolving Loans or directly relating to the obligations of Lenders to purchase participations in the Offshore Overdraft Amounts) without the written concurrence of the applicable Offshore Overdraft Account Providers.

E. Notice of Borrowing.

(i) Whenever a Borrower desires that Lenders make Revolving Loans or Offshore Revolving Loans, it shall deliver to Administrative Agent a Notice of Borrowing no

70

later than 12:00 Noon (New York time) (x) at least one Business Day in advance of the proposed Funding Date, in the case of any Base Rate Loan, or (y) three Business Days in advance of the proposed Funding Date, in the case of a Eurodollar Rate Loan (other than in respect of a UK Borrower) and four Business Days in advance of the proposed Funding Date in the case of a Eurodollar Rate Loan to a UK Borrower. The Notice of Borrowing shall specify (1) the proposed Funding Date (which shall be a Business Day), (2) the amount and Type of the proposed Loans, (3) whether such Loans are initially to consist of Base Rate Loans or Eurodollar Rate Loans or a combination thereof, and (4) if such Loans, or any portion thereof, are initially to be Eurodollar Rate Loans, the amounts thereof and the initial Interest Periods therefor; and except as set forth in subsection 3.2B, such Notice of Borrowing shall further certify that subsection 3.2B is satisfied on and as of that Funding Date; provided that the minimum amount of Revolving Loans, if any, to be made on any Funding Date as Eurodollar Rate Loans with a particular Interest Period shall be \$10,000,000 and integral multiples of \$1,000,000 in excess of that amount and the minimum amount of Offshore Revolving Loans to be made on any Funding Date shall be as set forth in subsection 2.1C; and provided further that, United Glass may not deliver a Notice of Borrowing requesting a UK Revolving Loan at any time a UK Overdraft Agreement is in effect, O-I Canada may not deliver a Notice of Borrowing requesting a Canadian Revolving Loan at any time a Canadian Overdraft Agreement is in effect and Avir may not deliver a Notice of Borrowing requesting an Italian Revolving Loan at any time an Italian Overdraft Agreement is in effect. Notwithstanding anything in this Agreement to the contrary, no Lender shall make or be obligated to make a Revolving Loan or an Offshore Revolving Loan if it shall have received notification of a delivery of a Loan Limitation Notice to a Borrower with respect to such Revolving Loan or Offshore Revolving Loan from Administrative Agent on or prior to the first Business Day immediately preceding the proposed Funding Date for such Revolving Loan or Offshore Revolving Loan. Term Loans, Revolving Loans and Offshore Revolving Loans may be continued as or converted into Base Rate Loans and Euro Rate Loans in the manner provided in subsection 2.2D. In lieu of delivering the above-described Notice of Borrowing, a Borrower may give Administrative Agent irrevocable telephonic notice by the required time of any proposed borrowing under this subsection 2.1; provided that such notice shall be promptly confirmed in writing by delivery of a Notice of Borrowing to Administrative Agent on or prior to the Funding Date of the requested Loans.

(ii) Neither Administrative Agent nor any Lender shall incur any liability to any Borrower in acting upon any telephonic notice referred to above which Administrative Agent or Lender, as the case may be, believes in good faith to have been given by a duly authorized officer or other person authorized to borrow on behalf of the relevant Borrower, as the case may be, or for otherwise acting in good faith under this subsection 2.1E, and upon funding of Loans by any Lender in accordance with this Agreement pursuant to any such telephonic notice such Borrower shall have effected Loans hereunder.

(iii) Except as provided in subsection 2.6D, a Notice of Borrowing for a Eurodollar Rate Loan (or telephonic notice in lieu thereof) shall be irrevocable on and after the related Interest Rate Determination Date, and the Borrower giving such notice shall be bound to make a borrowing in accordance therewith, unless such Borrower pays to Lenders such amounts as may be due under subsection 2.6E for failure of a borrowing of a Eurodollar Rate Loan, to occur on the date specified therefor in a Notice of Borrowing (or telephonic notice in lieu thereof).

71

(iv) Promptly after receipt of a Notice of Borrowing pursuant to this subsection 2.1E (or telephonic notice in lieu thereof) with respect to any Revolving Loans or Offshore Revolving Loans, Administrative Agent may (but shall not be obligated to) calculate whether, before and after giving effect to the making of the relevant Loans:

(1) (A) the Total Utilization of Revolving Loan Commitments shall exceed (B) the Revolving Loan Commitments then in effect;

(2) the sum of the Total Utilization of UK Revolving Loan Commitments plus the Total Utilization of Australian Revolving Loan Commitments plus the Total Utilization of Canadian Revolving Loan Commitments plus the Total Utilization of Italian Revolving Loan Commitments shall exceed the Aggregate Offshore Sublimit;

(3) the Total Utilization of UK Revolving Loan Commitments shall exceed the UK Revolving Loan Commitments then in effect;

(4) the Total Utilization of Australian Revolving Loan Commitments shall exceed the Australian Revolving Loan Commitments then in effect;

(5) the Total Utilization of Canadian Revolving Loan Commitments shall exceed the Canadian Revolving Loan Commitments then in effect; and

(6) the Total Utilization of Italian Revolving Loan Commitments shall exceed the Italian Revolving Loan Commitments then in effect.

In the event that Administrative Agent determines that any of the statements in clauses (1) through (6) is true or will be true after giving effect to the making of the relevant Loans, Administrative Agent shall deliver to each Borrower written notice (a "**Loan Limitation Notice**") thereof, and shall notify each Lender promptly of its delivery of such notice.

F. Disbursement of Funds.

(i) All Revolving Loans and Offshore Revolving Loans under this Agreement shall be made by Lenders simultaneously and proportionately to their respective Pro Rata Shares of the Revolving Loan Commitments, Australian Revolving Loan Commitments, Canadian Revolving Loan Commitments, Italian Revolving Loan Commitments or UK Revolving Loan Commitments, as the case may be, it being understood that no Lender shall be responsible for any default by any other Lender in that other Lender's obligation to make a Term Loan, a Revolving Loan or an Offshore Revolving Loan requested hereunder nor shall the Commitment of any Lender to make the particular type of Loan requested be increased or decreased as a result of a default by any other Lender in that other Lender's obligation to make a Loan requested hereunder. Promptly after receipt of a Notice of Borrowing pursuant to subsection 2.1E (or telephonic notice in lieu thereof) or the deemed receipt of a Notice of Borrowing pursuant to subsection 2.8D, Administrative Agent shall notify each applicable Lender of the proposed borrowing. Except as provided in the next succeeding sentence for Lenders designating a UK Lending Office, each Lender shall make the amount of its Revolving Loan or Offshore Revolving Loan available to Administrative Agent, in Same Day Funds, at the Domestic Funding and Payment Office not later than 12:00 noon (New York time) on the

72

Funding Date. Each Lender which has designated a UK Lending Office shall make the amount of its UK Revolving Loans available to UK Administrative Agent, in Same Day Funds, at the UK Funding and Payment Office not later than 12:00 noon (London time) on the Funding Date. From and after the Third Restatement Date, except as provided in subsection 2.1B (with respect to the repayment of the Domestic Overdraft Amount), subsection 2.1D(ii) (with respect to the repayment of any Offshore Overdraft Amount), subsection 2.4B(ii)(d) (with respect to repayments of Term Loans out of the Acquisition Sublimit), subsection 2.4B(ii)(e) (with respect to the repayment of Term Loans out of the Existing Holdings Senior Notes Redemption Sublimit) and in subsection 2.8D (with respect to the reimbursement of amounts drawn under Letters of Credit), the satisfaction or waiver of the conditions precedent specified in subsection 3.2, Administrative Agent shall make the proceeds of Revolving Loans and Offshore Revolving Loans available to the Borrower requesting such Revolving Loans or Offshore Revolving Loans on such Funding Date by causing an amount of Same Day Funds equal to the proceeds of all such Revolving Loans or Offshore Revolving Loans received by Administrative Agent to be credited to the account of such Borrower at such office of Administrative Agent; provided that UK Administrative Agent shall make the proceeds of funds received from Lenders pursuant to the immediately preceding sentence available to United Glass on such Funding Date by causing an amount of Same Day Funds equal to such proceeds to be credited to the account of United Glass at the UK Funding and Payment Office.

(ii) Unless Administrative Agent shall have been notified by any Lender prior to any Funding Date that such Lender does not intend to make available to Administrative Agent such Lender's Loan on such Funding Date, Administrative Agent may assume that such Lender has made such amount available to Administrative Agent on such Funding Date and Administrative Agent in its sole discretion may, but shall not be obligated to, make available to the applicable Borrower a corresponding amount on such Funding Date. If such corresponding amount is not in fact made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Funding Date until the date such amount is paid to Administrative Agent, at the customary rate set by Administrative Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon Administrative Agent's demand therefor, Administrative Agent shall promptly notify the applicable Borrower, and such Borrower shall immediately pay such corresponding amount to Administrative Agent. If such Borrower does not pay such corresponding amount, Administrative Agent may require each Revolving Lender to purchase a participation in the amount unpaid by such Borrower in an amount equal to that Lender's Pro Rata Share of such unpaid amount. Nothing in this subsection 2.1F shall be deemed to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights which Borrower may have against any Lender as a result of any default by such Lender hereunder.

G. The Register; Notes.

(i) Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain, at its address referred to in subsection 10.10, a register for the inscription of the names and addresses of Lenders and the Commitments and Loans of each Lender from time to time (the "**Register**"). Borrowers, Borrowers' Agent, Agents, and Lenders

73

may treat each Person whose name is inscribed in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Company, Borrowers, Borrowers' Agent, Agents or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(ii) Administrative Agent shall inscribe in the Register the Commitments and the Loans from time to time of each Lender, the amount of each Lender's participation in outstanding Letters of Credit and each repayment or prepayment in respect of the principal amount of the Loans of each Lender and the principal amount owing from time to time by Borrowers in respect of each Loan to each Lender of such Loan. Any such inscription shall be conclusive and binding on Borrowers and each Lender, absent manifest or demonstrable error; provided that failure to make any such inscription, or any error in such inscription, shall not affect any Borrower's Obligations in respect of the applicable Loans. The inscription in the Register of the principal amount owing from time to time by the Borrowers in respect of each Tranche A1 Term Loan or Australian Revolving Loan shall constitute an unconditional and irrevocable covenant by each such Australian Offshore Borrower in favor of the Person whose name is so inscribed as the Lender in respect of such Loan that the Australian Offshore Borrower will make all payments of principal and interest in respect of the Loan in accordance with this Agreement, make all other payments required by this Agreement to be made by it in respect of such Loan and otherwise perform all of its obligations under this Agreement in full and by the due date.

(iii) Each Lender shall record on its internal records (including, without limitation, any promissory note described in subsection 2.1G(iv)) the amount of each Loan made by it and each payment in respect thereof and, in the case of a Lender with respect to each Loan made by it to an Offshore Borrower, the identity of the Offshore Borrower in respect thereof, the amount thereof and each Interest Period applicable thereto; provided that in the event of any inconsistency between the Register and any Lender's records, the inscriptions in the Register shall govern, absent manifest or demonstrable error.

(iv) If so requested by any Lender by written notice to Domestic Borrowers (with a copy to Administrative Agent) at any time, each Domestic Borrower shall execute and deliver to such Lender (and/or, if so specified in such notice, any Person who is an assignee of such Lender pursuant to subsection 10.2 hereof), promptly after such Domestic Borrower's receipt of such notice, a promissory note or promissory notes to evidence such

Lender's Tranche B1 Term Loan and/or Revolving Loans to such Domestic Borrower, substantially in the form of Exhibit IV-B or Exhibit V hereto, respectively. If so requested by any Lender having Italian Revolving Loan Exposure by written notice to Avir (with a copy to Administrative Agent and Borrower's Agent) at any time, Avir shall execute and deliver to such Lender (and/or, if so specified in such notice, any Person who is an assignee of such Lender pursuant to subsection 10.2 hereof), promptly after Avir's and Borrowers' Agent's receipt of such notice, a promissory note or promissory notes to evidence such Lender's Italian Revolving Loans, substantially in the form of Exhibit VI. If so requested by any Lender having Canadian Revolving Loan Exposure by written notice to O-I Canada (with a copy to Administrative Agent and Borrower's Agent), O-I Canada shall execute and deliver to such Lender (and/or, if so specified in such notice, any Person who is an assignee of such Lender pursuant to subsection 10.2 hereof), promptly after O-I Canada's and Borrowers' Agent's receipt of such

notice, a promissory note or promissory notes to evidence such Lender's Canadian Revolving Loans, substantially in the form of Exhibit VI.

Australian Revolving Loans, other than Australian Revolving Loans under the Second Amended and Restated Credit Agreement which have been amended and restated as Australian Revolving Loans as described in subsection 2.1A(i) or 2.1C, have been, and from and after the Third Restatement Date, will be issued by either or both of the Australian Offshore Borrowers to the Lenders as debentures in inscribed form. Such issue will be effected by inscription of each Loan and the name of each Lender as described in this subsection 2.1G. Such inscription shall be made on behalf of either or both of the Australian Offshore Borrowers for the purposes of issuing the debentures. In addition, the Australian Offshore Borrower(s) making such issue shall execute and deliver to each Lender having an Australian Revolving Loan Exposure one or more Australian Revolving Loan Notes, substantially in the form of Exhibit VI attached hereto, immediately after the making of such Australian Revolving Loans.

The Tranche A Term Loans that were converted into Tranche A1 Term Loans on the December 2003 Amendment Effective Date and amended and restated as Tranche A1 Term Loans under the Second Amended and Restated Credit Agreement and amended and restated as Tranche A1 Term Loans hereunder shall continue as debentures in inscribed form.

In addition, from time to time, upon receipt of notice from any Lender (with a copy to Administrative Agent and Borrowers' Agent) each Australian Offshore Borrower shall execute and deliver additional Tranche A1 Term Loan Notes substantially in the form of Exhibit IV-A hereto and/or Australian Revolving Loan Notes substantially in the form of Exhibit VI hereto to any Person who is an assignee of a Lender of such Type of Loan pursuant to subsection 10.2 hereof (or, in the case of any Additional Offshore Borrower, as a condition of becoming an Australian Offshore Borrower, each Lender having an Australian Revolving Loan commitment to such Australian Offshore Borrower).

The French Tranche C1 Term Loans and French Tranche C2 Term Loans as amended and restated as French Tranche C1 Term Loans and the French Tranche C2 Term Loans hereunder shall continue as debentures in inscribed form.

In addition, from time to time, upon receipt of notice from any Lender (with a copy to Administrative Agent and Borrowers' Agent) BSN shall execute and deliver additional French Tranche C1 Term Loan Notes and French Tranche C2 Term Loan Notes substantially in the form of Exhibits IV-C1 and IV-C2 hereto to any Person who is an assignee of a Lender of such Type of Loan pursuant to subsection 10.2 hereof.

A. Rate of Interest.

(i) All Loans shall bear interest on the unpaid principal amount thereof from the date made through maturity (whether by acceleration or otherwise) at a rate determined by reference to (a) in the case of all Loans other than the French Tranche C2 Term Loans, the Base Rate or the Adjusted Eurodollar Rate and (b) in the case of the French Tranche C2 Term Loans, Euro LIBOR. Except for French Tranche C2 Term Loans (which were made

and must continue as Euro LIBOR Loans) and except to the extent that this Agreement specifically provides that certain Revolving Loans and Offshore Revolving Loans must be made as Base Rate Loans, the applicable basis for determining the rate of interest with respect to Term Loans, Revolving Loans and Offshore Revolving Loans shall be selected by a Borrower at the time such Borrower gives a Notice of Borrowing pursuant to subsection 2.1E (or is deemed to have given a Notice of Borrowing pursuant to subsection 2.8D) or at the time a Notice of Conversion/Continuation is given pursuant to subsection 2.2D. Except in the case of French Tranche C2 Term Loans, if on any day a Loan is outstanding with respect to which notice has not been delivered to Administrative Agent in accordance with the terms of this Agreement specifying the basis for determining the rate of interest, then for that day that Loan shall bear interest determined by reference to the Base Rate. If on any day a French Tranche C2 Term Loan is outstanding with respect to which notice has not been delivered to Administrative Agent in accordance with the terms of this Agreement specifying the basis for determining the rate of interest, then such Loan shall be automatically continued as a Euro LIBOR Loan with a one month Interest Period.

- (b) if a Eurodollar Rate Loan, then at the sum of the Adjusted Eurodollar Rate plus the Applicable Euro Margin; or
- (c) if a Euro LIBOR Loan, then at the sum of Euro LIBOR plus the Applicable Euro Margin.

provided, however, in no event shall any interest be payable in respect of Italian Revolving Loans which exceeds the amount permitted under applicable Italian law.

B. Interest Periods.

In connection with each Euro Rate Loan, the Borrower requesting such Loan shall elect an interest period (each an “**Interest Period**”) to be applicable to such Loan, which Interest Period shall be a one, two, three or six month period (or, with Administrative Agent’s consent, a one, two or three week period); provided that:

(i) the initial Interest Period for any Euro Rate Loan shall commence on the Funding Date in respect of such Loan, in the case of a Loan initially made as a Euro Rate Loan, or on the date specified in the applicable Notice of Conversion/Continuation, in the case of a Loan converted to a Eurodollar Rate Loan;

(ii) in the case of immediately successive Interest Periods applicable to a Euro Rate Loan continued as such pursuant to a Notice of Conversion/Continuation or otherwise, each successive Interest Period shall commence on the day on which the next preceding Interest Period expires;

76

(iii) if an Interest Period with respect to any Euro Rate Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided that if any such Interest Period would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(iv) any Interest Period with respect to Euro Rate Loans which begins on the last Business Day of a calendar month (or on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period) shall end on the last Business Day of a calendar month;

(v) no Interest Period with respect to any Tranche A1 Term Loan shall extend beyond the Tranche A1 Term Loan Maturity Date;

(vii) no Interest Period with respect to any French Tranche C1 Term Loan or any French Tranche C2 Term Loan shall extend beyond the Tranche C Term Loan Maturity Date;

(viii) there shall be no more than 20 Interest Periods outstanding at any time with respect to Eurodollar Rate Loans to Domestic Borrowers; and there shall be no more than (a) 10 Interest Periods outstanding at any time with respect to UK Revolving Loans, (b) 15 Interest Periods outstanding at any time with respect to Australian Revolving Loans and Tranche A1 Term Loans, (c) two Interest Periods outstanding at any time with respect to Canadian Revolving Loans, (d) two Interest Periods outstanding at any time with respect to Italian Revolving Loans and (e) 10 Interest Periods outstanding at any time with respect to the French Tranche C1 Term Loans and the French Tranche C2 Term Loans collectively; and

(ix) in the event a Borrower fails to specify an Interest Period in the applicable Notice of Borrowing or Notice of Conversion/Continuation, such Borrower shall be deemed to have selected an Interest Period of one month.

C. Interest Payments. Subject to subsection 2.2E, interest shall be payable on the Loans as follows:

(i) interest on each Base Rate Loan shall be payable in arrears on and to each March 15, June 15, September 15, and December 15 of each year, commencing on December 15, 2004, upon prepayment of that Loan (to the extent accrued on the amount being prepaid) and at maturity; and

(ii) interest on each Euro Rate Loan shall be payable in arrears on and to each Interest Payment Date applicable to that Loan, upon any prepayment of that Loan (to the extent accrued on the amount being prepaid) and at maturity.

D. Conversion or Continuation. Subject to the provisions of subsection 2.6, the applicable Borrower shall have the option (i) to convert at any time all or any part of its

77

outstanding Term Loans (other than French Tranche C2 Term Loans, which shall always constitute Euro LIBOR Loans) or Revolving Loans equal to \$10,000,000 and integral multiples of \$1,000,000 in excess of that amount from Loans bearing interest at a rate determined by reference to one basis to Loans bearing interest at a rate determined by reference to an alternative basis, (ii) upon the expiration of any Interest Period applicable to a Eurodollar Rate Loan to a Domestic Borrower, to continue all or any portion of such Eurodollar Rate Loan equal to \$10,000,000 and integral multiples of \$1,000,000 in excess of that amount as a Eurodollar Rate Loan, (iii) to convert at any time all or any part of its outstanding Offshore Revolving Loans equal to \$5,000,000 and integral multiples of \$1,000,000, from Loans bearing interest at a rate determined by reference to one basis to Loans bearing interest at a rate determined by reference to an alternative basis and (iv) upon the expiration of any Interest Period applicable to a Euro Rate Loan, to continue as a Euro Rate Loan all or any portion of such Euro Rate Loan equal to \$5,000,000 and integral multiples of \$1,000,000, and the succeeding Interest Period(s) of such continued Loan shall commence on the last day of the Interest Period of the Loan to be continued, provided, however, that a Eurodollar Rate Loan may only be converted into a Base Rate Loan on the expiration date of an Interest Period applicable thereto; and provided, further, that, unless Requisite Lenders otherwise agree, no outstanding Loan may be continued as, or be converted into, a Eurodollar Rate Loan when any Event of Default has occurred and is continuing.

The applicable Borrower shall deliver a Notice of Conversion/Continuation to Administrative Agent no later than 12:00 Noon (New York time) at least one Business Day in advance of the proposed conversion/continuation date (in the case of a conversion to a Base Rate Loan) or three Business Days in advance of the proposed conversion/continuation date (in the case of a conversion to, or a continuation of, a Euro Rate Loan). A Notice of Conversion/Continuation shall specify (i) the proposed conversion/continuation date (which shall be a Business Day), (ii) the amount and Type of the Loan to be converted/continued, (iii) the nature of the proposed conversion/continuation and (iv) in the case of a conversion to, or a continuation of, a Euro Rate Loan, the requested Interest Period. In lieu of delivering the above described Notice of Conversion/Continuation, the applicable Borrower may give Administrative

Agent telephonic notice by the required time of any proposed conversion/continuation under this subsection 2.2D; provided, that, such notice shall be promptly confirmed in writing by delivery of a Notice of Conversion/Continuation to Administrative Agent on or before the proposed conversion/continuation date.

Administrative Agent shall not incur any liability to any Loan Party in acting upon any telephonic notice referred to above which Administrative Agent believes in good faith to have been given by a duly authorized officer or other person authorized to act on behalf of a Borrower in connection with any telephonic notice referred to above or for otherwise acting in good faith under this subsection 2.2D and upon conversion/continuation by Administrative Agent in accordance with this Agreement pursuant to any telephonic notice, such Borrower shall have effected a conversion or continuation, as the case may be, hereunder.

Except as provided in subsection 2.6D, a Notice of Conversion/Continuation for conversion to, or continuation of, a Euro Rate Loan (or telephonic notice in lieu thereof) shall be irrevocable on and after the related Interest Rate Determination Date, and upon delivering a Notice of Conversion/Continuation, the relevant Borrower shall be bound to convert or continue

78

in accordance therewith, unless such Borrower pays to Lenders such amounts as may be due under subsection 2.6E for failure of a conversion to or continuation of any Euro Rate Loan to occur on the date specified therefor in a Notice of Conversion/Continuation (or telephonic notice in lieu thereof).

E. Post-Maturity Interest. Any principal payments on the Loans (other than the French Tranche C2 Term Loans) not paid when due and, to the extent permitted by applicable law, any interest payments on the Loans not paid when due, in each case whether at stated maturity, by notice of prepayment, by acceleration or otherwise, shall thereafter bear interest payable upon demand at a rate equal to the sum of the Base Rate plus the Applicable Base Rate Margin plus 2.00% per annum. Any principal payments on the French Tranche C2 Term Loans not paid when due and, to the extent permitted by applicable law, any interest payments on the French Tranche C2 Term Loans not paid when due, in each case whether at stated maturity, by notice of prepayment, by acceleration or otherwise, shall thereafter bear interest payable upon demand at a rate equal to the sum of Euro LIBOR plus the Applicable Euro Margin plus 2.00% per annum.

F. Computation of Interest. Interest on the Loans shall be computed on the basis of a 360-day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of the Loan or the first day of an Interest Period, as the case may be, shall be included and the date of payment or the expiration date of an Interest Period, as the case may be, shall be excluded; provided that if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

G. Interest Act (Canada). For purposes of disclosure pursuant to the *Interest Act* (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

H. Canadian Interest Limitations. If any provision of this Agreement or any other Loan Documents would obligate O-I Canada to make any payment of interest with respect to the Obligations of O-I Canada or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by that Lender of interest with respect to the Obligations of O-I Canada at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provision, such amount or rates shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by that Lender of interest with respect to the Obligations of O-I Canada at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) first, by reducing the amount of rates or interest required to be paid to the affected Lender under this subsection 2.2H; and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the affected Lender which would constitute interest with respect to the Obligations of O-I Canada for purposes of Section 347 of the Criminal Code (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received an amount in respect of Obligations of O-I Canada in excess of the maximum permitted by that

79

section of the Criminal Code (Canada), then O-I Canada shall be entitled, by notice in writing to the affected Lender, to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to O-I Canada. Any amount or rate of interest under the Obligations of O-I Canada referred to in this subsection 2.2H shall be determined in accordance with generally accepted actuarial practices and principals at an effective annual rate of interest over the term that any Offshore Revolving Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the Criminal Code (Canada)) shall, if related to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Restatement Date to the termination of the Offshore Revolving Loan Commitment (with reference to the Obligations of O-I Canada) and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

I. French "Global Effective Rate". For the purpose of article L.313-1 to L.313-6 of the French *Code de la Consommation*, the parties to this Agreement acknowledge that, due to the floating interest rate, it was not possible to determine in advance the global effective rate ("*taux effectif global*") for the Loans to BSN on the BSN Acquisition Closing Date. BSN acknowledges it received from the Administrative Agent on the BSN Acquisition Closing Date a letter stating for information purposes an effective global rate applicable to outstanding amounts under French Tranche C1 Term Loans and French Tranche C2 Term Loans corresponding to examples. The parties recognize that such letter is an integral part of the Agreement.

2.3 Fees

A. Facility Fees. Domestic Borrowers shall pay or cause to be paid, to Administrative Agent (for distribution to each Revolving Lender in accordance with such Lender's Pro Rata Share) facility fees with respect to the Revolving Loan Commitments, for the period from and including the Second Restatement Date to and excluding the Revolving Loan Commitment Termination Date, equal to (i) the daily average amount of the Revolving Loan Commitments (without regard to the Total Utilization of Revolving Loan Commitments at any time or from time to time), as the case may be, multiplied by 0.50% per annum, plus (ii) the daily average amount of Revolving Loan Commitments reserved to the Acquisition Sublimit multiplied by a percentage equal

to one-half of the Applicable Euro Margin for Revolving Loans, plus (iii) at any time when the amount of Revolving Loan Commitments reserved to the Existing Holdings Senior Notes Redemption Sublimit exceeds \$75,000,000, the daily average amount of Revolving Loan Commitments reserved to the Existing Holdings Senior Notes Redemption Sublimit multiplied by a percentage equal to one-half of the Applicable Euro Margin for Revolving Loans, such facility fees to be computed on the basis of a 360-day year and to be payable in arrears on each Fee Payment Date for the three-month period ending on the day prior to such Fee Payment Date, commencing on the first such date to occur after the Third Restatement Date, and on the Revolving Loan Commitment Termination Date.

B. Other Fees. Domestic Borrowers agree to pay or cause to be paid an annual administrative fee to Administrative Agent and such other fees to Arrangers and Agents, in each case in the amounts and at the times agreed upon between Domestic Borrowers and the applicable Arranger or Agent.

To the extent amounts deposited in the Existing Holdings Senior Notes Redemption Collateral Account plus any amounts then reserved to the Existing Holdings Senior Notes Redemption Sublimit at any time exceed the aggregate outstanding principal amount of the Existing Holdings Senior Notes due 2005 and 2007 by more than 10%, or at any time at the election of the Borrowers' Agent, the amount of such excess (or any amount in the case of a Borrowers' Agent election) shall be released to prepay Term Loans and/or reduce Revolving Loan Commitments in accordance with clause (1), above (except to the extent such payment is made pursuant to clause (3), below); or

Except as set forth below, the portion of the Revolving Loan Commitments reserved to the Existing Holdings Senior Notes Redemption Sublimit under the preceding sentence may be used solely to redeem, repurchase or otherwise repay Existing Holdings Senior Notes due 2005, and, so long as the outstanding principal amount of the Existing Holdings Senior Notes due 2005 is \$75,000,000 or less, to redeem, repay or otherwise repurchase Existing Holdings Senior Notes due 2007. To the extent amounts reserved in the Existing Holdings Senior Notes Redemption Sublimit plus any amount then deposited in the Existing Holdings Senior Notes Redemption Collateral Account at any time exceed the aggregate outstanding principal amount of the Existing Holdings Senior Notes due 2005 and 2007 by more than 10%, or at any time at the election of the Borrowers' Agent, Borrowers shall notify Administrative Agent thereof and prepay Term Loans and/or the Revolving Loan Commitments shall be reduced in accordance with clause (1) above in an amount equal to such excess (or any amount in the case of a Borrowers' Agent election) except to the extent such payment is made pursuant to clause (2) above; provided, that, unless the Borrowers' Agent shall have notified Administrative Agent by 11:00 a.m. (New York time) on the Business Day immediately following Borrowers' delivery of notice to Administrative Agent of such excess that Borrowers intend to make such repayment of the Term Loans with funds other than the proceeds of Revolving Loans, the Domestic Borrowers shall be deemed to have given a Notice of Borrowing to Administrative Agent requesting Lenders to make Revolving Loans to the Borrowers which are Base Rate Loans, on the date, in an amount equal to the lesser of (i) the amount of Term Loans required to be prepaid pursuant to this clause (3), and (ii) the aggregate amount of Term Loans outstanding, and, subject to satisfaction or waiver of the conditions specified in subsection 3.2, Lenders shall, on the date prepayment of the Term Loans is required by this clause (3), make Revolving Loans to such Borrowers which are Base Rate Loans in such amount as aforesaid, the proceeds of which shall be applied directly by Administrative Agent to prepay Term Loans as required by this clause (3); provided, further, that, if, as of the date such Revolving Loans are to be made, the Revolving Loan Commitments have terminated due to an Event of Default or the conditions specified in subsection 3.2 have not been satisfied or waived, each Revolving Lender shall purchase its Pro Rata Share (determined with respect to Revolving Loans) of participations in the Term Loans in an aggregate amount equal to that portion of the Existing Holdings Senior Notes Redemption Sublimit that bears the same ratio to the total Existing Holdings Senior Notes Redemption Sublimit as the outstanding Term Loans bear to an amount equal to the sum of all Loans then outstanding plus the total Existing Holdings Senior Notes Redemption Sublimit (with such participation allocated

88

Upon, but only to the extent of, any prepayment of the Term Loans pursuant to this clause (3), the Revolving Loan Commitments shall no longer be restricted by the Existing Holdings Senior Notes Redemption Sublimit; or

(4) at the written election of Borrowers' Agent delivered to Administrative Agent not later than the third Business Day after receipt of such Net Debt Securities Proceeds, so long as in the case of Net Debt Securities Proceeds from the issuance of secured New Senior Debt, the conditions described in clauses (ii) and (iii) of the definition of "Reservation Conditions" are satisfied (and Borrowers' Agent has delivered an Officers' Certificate to such effect), the Borrowers may (a) directly apply all or any part of such Net Debt Securities Proceeds to redeem, repay or repurchase BSN Senior Subordinated Notes or (b) deposit all or any portion of such Net Debt Securities Proceeds into the OI Grantor Collateral

Account established with Collateral Agent pursuant to Section 12 of the Security Agreement (such amounts so deposited being referred to herein as the "**BSN Senior Subordinated Notes Redemption Collateral Account**"), with amounts therein to be used thereafter solely to redeem, repurchase or otherwise repay BSN Senior Subordinated Notes. To the extent amounts deposited in the BSN Senior Subordinated Notes Redemption Collateral Account at any time exceed the aggregate outstanding principal amount of the BSN Senior Subordinated Notes by more than 10%, or at any time at the election of the Borrowers' Agent, the amount of such excess (or any amount in the case of a Borrowers' Agent election) shall be released to prepay Term Loans and/or reduce Revolving Loan Commitments in accordance with clause (1), above.

(f) Prepayments and Reductions from Net Debt Securities Proceeds from Receivables Sale Indebtedness. No later than the third Business Day after the date of receipt by Holdings, Company or any of its Domestic Subsidiaries (including Domestic Borrowers) of any Net Debt Securities Proceeds arising from the issuance of Receivables Sale Indebtedness: (A) the Borrowers shall prepay the Term Loans in an amount equal to the lesser of (x) the Net Debt Securities Proceeds permitted to be applied to the Loans under the terms of the Intercreditor Agreement and (y) the aggregate amount outstanding under the Term Loans, and (B) the Revolving Loan Commitments shall be permanently reduced by an amount equal to the positive difference between the Net Debt Securities Proceeds permitted to be applied to the Loans under the terms of the Intercreditor Agreement and the amounts applied to the Term Loans under the foregoing clause (A).

(g) Prepayments due to Excess Total Utilization. Domestic Borrowers shall make such prepayments of Revolving Loans (and cause the relevant Offshore Borrowers to make prepayments of Offshore Revolving Loans) to the extent necessary so that the Total Utilization of Revolving Loan Commitments at any time does not exceed the Revolving Loan Commitments then in effect. United Glass shall make prepayments of the UK Revolving Loans to the extent necessary so that the Total Utilization of UK Revolving Loan Commitments does not exceed the Offshore Sublimit then in effect for United Glass. The Australian Offshore Borrowers shall make prepayments of the Australian Revolving Loans to the extent necessary so that the Total Utilization of Australian Revolving Loan Commitments does not exceed the Offshore Sublimit then in effect for the Australian Offshore Borrowers. Avir shall make prepayments of the Italian Revolving Loans to the extent necessary so that the Total Utilization of Italian Revolving Loan Commitments does not exceed the Offshore Sublimit then in effect for Avir. O-I Canada shall make prepayments of the Canadian Revolving Loans to the extent necessary so that the Total Utilization of Canadian Revolving Loan Commitments does not exceed the Offshore Sublimit then in effect for O-I Canada.

(h) Officer's Certificate. Concurrently with any prepayment of the Loans and/or reduction of the Revolving Loan Commitments pursuant to subsections 2.4B(ii)(a)-(f), Domestic Borrowers shall deliver to Administrative Agent an Officer's Certificate demonstrating the calculation of the amount of the applicable Net Asset Sale Proceeds, Consolidated Excess Cash Flow, Net Insurance/Condemnation Proceeds, Net Equity Securities Proceeds or Net Debt Securities Proceeds, as the case may be, that gave rise to such prepayment and/or reduction. In the event that the Domestic Borrowers shall subsequently determine that the actual amount was greater than the amount set forth in such Officer's Certificate (including, in the case of the Plastics Sale, due to the receipt of any net positive amount of purchase price adjustments by Company or its Subsidiaries under Section 1.3 of the Plastics Sale Agreement in excess of \$25,000,000, with such proceeds applied to the Term Loans in the same manner as the other Net Asset Sale Proceeds arising from the Plastics Sale pursuant to the Second Amended and Restated Credit Agreement, as amended by the First Amendment), Domestic Borrowers shall promptly cause an additional prepayment of the Loans (and/or, if applicable, the Revolving Loan Commitments shall be permanently reduced and/or the Existing Holdings Senior Notes Redemption Sublimit and/or Acquisition Sublimit may be increased, as the case may be) in an amount equal to the amount of such excess, and Domestic Borrowers shall concurrently therewith deliver to Administrative Agent an Officer's Certificate demonstrating the derivation of the additional amount resulting in such excess.

(iii) Application of Prepayments. Any voluntary prepayments pursuant to subsection 2.4B(i) shall be applied as specified by the applicable Borrower in the applicable notice of prepayment; provided that in the event the applicable Borrower fails to specify the Loans to which any such prepayment by it shall be applied, such prepayment shall be first to repay outstanding Revolving Loans to the full extent thereof, second to repay outstanding Term Loans ratably, in accordance with their respective outstanding principal balances to the full extent thereof, and third to the L/C Collateral Account until the L/C Collateral Account holds an amount equal to the Aggregate Available Amount (as defined in the Security Agreement); provided that if no order is specified, voluntary prepayments applicable to the Revolving Loans hereunder shall be applied pro rata among all Revolving Loans and, in the case of Offshore Borrowers, to prepay Offshore Revolving Loans. Any mandatory prepayment pursuant to subsections 2.4B(ii)(a)-(f) shall be applied as set forth in such subsections; provided that mandatory prepayments of the Term Loans shall be made ratably among the Tranche A1 Term Loans, Tranche B1 Term Loans, Tranche C Term Loans, Additional Term Loans (if any) and Refinancing Term Loans (if any) in accordance with their respective outstanding principal amounts at the time of payment and shall reduce the scheduled installments of principal of the applicable Term Loans set forth in subsection 2.4B pro rata to all remaining installments (except for mandatory prepayments of Term Loans under subsection 2.4B(ii)(b), which shall be applied to all such installments in forward order of maturity); provided further, if at the time of such mandatory prepayment, the Term Loans have been repaid in full and (to the extent such prepayment is required to be applied to the Revolving Loan Commitments) the amount of such prepayment exceeds the sum of the Revolving Loan Commitments then in effect the amount by which such prepayment exceeds such amount shall be applied to the L/C Collateral Account until the L/C Collateral Account holds an amount equal to the Aggregate Available Amount (as

defined in the Security Agreement). Any mandatory prepayment of any Type of Term Loans, Revolving Loans or Offshore Revolving Loans shall be applied first to Base Rate Loans of the applicable Type to the full extent thereof before application to Euro Rate Loans of such Type as determined by Administrative Agent, in each case in a manner which minimizes the amount of any payments required to be made by the applicable Borrowers pursuant to subsection 2.6E. All prepayments of Euro Rate Loans Term Loans and Offshore Revolving Loans shall include payment of accrued interest on the principal amount so prepaid and shall be applied to payment of interest before application to principal. For purposes of this subsection 2.4B(iii), the outstanding principal balance of the French Tranche C2 Term Loans shall be deemed to be the Dollar Equivalent of the outstanding principal balance of such Term Loans as of the date of the applicable voluntary or mandatory prepayment to be applied to repay Term Loans in accordance with this subsection 2.4B(iii). Amounts to be applied to French Tranche C2 Term Loans pursuant to this subsection 2.4B(iii) received by the Administrative Agent in Dollars shall be converted by the Administrative Agent into Euros at the Spot Rate on the date of application.

(iv) Notwithstanding anything in the foregoing Section 2.4B, any mandatory or optional prepayment of Tranche A1 Term Loans in either case that results in the prepayment of all, but not less than all, outstanding Tranche A1 Term Loans prior to June 21, 2005 with the proceeds of new term loans under this Agreement that have an applicable rate that is less than the rate currently calculated using the Applicable Euro Margin or Applicable Base Rate Margin for Tranche A1 Term Loans as of the Third Restatement Date may only be made if each Tranche A1 Lender is paid a prepayment premium of 1% of the principal amount of such Lender's Tranche A1 Term Loans. Any mandatory or optional prepayment of Tranche B1 Term Loans in either case that results in the prepayment of all, but not less than all, outstanding Tranche B1 Term Loans prior to June 21, 2005 with the proceeds of new term loans under this Agreement that have an applicable rate that is less than the rate currently calculated using the Applicable Euro Margin or Applicable Base Rate Margin for Tranche B1 Term Loans as of the Third Restatement Date may only be made if each Tranche B1 Lender is paid a prepayment premium of 1% of the principal amount of such Lender's Tranche B1 Term Loans. Any mandatory or optional prepayment of any Type of Tranche C Term Loans in either case that results in the prepayment of all, but not less than all, outstanding Tranche C Term Loans of such Type prior to June 21, 2005 with the proceeds of new term loans under this Agreement that have an applicable rate that is less than the rate currently calculated using the Applicable Euro Margin or Applicable Base Rate Margin for such Type of Tranche C Term Loans as of the Third Restatement Date may only be made if each Tranche C Term Loan Lender having Tranche C Term Loans of such Type is paid a prepayment premium of 1% of the principal amount of such Lender's Tranche C Term Loans of such Type.

C. Manner and Time of Payment. Except as provided in the immediately succeeding sentence with respect to UK Revolving Loans and in subsection 2.7C or 2.8E, all payments of principal, interest and fees hereunder and under the Loans by Borrowers shall be made without defense, setoff, counterclaim or other deduction and in Same Day Funds and delivered to Administrative Agent not later than 12:00 Noon (New York time) on the date due at the Domestic Funding and Payment Office for the account of Lenders, in Dollars (except for payments in respect of the French Tranche C2 Term Loans, which shall be made in Euros); funds received by Administrative Agent after the applicable time shall be deemed to have been paid by the relevant Borrower on the next succeeding Business Day. All payments with respect to UK

92

Revolving Loans by UK Borrowers shall be made without defense, setoff, counterclaim or other deduction (except to the extent required by law) and in Same Day Funds and delivered to UK Administrative Agent not later than 12:00 noon (London time) on the date due at the UK Funding and Payment Office for the account of Lenders, in Dollars; funds received by UK Administrative Agent after the applicable time shall be deemed to have been paid by the relevant Borrower on the next succeeding Business Day. UK Administrative Agent shall distribute to each Lender having a UK Lending Office its Pro Rata Share of the amount so received to such Lender's UK Lending Office and shall transfer the remaining balance to Administrative Agent for distribution to all other Lenders. Company and each Borrower hereby authorize Administrative Agent and the UK Administrative Agent to charge their accounts with Administrative Agent or the UK Administrative Agent, as the case may be, in order to cause timely payment to be made to Administrative Agent or the UK Administrative Agent, as the case may be, of all principal, interest and fees due hereunder (subject to sufficient funds being available in its accounts for that purpose); provided that Administrative Agent or the UK Administrative Agent, as the case may be, shall give Company or the Borrower whose accounts are being so charged notice of such charges prior thereto or as soon as reasonably practicable thereafter.

D. Apportionment of Payments. Aggregate principal and interest payments in respect of Term Loans and Revolving Loans and, to the extent payments are made by Borrowers after payments have been made by Lenders pursuant to subsection 2.8E, payments in respect of Letters of Credit, shall be apportioned among the Term Loans, Revolving Loans and Letters of Credit to which such payments relate, payments of the aggregate facility fees and Letter of Credit commissions shall be apportioned ratably among Revolving Lenders, in each case proportionally to their respective Pro Rata Shares. All principal and interest payments in respect of the Domestic Overdraft Account shall be transferred to and retained by Administrative Agent; provided that Administrative Agent shall distribute to each Lender that has purchased a participation in amounts due with respect to the Domestic Overdraft Account pursuant to subsection 2.1B such Lender's Pro Rata Share of any payments subsequently received by Administrative Agent in respect of such amounts due with respect to the Domestic Overdraft Account. All principal and interest payments in respect of any Offshore Overdraft Account shall be transferred to and retained by the relevant Offshore Overdraft Account Provider; provided that such Offshore Overdraft Account Provider shall transfer to the Administrative Agent that portion of any payments subsequently received by such Offshore Overdraft Account Provider in respect of amounts due with respect to such Offshore Overdraft Account necessary to permit Administrative Agent to distribute to each Lender that has purchased a participation in such amounts due pursuant to subsection 2.1D such Lender's Pro Rata Share of such payments. Aggregate principal and interest payments in respect of Offshore Revolving Loans shall be apportioned among the Offshore Revolving Loans to which such payments relate, in each case proportionally to the relevant Lenders' respective Pro Rata Shares. Subject to the provisions of subsection 2.4C relating to amounts received by the UK Administrative Agent, Administrative Agent (or, in the case of payments received by any Issuing Lender from a Borrower after payments have been made to such Issuing Lender by Lenders pursuant to subsection 2.8C, such Issuing Lender) shall promptly distribute to each Lender, at its primary address set forth below its name on the appropriate signature page hereof or at such other address as any Lender may request, its share of all such payments in respect of Term Loans, Revolving Loans, Letters of Credit, the Domestic Overdraft Account, the Offshore Overdraft Accounts and Offshore

93

Revolving Loans received by Administrative Agent (or such Issuing Lender) and the facility fees of such Lender when received by Administrative Agent pursuant to subsection 2.3A. Notwithstanding the foregoing provisions of this subsection 2.4D, (i) with respect to any Lender which fails to fund the purchase of all or any part of its participation in a Letter of Credit as required by subsection 2.8C, its participation in the Domestic Overdraft Amount as required under subsection 2.1B, its participation in an Offshore Overdraft Amount as required under subsection 2.1D or its participation in the Term Loans

pursuant to subsection 2.4B(ii)(d) or 2.4B(ii)(e) (such Lender being a “**Defaulting Participating Lender**”), all amounts which would otherwise be payable or allocable to such Defaulting Participating Lender under this subsection 2.4D shall instead be paid by Administrative Agent to the Issuing Lender (in the case of a failure to fund the purchase of a participation in a Letter of Credit under subsection 2.8E), Administrative Agent (in the case of a failure to fund the purchase of a participation in the Domestic Overdraft Amount under subsection 2.1B) the applicable Offshore Overdraft Account Provider (in the case of a failure to fund a purchase of a participation in an Offshore Overdraft Amount under subsection 2.1D), or to the Lenders having Term Loan Exposure (in the case of a failure to fund a purchase of a participation in the Term Loans pursuant to subsection 2.4B(ii)(d) or 2.4B(ii)(e) (each, a “**Recipient**”), until such Recipient has received, either pursuant to this proviso or otherwise from such Defaulting Participating Lender, an amount equal to the amount such Defaulting Participating Lender failed to so fund plus interest at the customary rate set by such Recipient for the correction of errors among banks for three Business Days and thereafter at the Base Rate plus the Applicable Base Rate Margin (and in the case such Defaulting Participating Lender is a Defaulting Participating Lender with respect to more than one Recipient, such amounts shall be paid to such Recipients ratably in accordance with amounts owed to such Recipients by such Defaulting Participating Lender); (ii) if, pursuant to the provisions of subsection 2.6D, any Notice of Borrowing or Notice of Conversion/Continuation is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of Euro Rate Loans, Administrative Agent shall give effect thereto in apportioning payments received thereafter and (iii) after the occurrence of an Event of Default and acceleration of the maturity of the Loans and amounts available for drawing under Letters of Credit as provided in Section 7, Administrative Agent shall apportion all payments received by it in the manner specified in Section 7 and Section 2.10.

E. Payments on Non-Business Days. Whenever any payment to be made hereunder or under the Notes shall be stated to be due on a day which is not a Business Day, the payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder or under the Notes or of the facility fees and other fees hereunder, as the case may be.

F. Notation of Payment. Each Lender agrees that before disposing of any Note held by it, or any part thereof (other than by granting participations therein or to a Federal Reserve Bank pursuant to subsection 10.2D), that Lender will make a notation thereon of all Loans and principal payments previously made thereon and of the date to which interest thereon has been paid and will notify the Borrower obligated under such Note and Administrative Agent of the name and address of the transferee of that Note; provided that the failure to make (or any error in the making of) a notation of any Loan made under such Note or to notify such Borrower or Administrative Agent of the name and address of such transferee shall not limit or otherwise

94

affect the obligation of such Borrower hereunder or under such Note with respect to any Loan and payments of principal or interest on any such Note.

G. Voluntary Reductions of Commitments and Offshore Sublimits. Borrowers’ Agent shall have the right, at any time and from time to time, (i) to terminate in whole or permanently reduce in part, without premium or penalty, the Revolving Loan Commitments in an amount up to the amount by which the Revolving Loan Commitments exceed the Total Utilization of Revolving Loan Commitments at the time of such proposed termination or reduction, (ii) to terminate in whole or reduce in part, without premium or penalty, the UK Revolving Loan Commitments in an amount up to the amount by which the UK Revolving Loan Commitments exceed the Total Utilization of UK Revolving Loan Commitments at the time of such proposed termination or reduction, (iii) to terminate in whole or reduce in part, without premium or penalty, the Australian Revolving Loan Commitments in an amount up to the amount by which the Australian Revolving Loan Commitments exceed the Total Utilization of Australian Revolving Loan Commitments at the time of such proposed termination or reduction, and (iv) to terminate in whole or reduce in part, without premium or penalty, the Canadian Revolving Loan Commitments in an amount up to the amount by which the Canadian Revolving Loan Commitments exceed the Total Utilization of the Canadian Revolving Loan Commitments at the time of such proposed termination or reduction, (v) to terminate in whole or reduce in part, without premium or penalty, the Italian Revolving Loan Commitments in an amount up to the amount by which the Italian Revolving Loan Commitments exceed the Total Utilization of Italian Revolving Loan Commitments at the time of such proposed termination or reduction.

Borrowers’ Agent shall give not less than three Business Days’ prior written notice to Administrative Agent designating the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction. Promptly after receipt of a notice of such termination or partial reduction, Administrative Agent shall notify each Lender of the proposed termination or partial reduction. Such termination or partial reduction of any of the Offshore Revolving Loan Commitments or the Revolving Loan Commitments shall be effective on the date specified in the notice delivered by Borrowers’ Agent and shall reduce the applicable Offshore Revolving Loan Commitment or the Revolving Loan Commitment, as the case may be, of each Lender proportionately to its Pro Rata Share. Any such partial reduction of the Revolving Loan Commitments or the Offshore Revolving Loan Commitments shall be in an aggregate minimum amount of \$5,000,000, and integral multiples of \$1,000,000 in excess of that amount.

2.5 Use of Proceeds

A. Revolving Loans and Offshore Revolving Loans; Additional Term Loans; Refinancing Term Loans. The proceeds of any Revolving Loans shall be used to provide for the working capital requirements and general corporate purposes of Borrowers and their Subsidiaries, which may include the payment of the Domestic Overdraft Amount pursuant to subsection 2.1B, the reimbursement to any Issuing Lender of any amounts drawn under any Letters of Credit issued by such Issuing Lender for the account of a Domestic Borrower as provided in subsection 2.8D, the payment or prepayment of the Term Loans, the making of intercompany loans and dividends to Company and its Subsidiaries for their own general corporate purposes and the making of other Restricted Junior Payments permitted by subsection

95

6.5, except that the proceeds of any Revolving Loans made under the Existing Holdings Senior Notes Redemption Sublimit may be used solely to redeem, repay or otherwise repurchase the Existing Holdings Senior Notes maturing in 2005 or 2007 to the extent not prohibited under subsection 6.12B or to repay Loans as described in subsection 2.4B(ii)(e), and the proceeds of any Revolving Loans made under any Acquisition Sublimit may be used solely to finance a Permitted Acquisition or repay Loans. In addition, the proceeds of Revolving Loans (other than any such Loans made under the Existing Holdings Senior Notes Redemption Sublimit) may only be used to redeem, repay or otherwise repurchase (A) Existing Holdings Senior Notes maturing in 2005 (or make Restricted Junior Payments to Holdings for the purpose of doing same), whether at maturity or otherwise, if after giving effect to the making of such Revolving Loans and the application of the proceeds thereof, the Consolidated Senior Secured Leverage Ratio is less than 2.85:1.00 and the Revolving Loan Commitments then in effect would exceed the Total Utilization of Revolving Loan Commitments by at least (a) \$250,000,000 or (b) solely in the case of proceeds of Revolving Loans of up to \$250,000,000 in the aggregate drawn on or after May 2, 2005 to redeem, repurchase or otherwise repay such Existing Holdings Senior Notes maturing in 2005, \$150,000,000, or (B) Existing Holdings Senior Notes maturing in 2007 (or make Restricted Junior Payments to

Holdings for the purpose of doing same), whether at maturity or otherwise, if (i) the outstanding principal balance of the Existing Holdings Senior Notes maturing in 2005 is \$75,000,000 or less and (ii) after giving effect to the making of such Revolving Loans and the application of the proceeds thereof, the Revolving Loan Commitments then in effect would exceed the Total Utilization of Revolving Loan Commitments by at least \$250,000,000 and the Consolidated Senior Secured Leverage Ratio is less than 2.85:1.00. Except as expressly permitted above, amounts in the Existing Holdings Senior Notes Redemption Sublimit or any Acquisition Sublimit may not be reborrowed. The proceeds of any Offshore Revolving Loans to any Offshore Borrower shall be used to provide for the working capital requirements and general corporate purposes of such Offshore Borrower and its Subsidiaries, which may include the payment of Offshore Overdraft Amounts pursuant to subsection 2.1D, the reimbursement to any Issuing Lender of any amounts drawn under any Letters of Credit issued by such Issuing Lender for the account of an Offshore Borrower as provided in subsection 2.8D and the making and repayment of intercompany loans to such Subsidiaries for their own general corporate purposes. The proceeds of any Additional Term Loans or Refinancing Term Loans may be used for any purpose permitted by this Agreement; provided, that, the proceeds of any Additional Term Loans or Refinancing Term Loans may only be used to redeem, repay or otherwise repurchase the Existing Holdings Senior Notes maturing in 2005 or 2007 or the BSN Senior Subordinated Notes if, after giving effect to the making of such Loans and the application of the proceeds thereof, the Senior Secured Leverage Ratio is less than 2.85:1.00 and, in the case of a redemption, repayment or repurchase of the BSN Senior Subordinated Notes, the Revolving Loan Commitments exceed the Total Utilization of the Revolving Loan Commitments by at least \$250,000,000.

B. Letters of Credit. Letters of Credit shall be issued solely for the purposes specified in the definitions of Commercial Letter of Credit and Standby Letter of Credit.

C. Margin Regulations. No portion of the proceeds of any borrowing under this Agreement shall be used by any Borrower in any manner which would cause the borrowing or the application of such proceeds to violate Regulation U, Regulation T, or Regulation X of the Board of Governors of the Federal Reserve System or any other regulation of such Board or to

96

violate the Exchange Act, in each case as in effect on the date or dates of such borrowing and such use of proceeds.

2.6 Special Provisions Governing Euro Rate Loans

Notwithstanding other provisions of this Agreement, the following provisions shall govern with respect to Euro Rate Loans as to the matters covered:

A. Determination of Interest Rate. As soon as practicable after 11:00 A.M. (New York time) on each Interest Rate Determination Date with respect to Eurodollar Rate Loans and 11:00 A.M. (Brussels time) with respect to Euro LIBOR Loans, Administrative Agent shall determine (which determination shall, absent manifest or demonstrable error, be final, conclusive and binding upon all parties) the interest rate which shall apply to the Euro Rate Loans for which an interest rate is then being determined for the applicable Interest Period (subject to any changes in the Applicable Euro Margin pursuant to the terms of the definition thereof) and shall promptly give notice thereof (in writing or by telephone and confirmed in writing) to the applicable Borrowers and to each Lender.

B. Substituted Rate of Borrowing. In the event that on any Interest Rate Determination Date any Lender (including Administrative Agent) shall have determined (which determination shall, absent manifest or demonstrable error, be final and conclusive and binding upon all parties but, with respect to the following clauses (i) and (ii)(b), shall be made only after consultation with the applicable Borrower and Administrative Agent) that:

(i) by reason of any changes arising after the date of this Agreement affecting the applicable interbank markets or affecting the position of that Lender in such market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Adjusted Eurodollar Rate or Euro LIBOR with respect to the Euro Rate Loans as to which an interest rate determination is then being made; or

(ii) by reason of (a) any change after the date hereof in any applicable law or governmental rule, regulation or order (or any interpretation thereof and including the introduction of any new law or governmental rule, regulation or order) or (b) other circumstances affecting that Lender or the Eurodollar or Euro LIBOR markets or the position of that Lender in such market (such as for example, but not limited to, official reserve requirements required by Regulation D or by the Bank of England, the Financial Services Authority, the European Central Bank or any other relevant monetary or regulatory authority to the extent not given effect in the Adjusted Eurodollar Rate), the Adjusted Eurodollar Rate shall not represent the effective pricing to that Lender for Dollar deposits of comparable amounts for the relevant period, or Euro LIBOR shall not represent the effective pricing to that Lender for Euro deposits of comparable amounts for the relevant period;

then, and in any such event, that Lender shall be an Affected Lender and it shall promptly (and in any event as soon as possible after being notified of a borrowing, conversion or continuation) give notice (by telephone and confirmed in writing) to the applicable Borrower and

97

Administrative Agent (which notice Administrative Agent shall promptly transmit to each other relevant Lender) of such determination. Thereafter, the applicable Borrower shall pay to the Affected Lender with respect to such Borrower's Euro Rate Loans, upon written demand therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as the Affected Lender in its sole discretion shall reasonably determine) as shall be required to cause the Affected Lender to receive interest with respect to such Affected Lender's Euro Rate Loans for the Interest Period(s) following that Interest Rate Determination Date at a rate per annum equal to the sum of the effective pricing to the Affected Lender for Dollar deposits or Euro deposits, as applicable, to make or maintain its Euro Rate Loans plus the Applicable Euro Margin. A certificate as to additional amounts owed the Affected Lender, showing in reasonable detail the basis for the calculation thereof, submitted in good faith to the relevant Borrower and Administrative Agent by the Affected Lender shall, absent manifest or demonstrable error, be final and conclusive and binding upon all of the parties hereto.

C. Required Termination and Prepayment. In the event that on any date any Lender shall have reasonably determined (which determination shall, absent manifest or demonstrable error, be final and conclusive and binding upon all parties) that the making or continuation of its Euro Rate Loans or Offshore Revolving Loans has become unlawful by compliance by that Lender or its UK Lending Office in good faith with any law, governmental rule, regulation or order (whether or not having the force of law and whether or not failure to comply therewith would be unlawful), then, and

in any such event, that Lender shall be an Affected Lender and it shall promptly give notice (by telephone and confirmed in writing) to the applicable Borrower, Administrative Agent (which notice Administrative Agent shall promptly transmit to each Lender) of that determination. Subject to the following subsection 2.6D, the obligation of the Affected Lender to make or maintain its Euro Rate Loans or Offshore Revolving Loans, as the case may be, during any such period shall be terminated at the earlier of the termination of the Interest Period then in effect or when required by law and Domestic Borrowers or the relevant Offshore Borrower shall, no later than the termination of the Interest Period in effect at the time any such determination pursuant to this subsection 2.6C is made, or earlier when required by law, repay the Euro Rate Loans or Offshore Revolving Loans, as the case may be, of the Affected Lender, together with all interest accrued thereon.

D. Options of Borrowers. In lieu of paying an Affected Lender such additional moneys as are required by subsection 2.6B or the prepayment of an Affected Lender required by subsection 2.6C, Borrowers may exercise any one of the following options:

(i) If the determination by an Affected Lender relates only to Eurodollar Rate Loans then being requested by a Borrower pursuant to a Notice of Borrowing or a Notice of Conversion/Continuation, such Borrower may by giving notice (by telephone and confirmed in writing) to Administrative Agent (who shall promptly give similar notice to each relevant Lender) no later than the date immediately prior to the date on which such Eurodollar Rate Loans are to be made, converted or continued, withdraw as to the Affected Lender that Notice of Borrowing or such Notice of Conversion/Continuation and such Affected Lender shall thereupon make or maintain its Pro Rata Share of the Eurodollar Rate Loan then being requested, converted or continued as a Base Rate Loan; or

98

(ii) Upon written notice to Administrative Agent, the applicable Borrower may terminate the obligations of Lenders to make or maintain Loans as, and to convert Loans into, Eurodollar Rate Loans and, in any such event, the applicable Borrower shall, prior to the time any payment pursuant to subsection 2.6C is required to be made or, if the provisions of subsection 2.6B are applicable, at the end of the then current Interest Period, convert all of the Eurodollar Rate Loans into Base Rate Loans in the manner contemplated by subsection 2.2D but without satisfying the advance notice requirements therein;

(iii) The applicable Borrower may give notice (by telephone and confirmed in writing) to the Affected Lender and Administrative Agent and require the Affected Lender to make the Eurodollar Rate Loan then being requested as a Base Rate Loan or to continue to maintain its outstanding Base Rate Loan then the subject of a Notice of Conversion/Continuation as a Base Rate Loan or to convert its Eurodollar Rate Loans then outstanding that are so affected into Base Rate Loans at the end of the then current Interest Period (or at such earlier time as prepayment is otherwise required to be made pursuant to subsection 2.6C) in the manner contemplated by subsection 2.2D but without satisfying the advance notice requirements therein, that notice to pertain only to the Loans of the Affected Lender and to have no effect on the obligations of the other Lenders to make or maintain Eurodollar Rate Loans or to convert Base Rate Loans into Eurodollar Rate Loans; or

(iv) Solely with respect to the French Tranche C2 Term Loans, the applicable Borrower may give notice (by telephone and confirmed in writing) to the Affected Lender and Administrative Agent and require the Affected Lender to make the Euro Rate Loan then being requested at a rate determined by the Administrative Agent as the all-in-cost of funds for such Affected Lender to fund a borrowing of Loans denominated in Euros with maturities comparable to the Interest Period applicable thereto, so long as such Affected Lender may legally do so.

E. Compensation. The applicable Borrower shall compensate each Lender, upon written request by that Lender (which request shall set forth in reasonable detail the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including, without limitation, any interest paid by that Lender to lenders of funds borrowed by it to make or carry its Euro Rate Loans, and any loss sustained by that Lender in connection with the re-employment of such funds), which that Lender may sustain with respect to Borrowers' Euro Rate Loans: (i) if for any reason (other than a default by that Lender) a borrowing of any Euro Rate Loan does not occur on a date specified therefor in a Notice of Borrowing, a Notice of Conversion/Continuation or a telephonic request for borrowing or conversion/continuation or a successive Interest Period does not commence after notice therefor is given pursuant to subsection 2.2D, (ii) if any prepayment or other principal payment of any of its Euro Rate Loans occurs on a date prior to the last day of the Interest Period applicable to that Loan, (iii) if any prepayment of any of such Lender's Euro Rate Loans is not made on any date specified in a notice of prepayment given by the applicable Borrower, or (iv) as a consequence of any other default by such Borrower to repay such Lender's Euro Rate Loans when required by the terms of this Agreement.

99

F. Quotation of Adjusted Eurodollar Rate. Anything herein to the contrary notwithstanding, if on any Interest Rate Determination Date no Adjusted Eurodollar Rate is available by reason of the failure of all Reference Lenders to provide offered quotations to Administrative Agent in accordance with the definition of "Adjusted Eurodollar Rate," Administrative Agent shall give Borrowers and each Lender prompt notice thereof and the Loans requested shall be made as Base Rate Loans.

G. Booking of Loans. Any Lender may make, carry or transfer Loans at, to, or for the account of, any of its branch offices or the office of an Affiliate of that Lender. Each Revolving Lender (other than a Person exempt from Taxes with respect to any payments to such Lender of interest payable by United Glass under the Loan Documents) shall endeavor to designate a UK Lending Office for the making of its UK Revolving Loans, so long as such Lender may legally do so at no more than nominal cost and such designation is consistent with such Lender's internal policies.

H. Assumptions Concerning Funding of Eurodollar Rate Loans. Calculation of all amounts payable to a Lender under this subsection 2.6 shall be made with respect to Euro Rate Loans, as though that Lender had actually funded its relevant Euro Rate Loan through the purchase of a deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of Adjusted Eurodollar Rate or pursuant to the definition of Euro LIBOR in an amount equal to the amount of that Euro Rate Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such deposit from an offshore office of that Lender to a domestic office of that Lender in the United States of America; provided that to the extent that a Lender designates a UK Lending Office, it shall be assumed that such Eurodollar deposit was used to directly fund the making of the UK Revolving Loan in England; provided, further, however, that each Lender may fund each of its Euro Rate Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the calculation of amounts payable under this subsection 2.6.

I. Eurodollar Rate Loans After Default. Unless Requisite Lenders shall otherwise agree, after the occurrence of and during the continuance of an Event of Default, no Borrower may elect to have a Loan be made or maintained as, or converted to, a Eurodollar Rate Loan after the expiration of any Interest Period then in effect for that Loan.

J. Affected Lenders' Obligation to Mitigate. Each Lender agrees that, as promptly as practicable after it becomes aware of the occurrence of an event or the existence of a condition that would cause it to be an Affected Lender under subsection 2.6B or 2.6C, it will, to the extent not inconsistent with such Lender's internal policies, use reasonable commercial efforts to make, fund or maintain the affected Euro Rate Loans of such Lender through another lending office of such Lender if as a result thereof the additional moneys which would otherwise be required to be paid in respect of such Loans pursuant to subsection 2.6B would be materially reduced or the illegality or other adverse circumstances which would otherwise require prepayment of such Loans pursuant to subsection 2.6C would cease to exist and if, as determined by such Lender, in its sole discretion, the making, funding or maintaining of such Loans through such other lending office would not otherwise materially adversely affect such Loans or such Lender. The applicable Borrower hereby agrees to pay all reasonable expenses incurred by any Lender in utilizing another lending office of such Lender pursuant to this subsection 2.6J.

100

K. Replacement of Lender. If a Borrower receives a notice pursuant to subsection 2.6B or 2.6C, so long as no Event of Default shall have occurred and be continuing and the applicable Borrower has obtained a commitment from another Lender or an Eligible Assignee to become a Lender for all purposes under this Agreement and to assume all obligations of the Lender to be replaced, the applicable Borrower may require the Lender giving such notice to assign all of its Loans, its Commitments and its other Obligations to such other Lender or Eligible Assignee, at par, pursuant to the provisions of subsection 10.2B; provided that, prior to or concurrently with such replacement (i) the applicable Borrower has paid or caused to be paid to the Lender giving such notice all principal, interest, fees and other amounts due and owing to such Lender hereunder through such date of replacement (including any amounts payable under subsection 2.6E), (ii) the applicable Borrower has paid to Administrative Agent the processing and recordation fee required to be paid by subsection 10.2B(i); and (iii) all of the requirements for such assignment contained in subsection 10.2B, including, without limitation, the receipt by Administrative Agent of an executed Assignment and Acceptance and other supporting documents, have been fulfilled.

L. Calculation of Spot Rates. On each Calculation Date with respect to any Offshore Currency or, in the case of a Letter of Credit, other non-Dollar currency, the Administrative Agent shall determine the Spot Rate as of such Calculation Date with respect to such currency (it being acknowledged and agreed that Administrative Agent shall use the Spot Rates so calculated for the purposes of determining compliance with subsection 2.1C with respect to any borrowing request and subsection 2.8A(i) with respect to any request for a Letter of Credit denominated in a non-Dollar currency). Any Spot Rate so determined shall become effective on the first Business Day immediately following the relevant Calculation Date (each, a "**Reset Date**") and shall remain effective until the next succeeding Reset Date. Administrative Agent shall promptly notify Borrowers of each determination of a Spot Rate hereunder.

2.7 Capital Adequacy Adjustment; Increased Costs; Taxes

A. Capital Adequacy. If any Lender shall have determined in good faith that the adoption, effectiveness, phase-in or applicability (excluding any adoption, effectiveness, phase-in or applicability published as of the Second Restatement Date and currently scheduled to take effect) after the date hereof of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof after the date hereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its applicable lending office) with any guideline, request or directive regarding capital adequacy (whether or not having the force of law) of any such governmental authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of, or with reference to, such Lender's Loans or Commitments or Letters of Credit or participations therein or other obligations hereunder to a level below that which such Lender or such controlling corporation could have achieved but for such adoption, effectiveness, phase-in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling corporation with regard to capital adequacy), then from time to time, within fifteen Business Days after receipt by Borrowers from such Lender of the statement referred to in the next sentence, Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or such

101

controlling corporation on an after-tax basis for such reduction; provided that a Lender shall not be entitled to avail itself of the benefit of this subsection 2.7A to the extent that any such reduction in return was incurred more than six months prior to the time it first makes a demand therefor, unless the circumstance giving rise to such reduced return arose or became applicable retrospectively, in which case no time limit shall apply (provided that such Lender has notified Borrowers within six months from the date such circumstances arose or became applicable). Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this subsection 2.7A, will give prompt written notice thereof to Borrowers' Agent (with a copy to Administrative Agent), which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts.

B. Compensation for Increased Costs and Taxes. Subject to the provisions of subsection 2.7C (which shall be conclusive with respect to the matters covered thereby), in the event that any Lender shall determine in good faith (which determination shall, absent manifest or demonstrable error, be final and conclusive and binding upon all parties hereto) that any law, treaty or governmental rule, regulation or order, or any change therein or in the interpretation, administration or application thereof (including the introduction of any new law, treaty or governmental rule, regulation or order), or any determination of a court or governmental authority, in each case that is adopted after the date hereof, or compliance by such Lender with any guideline, request or directive issued or made after the date hereof by any central bank or other governmental or quasi-governmental authority, including, without limitation, any agency of the European Monetary Union (whether or not having the force of law):

(i) subjects such Lender (or its applicable lending office) to any additional Tax (other than any Excluded Tax or Covered Tax subject to subsection 2.7C) with respect to this Agreement or any of the Loans or any of its obligations hereunder, or changes the basis of taxation of payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder;

(ii) imposes, modifies or holds applicable any reserve (including without limitation any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of

such Lender (other than any such reserve or other requirements with respect to Eurodollar Rate Loans that are reflected in the definition of Adjusted Eurodollar Rate); or

(iii) imposes any other condition on or affecting such Lender (or its applicable lending office) or its obligations hereunder or any applicable interbank market, other than with respect to Taxes;

and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, Domestic Borrowers shall promptly pay (or cause the applicable Offshore Borrower to promptly pay) to such Lender, upon written demand and receipt of the written notice referred to below, such

102

additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender on an after-tax basis for any such increased cost or reduction in amounts received or receivable hereunder; provided that any increased cost arising as a result of any of the foregoing other than in respect of Taxes shall apply only to Euro Rate Loans; provided further that a Lender shall not be entitled to avail itself of the benefit of this subsection 2.7B to the extent that any such increased cost or reduction was incurred more than six months prior to the time it gives notice to Borrowers' Agent (as provided in the next sentence) of the relevant circumstance, unless such circumstance arose or became applicable retrospectively, in which case no time limit shall apply (provided that such Lender has notified Borrowers' Agent within six months from the date such circumstances arose or became applicable). Such Lender shall deliver to Borrowers' Agent a written notice, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this subsection 2.7B, which statement shall be conclusive and binding upon all parties hereto absent manifest or demonstrable error. If any event described above would otherwise result in any Lender (or its applicable lending office) being subject to any additional Tax or other cost for which a Borrower would be required to indemnify such Lender under the provisions of this subsection 2.7, then such Lender shall use its reasonable efforts to avoid the imposition of such Taxes or other costs if doing so would not, in the reasonable judgment of such Lender, be otherwise adverse to such Lender.

C. Withholding of Taxes.

(i) Payments to Be Free and Clear. Except to the extent required by law, all sums payable by any Borrower under this Agreement and the other Loan Documents shall be paid free and clear of and without any deduction or withholding on account of any Covered Tax imposed, levied, collected, withheld or assessed by or within the United States of America or any political subdivision in or of the United States of America or any other jurisdiction from or to which a payment is made by or on behalf of such Borrower or in respect of any participation by any Lender in any Obligation or by any federation or organization of which the United States of America or any such jurisdiction is a member at the time of payment.

(ii) Withholding in respect of Payments. If any Borrower or any other Person is required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by such Borrower or other Person to Administrative Agent or any Lender under any of the Loan Documents:

(a) such Borrower shall notify Administrative Agent of any such requirement or any change in any such requirement as soon as such Borrower becomes aware of it;

(b) such Borrower shall pay any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on a Borrower) for its own account or (if that liability is imposed on Administrative Agent or such Lender, as the case may be) on behalf of and in the name of Administrative Agent or such Lender;

103

(c) (1) with respect to any Borrower other than an Australian Offshore Borrower, in the event such Tax is a Covered Tax, the sum payable by such Borrower in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment, Administrative Agent or such Lender, as the case may be, receives on the due date and retains (free from any liability in respect of any such deduction, withholding or payment) a net sum equal to what it would have received and so retained had no such deduction, withholding or payment in respect of Covered Taxes been required or made; and (2) solely with respect to any Australian Offshore Borrower and amounts payable thereby, in the event such Tax is a Covered Tax, such Australian Offshore Borrower shall pay an additional amount by way of indemnity so that the Administrative Agent or such Lender, as the case may be, receives on the due date and retains (free and clear of any Tax on such additional amount) the full amount it would have received and so retained and had no such deduction, withholding or payment in respect of Covered Taxes been required or made; each Australian Borrower (y) acknowledges that its indemnity under paragraph (c) is a separate and independent obligation from its obligation to pay interest in respect of the Tranche A1 Term Loans and Australian Offshore Revolving Loans, and is not discharged by reason of its withholding amounts on account of Australian withholding tax and remitting those amounts to the Australian taxation authorities, and (z) subject to subsection 2.7C(iii) below, waives any right which it may have (whether under statute or otherwise) to be reimbursed by any Lender or Agent for any amounts which it may from time to time pay under that indemnity; and

(d) within 30 days after paying any sum from which it is required by law to make any deduction or withholding, and within 30 days after the due date of payment of any Tax which it is required by clause (b) above to pay, such Borrower shall deliver to Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction, withholding or payment and of the remittance thereof to the relevant taxing or other authority;

The provisions of this subsection 2.7C(ii) apply to any Australian interest withholding tax (including fines and penalties), whether:

(1) deducted or remitted by an Australian Offshore Borrower, or

- (2) otherwise recovered by the Australian taxation authorities from an Australian Offshore Borrower, or
- (3) paid directly by a Lender to the Australian taxation authorities, or
- (4) recovered by the Australian taxation authorities either directly from a Lender or from amounts payable by a Person in Australia to a Lender.

(iii) **Tax Refund.** If any Borrower determines in good faith that a reasonable basis exists for contesting a Covered Tax, the relevant Lender or Tax Transferee or Administrative Agent, as applicable, shall cooperate with such Borrower (but shall have no obligation to disclose any confidential information, unless arrangements satisfactory to the relevant Lender have been made to preserve the confidential nature of such information) in challenging such Tax at such Borrower's expense if requested by such Borrower (it being understood and agreed that none of Administrative Agent or any Lender shall have any obligation to contest, or any responsibility for contesting, any Tax). If a Lender shall become aware that it is entitled to receive a refund (whether by way of a direct payment or by offset) in respect of a Covered Tax paid by a Borrower, it shall promptly notify such Borrower of the availability of such refund (unless it was made aware of such refund by a Borrower) and shall, within 30 days after the receipt of a request from such Borrower, apply for such refund at such Borrower's sole expense. If any Lender, Tax Transferee or Administrative Agent, as applicable, receives a refund (whether by way of a direct payment or by offset) of any Covered Tax for which a payment has been made pursuant to this subsection 2.7C or subsection 2.7B which, in the reasonable good faith judgment of such Lender, Tax Transferee or Administrative Agent, as the case may be, is allocable to such payment made under this subsection 2.7C or subsection 2.7B, the amount of such refund (together with any interest received thereon) shall be paid to such Borrower to the extent payment has been made in full as and when required pursuant to this subsection 2.7C or subsection 2.7B.

(iv) **Tax Certificates.** (1) Each Lender with Revolving Loan Commitments or Tranche B1 Term Loans that is organized under the laws of any jurisdiction other than the United States of America or any state or other political subdivision thereof shall deliver to Administrative Agent for transmission to Domestic Borrowers, on the date of the Assignment and Acceptance pursuant to which it becomes a Lender (in the case of each other Lender), and at such other times as may be necessary in the determination of Borrowers' Agent or Administrative Agent (each in the reasonable exercise of its discretion), such certificates, documents or other evidence, properly and accurately completed and duly executed by such Lender (including, without limitation, Internal Revenue Service Form W-8BEN or Form W-8ECI or any other certificate or statement of exemption required by Treasury Regulations Section 1.1441-4(a) or Section 1.1441-6(c) or any successor thereto) to establish that such Lender is not subject to deduction or withholding of United States federal income tax under Section 1441 or 1442 of the Internal Revenue Code or otherwise (or under any comparable provisions of any successor statute) with respect to any payments to such Lender of principal, interest, fees or other amounts payable under any of the Loan Documents and shall deliver to the appropriate Person upon request such other certificates, documents or other evidence as may be required from time to time, properly completed and duly executed by such Lender, to establish the basis for any applicable exemption from or reduction of such Taxes with respect to any payments to such Lender of principal, interest, fees, commissions or any other amount payable under any of the Loan Documents by a Domestic Borrower, (2) each Lender (other than a Person exempt from Taxes with respect to any payments to such Lender of interest payable by United Glass under the Loan Documents) shall deliver to the appropriate Person such application forms,

certificates, documents or other evidence as may be reasonably requested from time to time by United Glass, properly completed and duly executed by such Lender, to enable United Glass, to the extent permitted by applicable law, to be able to pay interest on the UK Revolving Loans of such Lender without withholding or deduction, or at reduced rates of withholding or deduction, for or on account of any UK income tax and (3) each Lender with French Tranche C1 Term Loan Exposure or French Tranche C2 Term Loan Exposure shall deliver to the appropriate Person such application forms, certificates, documents or other evidence as may be reasonably requested from time to time by BSN, properly completed and duly executed by such Lender, to enable BSN, to the extent permitted by applicable law, to be able to pay interest on the French Tranche C1 Term Loans and French Tranche C2 Term Loans of such Lender without withholding or deduction, or at reduced rates of withholding or deduction, for or on account of any French income tax.

Each Arranger will cooperate with the Australian Offshore Borrowers, and it will do or provide such other things as may be reasonably requested from time to time by the Australian Offshore Borrowers, to demonstrate that the requirements of section 128F of the Income Tax Assessment Act of 1936 (Commonwealth of Australia) were satisfied in relation to the respective issues of "Australian Loans" and the "Australian Loan Notes" under the Original Credit Agreement, the "Tranche A Term Loans" and the notes evidencing such "Tranche A Term Loans" under the First Amended and Restated Credit Agreement as in effect prior to the December 2003 Amendment, the Tranche A1 Term Loans, the Australian Revolving Loans, the Tranche A1 Term Loan Notes, and the Australian Revolving Loan Notes under the First Amended and Restated Credit Agreement as in effect after the December 2003 Amendment, and the Tranche A1 Term Loans, the Australian Revolving Loans, the Tranche A1 Term Loan Notes and the Australian Revolving Loan Notes under the Second Amended and Restated Credit Agreement and under this Agreement so that payment of interest under each of the above-mentioned Loans will be exempt from withholding tax under the Income Tax Assessment Act of 1936 (Commonwealth of Australia). Non-compliance by either Arranger with this paragraph shall not relieve the Australian Offshore Borrowers of their obligations under subsections 2.7C(i) or 2.7C(ii).

D. Replacement of Lender. If any Borrower receives a notice pursuant to subsections 2.7A, 2.7B or 2.7C, so long as no Event of Default shall have occurred and be continuing and such Borrower has obtained a commitment from another Lender or an Eligible Assignee to become a Lender for all purposes under this Agreement and to assume all obligations of the Lender to be replaced, such Borrower may require the Lender giving such notice to assign all of its Loans, its Commitments and its other Obligations to such other Lender or Eligible Assignee, at par, pursuant to and in accordance with the provisions of subsection 10.2B; provided that, prior to or concurrently with such replacement (i) the applicable Borrower has paid or caused to be paid to the Lender giving such notice all principal, interest, fees and other amounts due and owing to such Lender hereunder through such date of replacement (including any amounts payable under subsection 2.6E), (ii) the applicable Borrower has paid to Administrative Agent the processing and recordation fee required to be paid pursuant to subsection 10.2B(i); and (iii) all of the requirements for such assignment

contained in subsection 10.2B, including, without limitation, the receipt by Administrative Agent of an executed Assignment and Acceptance and other supporting documents, have been fulfilled.

2.8 Letters of Credit

A. Letters of Credit. Subject to the terms and conditions of this Agreement and in reliance upon the representations and warranties of Company and Borrowers set forth herein, Borrowers' Agent may request on behalf and for the account of any Borrower (other than Avir, United Glass, BSN or O-I Canada; provided, however, Borrowers' Agent may request that a Letter of Credit be issued for the account of a Domestic Borrower which will support an obligation of any such Borrower), in accordance with the provisions of this subsection 2.8A, in addition to requesting that Lenders make Loans pursuant to subsection 2.1, that on and after the Third Restatement Date one or more Issuing Lenders issue, and one or more Issuing Lenders will issue, subject to the terms and conditions hereof, Standby Letters of Credit and Commercial Letters of Credit for the account of such Borrower. Issuances of Letters of Credit shall be subject to the following limitations:

(i) Borrowers' Agent shall not request that any Lender issue, and no Lender shall have any obligation hereunder to issue, any Letter of Credit if, after giving effect to such issuance, the Total Utilization of Revolving Loan Commitments would exceed the Revolving Loan Commitments then in effect;

(ii) Borrowers' Agent shall not request that any Lender issue and no Lender shall have any obligation hereunder to issue, any Letter of Credit for the account of any Offshore Borrower if, after giving effect to such issuance (A) the Total Utilization of Revolving Loan Commitments would exceed the Revolving Loan Commitments then in effect; (B) (i) the Total Utilization of UK Revolving Loan Commitments would exceed the UK Revolving Loan Commitments then in effect; (ii) the Total Utilization of Australian Revolving Loan Commitments would exceed the Australian Revolving Loan Commitments then in effect; (iii) the Total Utilization of Canadian Revolving Loan Commitments would exceed the Canadian Revolving Commitments then in effect or (iv) the Total Utilization of Italian Revolving Loan Commitments would exceed the Italian Revolving Loan Commitments then in effect; or (C) the sum of the Total Utilization of UK Revolving Loan Commitments, plus the Total Utilization of Italian Revolving Loan Commitments plus the Total Utilization of Australian Revolving Loan Commitments plus the Total Utilization of the Canadian Revolving Loan Commitments would exceed the Aggregate Offshore Sublimit;

(iii) In no event shall any Issuing Lender issue (w) any Letter of Credit having an expiration date later than ten days prior to the Revolving Loan Commitment Termination Date; (x) subject to the foregoing clause (w), any Standby Letter of Credit having an expiration date more than one year after its date of issuance; provided that, subject to the foregoing clause (w) and to subsection 2.8A(iv), this clause (x) shall not prevent any Issuing Lender from issuing a Standby Letter of Credit having an expiration date up to two years after its date of issuance if such Standby Letter of Credit will be used by the applicable Borrower in connection with, or in lieu of, posting an appeal bond; provided, further that, subject to the foregoing clause (w), this

107

clause (x) shall not prevent any Issuing Lender from agreeing that a Standby Letter of Credit will automatically be extended annually for a period not to exceed one year unless such Issuing Lender gives notice that it will not extend; provided, further that such Issuing Lender shall deliver a written notice to Administrative Agent setting forth the last day on which such Issuing Lender may give notice that it will not extend (the "**Notification Date**" with respect to such Standby Letter of Credit) at least ten Business Days prior to such Notification Date; and provided, further that, unless Requisite Lenders otherwise consent, such Issuing Lender shall give notice that it will not extend if it has knowledge that an Event of Default has occurred and is continuing on such Notification Date; or (y) any Commercial Letter of Credit (1) having a tenor other than sight or (2) having an expiration date which is more than 180 days after its date of issuance or which is less than 30 days prior to the Revolving Loan Commitment Termination Date or which is otherwise unacceptable to such Issuing Lender in its reasonable discretion;

(iv) Borrowers' Agent shall not request that any Issuing Lender issue, and no Lender shall have any obligation hereunder to issue, any Standby Letter of Credit having an expiration date more than one year after its date of issuance which will be used by a Borrower in connection with, or in lieu of, posting an appeal bond if, after giving effect to such issuance, the Letter of Credit Usage in respect of all such Standby Letters of Credit would exceed \$25,000,000;

(v) Borrowers' Agent shall not request that any Issuing Lender issue, and no Lender shall have any obligation hereunder to issue, any Standby Letter of Credit of the type described in clause (i), (v), (vi) or (ix) of the definition thereof for the purpose of supporting Indebtedness of Holdings, if after giving effect to such issuance, the Letter of Credit Usage in respect of all such Standby Letters of Credit would exceed \$100,000,000; and

(vi) Borrowers' Agent shall not request that any Issuing Lender issue, and no Lender shall have any obligation hereunder to issue, any Letter of Credit if, after giving effect to such issuance, the Letter of Credit Usage in respect of all Letters of Credit would exceed \$350,000,000.

The issuance of any Letter of Credit in accordance with the provisions of this subsection 2.8 shall be given effect in the calculation of the Total Utilization of Revolving Loan Commitments and shall require the satisfaction of each condition set forth in subsections 3.1, 3.2 and 3.3.

Domestic Borrowers, ACI and Lenders agree that any Letter of Credit issued by any Issuing Lender as a "Letter of Credit" (as defined in the Original Credit Agreement, First Amended and Restated Credit Agreement or Second Amended and Restated Credit Agreement, as applicable) pursuant to the Original Credit Agreement, the First Amended and Restated Credit Agreement or the Second Amended and Restated Credit Agreement and outstanding as of the Third Restatement Date (each such letter of credit being referred to herein as an "**Existing Letter of Credit**") shall for all purposes of this Agreement be a Letter of Credit outstanding under this Agreement as of the Third Restatement Date for the joint and several account of Domestic Borrowers (in the case of any Existing Letter of Credit issued for the account of either

108

Domestic Borrower) or ACI (in the case of any Existing Letter of Credit issued for the account of ACI) under and pursuant to the terms of this Agreement, and all fees payable under subsection 2.8F with respect to such Existing Letters of Credit shall accrue from the date such fees were last paid under the Second Amended and Restated Credit Agreement. All Existing Letters of Credit as of the date hereof are described in Schedule D annexed hereto.

Immediately upon the issuance of any Letter of Credit by an Issuing Lender, each Lender other than such Issuing Lender shall be deemed to, and hereby agrees to, have irrevocably purchased from such Issuing Lender a participation in such Letter of Credit and drawings thereunder in an amount equal to such Lender's Pro Rata Share of the maximum amount which is or at any time may become available to be drawn thereunder.

B. Notice of Request for Issuance. Whenever a Borrower desires the issuance of a Letter of Credit, it shall cause Borrowers' Agent to deliver to Administrative Agent and to the Lender which the Borrowers' Agent has requested to issue such Letter of Credit a Notice of Request for Issuance of Letter of Credit no later than 1:00 P.M. (New York time) at least five Business Days, or such shorter period as may be agreed to by an Issuing Lender in any particular instance, in advance of the proposed date of issuance. The Notice of Request for Issuance of Letter of Credit shall specify (i) the Borrower for whose account the Letter of Credit has been requested in accordance with subsection 2.8A, (ii) the proposed date of issuance (which shall be a business day under the laws of the jurisdiction of the Issuing Lender), (iii) the face amount of the Letter of Credit, (iv) in the case of a Letter of Credit which the Borrowers' Agent requests to be denominated in a currency other than Dollars, the currency in which the Borrowers' Agent requests such Letter of Credit to be issued, (v) the expiration date of the Letter of Credit, (vi) the name and address of the beneficiary, and (vii) the Lender which the Borrowers' Agent has requested to issue such Letter of Credit; and such Notice of Request for Issuance of Letter of Credit shall further certify that subsection 3.2B is satisfied on and as of the date of issuance of such Letter of Credit. As soon as practicable after delivery of such notice with respect to any Letter of Credit, the Issuing Lender for such Letter of Credit shall be determined as provided in subsection 2.8C(ii). Prior to the date of issuance, the Borrowers' Agent shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary which, if presented by the beneficiary prior to the expiration date of the Letter of Credit, would require the Issuing Lender to make payment under the Letter of Credit; provided that the Issuing Lender, in its sole reasonable judgment, may require changes in any such documents and certificates. In determining whether to pay under any Letter of Credit, the Issuing Lender shall be responsible only to determine that the documents and certificates required to be delivered under that Letter of Credit have been delivered and that they comply on their face with the requirements of that Letter of Credit.

C. Determination of Issuing Lender.

(i) Borrowers' Agent may request any Revolving Lender to issue a Letter of Credit and, upon receipt by such Lender of a notice from Borrowers' Agent pursuant to subsection 2.8B requesting the issuance of a Letter of Credit, such Lender shall promptly notify the Borrowers' Agent and Administrative Agent whether or not, in its sole discretion, it has elected to issue such Letter of Credit. If such Lender elects to issue such Letter of Credit, such Lender shall be the Issuing Lender with respect

109

thereto. If such Lender declines to issue such Letter of Credit, the Borrowers' Agent may request any other Revolving Lender to issue such Letter of Credit, by delivering the notice described in subsection 2.8B to such Lender. In the event that all Lenders shall have declined to issue such Letter of Credit, Administrative Agent shall be obligated to issue the Letter of Credit requested by Borrowers' Agent and shall be the Issuing Lender with respect to such Letter of Credit; provided that Administrative Agent shall not be obligated to issue any Letter of Credit denominated in a foreign currency which in the reasonable judgment of Administrative Agent is not readily and freely available.

(ii) Each Issuing Lender which elects to issue or amend a Letter of Credit shall promptly give written notice to Administrative Agent, and the applicable Borrower of the information required under clauses (i)-(v) of subsection 2.8B relating to such Letter of Credit and shall provide a copy of such Letter of Credit (as amended, if applicable) to Administrative Agent, and the applicable Borrower. Promptly after receipt of such notice, Administrative Agent shall notify each Revolving Lender (other than the Issuing Lender) of the amount of its respective participation therein, determined in accordance with subsection 2.8A.

(iii) In the event that Administrative Agent is not the Issuing Lender in respect of a Commercial Letter of Credit, the Issuing Lender of such Commercial Letter of Credit will deliver to Administrative Agent, promptly on the first Business Day of each week such Commercial Letter of Credit is outstanding, a report setting forth the daily aggregate outstandings for the previous week under such Commercial Letter of Credit. Administrative Agent shall deliver to each Lender, promptly after the end of each calendar month and upon each payment by Administrative Agent to Lenders of the letter of credit fees described in subsection 2.8F(1)(b), a report setting forth, for the period from the date of the last such report, the daily aggregate amount available to be drawn (to the extent such amounts have been reported to Administrative Agent pursuant to the immediately preceding sentence) under each Commercial Letter of Credit issued by each Issuing Lender.

D. Payment of Amounts Drawn Under Letters of Credit. In the event of any drawing under any Letter of Credit by the beneficiary thereof, the Issuing Lender shall notify the Borrower at whose request the Letter of Credit was issued and Administrative Agent on or before the date which is two Business Days prior to the date on which such Issuing Lender intends to honor such drawing (unless such Letter of Credit by its terms requires the Issuing Lender to honor a drawing on or prior to the second Business Day following such drawing, in which case the Issuing Lender shall notify the Borrower at whose request the Letter of Credit was issued and Administrative Agent as soon as reasonably practicable but in any event on or before the date on which such Issuing Lender intends to honor such drawing), and the Borrower at whose request the Letter of Credit was issued shall reimburse such Issuing Lender on the date on which such drawing is honored, in each case in an amount in either the currency in which such Letter of Credit is denominated or in Dollars and in Same Day Funds equal to the amount of such drawing (which amount, in the case of a reimbursement in Dollars of a drawing under a Letter of Credit which is denominated in a currency other than Dollars, shall be calculated by reference to the applicable Spot Rate); provided that, anything contained in this Agreement to the contrary notwithstanding, unless the Borrower at whose request the Letter of Credit was issued

110

shall have notified Administrative Agent and such Issuing Lender prior to 11:00 a.m. (New York time) on the Business Day immediately prior to the date of such drawing that the Borrower at whose request the Letter of Credit was issued intends to reimburse such Issuing Lender for the amount of such drawing with funds other than the proceeds of Loans, the Borrower at whose request the Letter of Credit was issued shall be deemed to have given a Notice of

Borrowing to Administrative Agent requesting Lenders to make Revolving Loans (or Offshore Revolving Loans, as applicable) to such Borrower which are Base Rate Loans, on the date on which such drawing is honored, in an amount in Dollars equal to the amount of such honored drawing (which amount, in the case of a drawing under a Letter of Credit which is denominated in a currency other than Dollars, shall be calculated by reference to the applicable Spot Rate on the date such drawing is honored), and subject to satisfaction or waiver of the conditions specified in subsection 3.2B, Lenders shall, on the date of such requested borrowing, make Revolving Loans (or Offshore Revolving Loans, as applicable) to such Borrower which are Base Rate Loans in the amount of such drawing as aforesaid, the proceeds of which shall be applied directly by Administrative Agent to reimburse such Issuing Lender for the amount of such drawing, and if for any reason proceeds of Revolving Loans (or Offshore Revolving Loans, as applicable) are not received by such Issuing Lender on such date in an amount equal to the amount of such drawing, Borrowers shall reimburse such Issuing Lender in Dollars, on the business day (under the laws of the jurisdiction of such Issuing Lender) immediately following the date on which reimbursement of such drawing is required as provided above, in an amount in Same Day Funds equal to the excess of the amount of such drawing over the amount of such Revolving Loans, if any, which are so received, plus accrued interest on such amount at the rate set forth in subsection 2.8F(2).

E. Payment by Lenders with Respect to Letters of Credit. In the event that Borrowers shall fail to reimburse an Issuing Lender as provided in subsection 2.8D in either the currency in which such Letter of Credit is denominated or in an amount in Dollars (calculated, in the case of a drawing under a Letter of Credit denominated in a currency other than Dollars, by reference to the applicable Spot Rate on the date such drawing is honored) equal to the amount of any drawing honored by such Issuing Lender under a Letter of Credit issued by it, such Issuing Lender shall promptly notify Administrative Agent of the unreimbursed amount of such drawing and Administrative Agent shall promptly notify each Revolving Lender of such unreimbursed amount and of such Lender's respective participation therein pursuant to this subsection 2.8E. Each such Lender shall make available to such Issuing Lender an amount equal to its respective participation, in Dollars and in Same Day Funds, at the office of such Issuing Lender specified in such notice, not later than 1:00 P.M. (New York time) on the business day (under the laws of the jurisdiction of such Issuing Lender) after the date notified by such Issuing Lender (provided, that, such Issuing Lender may request that such purchase of participations be transacted through Administrative Agent). In the event that any Revolving Lender fails to make available to such Issuing Lender the amount of such Lender's required participation in such Letter of Credit as provided in this subsection 2.8E, such Issuing Lender shall be entitled to recover such amount on demand from such Lender together with interest at the customary rate set by such Issuing Lender for the correction of errors among banks for three Business Days and thereafter at the Base Rate plus the Applicable Base Rate Margin. Nothing in this subsection 2.8 shall be deemed to prejudice the right of any Lender to recover from such Issuing Lender any amounts made available by such Lender to such Issuing Lender pursuant to this subsection 2.8E in the event that it is determined by a court of competent jurisdiction that the payment with

111

respect to a Letter of Credit by such Issuing Lender in respect of which payment was made by such Lender constituted gross negligence or willful misconduct on the part of such Issuing Lender. Each Issuing Lender shall distribute to each other Lender which has paid all amounts payable by it under this subsection 2.8E with respect to any Letter of Credit issued by such Issuing Lender such other Lender's Pro Rata Share of all payments received by such Issuing Lender from Borrowers in reimbursement of drawings honored by such Issuing Lender under such Letter of Credit when such payments are received. Notwithstanding subsection 2.8D, any reimbursements by Borrowers of amounts drawn on any Letter of Credit after participations in such unreimbursed drawing have been purchased by Lenders under this subsection 2.8E shall be made in Dollars.

F. Compensation. Borrowers agree to pay the following amounts to each Issuing Lender for its own account with respect to Letters of Credit issued by it (with respect to paragraphs (1)(a) and (3) below) and to Administrative Agent for the account of each Revolving Lender (with respect to paragraphs 1(b) and (2) below) with respect to all Letters of Credit:

(1) with respect to each Letter of Credit, (a) an administrative fee equal to 0.25% per annum of the maximum amount available from time to time to be drawn under such Letter of Credit (but in no event less than \$250 per annum), payable in arrears on and to (but excluding) each January 1, April 1, July 1 and October 1 of each year and calculated on the basis of a 360-day year and the actual number of days elapsed; and (b) a Letter of Credit Fee payable to the Lenders equal to (x) the Applicable Euro Margin as in effect for Revolving Loans from time to time multiplied by (y) the maximum amount available from time to time to be drawn under such Letter of Credit, per annum payable in arrears on and to (but excluding) each January 1, April 1, July 1 and October 1 of each year and calculated on the basis of a 360-day year and the actual number of days elapsed which Letter of Credit Fee shall be shared by all Revolving Lenders in accordance with their respective Pro Rata Shares;

(2) with respect to drawings made under any Letter of Credit, interest, payable on demand, on the amount paid by such Issuing Lender in respect of each such drawing from the date of payment of the drawing through the date such amount is reimbursed by Borrowers (including any such reimbursement out of the proceeds of Loans pursuant to subsection 2.8D) at a rate equal to the sum of the Base Rate plus the Applicable Base Rate Margin plus 2.00% per annum; and

(3) with respect to the issuance, amendment or transfer of, or payment of a drawing under, each Letter of Credit, documentary and processing charges in accordance with such Issuing Lender's standard schedule for such charges in effect at the time of such issuance, amendment, transfer or payment, as the case may be.

For purposes of calculating any fees payable under clause (1) of this subsection 2.8F, (a) the maximum amount available to be drawn under any Letter of Credit as of any date of determination shall be determined as of the close of business on such date and (b) any amount described in such clauses which is denominated in a currency other than Dollars shall be valued based on the applicable Spot Rate for such currency as of the applicable date of determination. Promptly upon receipt by Administrative Agent of any amount described in

112

clause (1)(b) of this subsection 2.8F, Administrative Agent shall distribute to each Revolving Lender its Pro Rata Share of such amount. In the event Lenders have purchased participations in a Letter of Credit pursuant to subsection 2.8E, the Issuing Lender in respect of such Letter of Credit may request that interest payments with respect thereto to participants be administered by and through the Administrative Agent.

G. Obligations Absolute. The obligation of Borrowers to reimburse each Issuing Lender for drawings made under the Letters of Credit issued by it and the obligations of Revolving Lenders under subsection 2.8E shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances including, without limitation, any of the following circumstances:

(1) any lack of validity or enforceability of any Letter of Credit;

(2) the existence of any claim, set-off, defense or other right which any Loan Party may have at any time against a beneficiary or any transferee of any Letter of Credit (or any persons or entities for whom any such transferee may be acting), such Issuing Lender, any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between any Borrower or one of its Subsidiaries and the beneficiary for which the Letter of Credit was procured);

(3) any draft, demand, certificate or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(4) payment by such Issuing Lender under any Letter of Credit against presentation of a demand, draft or certificate or other document which does not substantially comply with the terms of such Letter of Credit, provided that such payment does not constitute gross negligence or willful misconduct of such Issuing Lender as determined by a court of competent jurisdiction;

(5) any other circumstance or happening whatsoever, which is similar to any of the foregoing; or

(6) the fact that an Event of Default or a Potential Event of Default shall have occurred and be continuing.

H. Additional Payments. If by reason of (a) any change after the date hereof in applicable law, regulation, rule, decree or regulatory requirement or any change after the date hereof in the interpretation or application by any judicial or regulatory authority of any law, regulation, rule, decree or regulatory requirement (in each case other than any law, regulation, rule, decree or regulatory requirement regarding capital adequacy) or (b) compliance by any Issuing Lender or any Lender with any direction, request or requirement (whether or not having the force of law) of any governmental or monetary authority imposed after the date hereof including, without limitation, Regulation D (but excluding, however, any direction, request or requirement regarding capital adequacy):

113

(i) such Issuing Lender or any Lender shall be subject to any tax, levy, charge or withholding of any nature or to any variation thereof or to any penalty with respect to the maintenance or fulfillment of its obligations under this subsection 2.8, whether directly or by such being imposed on or suffered by such Issuing Lender or any Lender;

(ii) any reserve, deposit or similar requirement is or shall be applicable, imposed or modified in respect of any Letters of Credit issued by such Issuing Lender or participations therein purchased by any Lender; or

(iii) there shall be imposed on such Issuing Lender or any Lender any other condition regarding this subsection 2.8, any Letter of Credit or any participation therein;

and the result of the foregoing is to directly or indirectly increase the cost to such Issuing Lender or any Lender of issuing, making or maintaining any Letter of Credit or of purchasing or maintaining any participation therein, or to reduce the amount receivable in respect thereof by such Issuing Lender or any Lender, then and in any such case such Issuing Lender or such Lender may, at any time within six months after the additional cost is incurred or the amount received is reduced, notify Borrowers, and Borrowers shall pay within ten days of receipt of such notice such amounts as such Issuing Lender or such Lender may specify to be necessary to compensate such Issuing Lender or such Lender for such additional cost or reduced receipt, together with interest on such amount from 10 days after the date of such demand until payment in full thereof at a rate equal at all times to the Base Rate per annum. The determination by such Issuing Lender or any Lender, as the case may be, of any amount due pursuant to this subsection 2.8H as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

I. Indemnification; Nature of Issuing Lender's Duties. In addition to amounts payable as elsewhere provided in this subsection 2.8, (i) Domestic Borrowers hereby agree to protect, indemnify, pay and save each Issuing Lender harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable attorneys' fees and allocated costs of internal counsel) which such Issuing Lender may incur or be subject to as a consequence, direct or indirect, of (A) the issuance of the Letters of Credit for the account of any Domestic Borrower, other than as a result of the gross negligence or willful misconduct of such Issuing Lender as determined by a court of competent jurisdiction or (B) the failure of such Issuing Lender to honor a drawing under any Letter of Credit for the account of any Domestic Borrower as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto government or governmental authority (all such acts or omissions herein called "Government Acts"); and (ii) the Offshore Borrowers hereby agree to protect, indemnify, pay and save each Issuing Lender harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable attorneys' fees and allocated costs of internal counsel) which such Issuing Lender may incur or be subject to as a consequence, direct or indirect, of (A) the issuance of any Letter of Credit for the account of any Offshore Borrower, other than as a result of the gross negligence or willful misconduct of such Issuing Lender as determined by a court of competent jurisdiction or (B) the

114

failure of such Issuing Lender to honor a drawing under any Letter of Credit for the account of any Offshore Borrower as a result of Government Acts.

Subject to the preceding paragraph, as between each relevant Borrower and each Issuing Lender, such Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued by such Issuing Lender on account of that Borrower by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, such Issuing Lender shall not be responsible: (i) for the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of such Letters of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (ii) for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) for failure of the beneficiary of any such Letter of Credit to comply fully with conditions required in order to draw upon such Letter of Credit; (iv) for errors, omissions, interruptions or delays in transmission or delivery of any messages,

by mail, cable, telegraph, telex, electronic mail or otherwise; (v) for errors in interpretation of technical terms; (vi) for any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) for the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; and (viii) for any consequences arising from causes beyond the control of such Issuing Lender, including, without limitation, any Government Acts. None of the above shall affect, impair, or prevent the vesting of any of such Issuing Lender's rights or powers hereunder; provided, however, that such Issuing Lender shall be responsible for any payment it makes under any Letter of Credit against presentation of a demand, draft or certificate or other document which does not substantially comply with the terms of such Letter of Credit in the event such payment constitutes gross negligence or willful misconduct of such Issuing Lender as determined by a court of competent jurisdiction.

In furtherance and extension and not in limitation of the specific provisions hereinabove set forth, any action taken or omitted by any Issuing Lender under or in connection with the Letters of Credit issued by it or the related certificates, if taken or omitted in good faith and in the absence of gross negligence or willful misconduct, shall not put such Issuing Lender under any resulting liability to Borrowers.

Notwithstanding anything to the contrary contained in this subsection 2.8I, Borrowers shall have no obligation to indemnify any Issuing Lender in respect of any liability incurred by such Issuing Lender arising solely out of the gross negligence or willful misconduct of such Issuing Lender, as determined by a court of competent jurisdiction, or out of the wrongful dishonor by such Issuing Lender of proper demand for payment made under the Letters of Credit issued by it.

J. Computation of Interest. Interest payable pursuant to this subsection 2.8 shall be computed on the basis of a 360-day year and the actual number of days elapsed in the period during which it accrues.

115

2.9 Joint and Several Liability; Contribution; O-I General as Borrowers' Agent

A. Joint and Several Liability; Cross Guaranty – Domestic Borrowers. The liabilities relating to the Revolving Loans and the Revolving Loan Commitments shall be the joint and several Obligations of each Domestic Borrower. The liability of Owens-Brockway with respect to the Tranche B1 Term Loans shall be guaranteed by O-I Plastic under the Domestic Borrowers' Guaranty. The Obligations of and the Liens granted by any such Domestic Borrower under the Loan Documents shall not be impaired or released by any action or inaction on the part of any Agent or any Lender with respect to any other Domestic Borrower, including any action or inaction which would otherwise release a surety. The Obligations of a Domestic Borrower in respect of the Revolving Loans made to the other Domestic Borrower and the Revolving Loan Commitments to the other Domestic Borrower shall be limited in amount to an amount not to exceed the maximum amount of obligations, as it relates to such Domestic Borrower, void or voidable under applicable laws relating to fraudulent conveyance, fraudulent transfer or other similar laws affecting the rights of creditors generally.

B. Contribution – Domestic Borrowers. In order to provide for just and equitable contribution among the Domestic Borrowers if any payment is made by a Domestic Borrower (a "**Domestic Funding Borrower**") in discharging any of the Obligations of the other Domestic Borrower, that Domestic Funding Borrower shall be entitled to a contribution from the other Domestic Borrower for all payments, damages and expenses incurred by that Domestic Funding Borrower in discharging the Obligations, in the manner and to the extent required to allocate liabilities in an equitable manner among Domestic Borrowers by the relative benefits received by Domestic Borrowers. If and to the extent that a Domestic Funding Borrower makes any payment to any Lender or any other Person in respect of the Obligations, any claim which said Funding Borrower may have against the other Domestic Borrower by reason thereof shall be subject and subordinate to the prior Cash payment in full to the Lenders of the Obligations. The parties hereto acknowledge that the right to contribution hereunder shall constitute an asset of the party to which such contribution is owing. Notwithstanding any of the foregoing to the contrary, such contribution arrangements shall not limit in any manner the joint and several nature of the Obligations of the Domestic Borrowers in respect of the Revolving Loans and the Revolving Loan Commitments, limit, release or otherwise impair any rights of any Agent or any Lender under the Loan Documents, or alter, limit or impair the obligation of each Domestic Borrower, which is absolute and unconditional, to repay its Obligations.

C. Joint and Several Liability – Australian Offshore Borrowers. All liabilities and obligations in respect of and relating to the Australian Revolving Loans shall be the joint and several Obligations of each Australian Offshore Borrower. The liability of ACI with respect to the Tranche A1 Term Loan shall be guaranteed by O-I Australia under an Offshore Guaranty.

D. Contribution – Australian Offshore Borrowers. In order to provide for just and equitable contribution among the Australian Offshore Borrowers in Australia if any payment is made by an Australian Offshore Borrower from Australia (an "**Offshore Funding Australian Borrower**") in discharging any of the Obligations of another Australian Offshore Borrower, that Offshore Funding Australian Borrower shall be entitled to a contribution from the such Australian Offshore Borrower for all payments, damages and expenses incurred by that Offshore

116

Funding Australian Borrower in discharging Obligations on behalf of such other Australian Offshore Borrower, in the manner and to the extent required to allocate liabilities in an equitable manner among the Australian Offshore Borrowers by the relative benefits received by such Australian Offshore Borrowers. If and to the extent that an Offshore Funding Australian Borrower makes any payment to any Lender or any other Person in respect of the Obligations, any claim which said Offshore Funding Australian Borrower may have against the other Australian Offshore Borrower by reason thereof shall be subject and subordinate to the prior Cash payment in full of the Obligations. The parties hereto acknowledge that the right to contribution hereunder shall constitute an asset of the party to which such contribution is owing. Notwithstanding any of the foregoing to the contrary, such contribution arrangements shall not limit in any manner the joint and several nature of the Obligations of the Australian Offshore Borrowers as described in clause C, above, limit, release or otherwise impair any rights of any Agent or any Lender under the Loan Documents, or alter, limit or impair the obligation of each Australian Offshore Borrower, which is absolute and unconditional, to repay its Obligations.

E. O-I General as Borrowers' Agent. O-I General is hereby appointed Borrowers' agent hereunder by each Borrower (in such capacity "**Borrowers' Agent**"). Each Borrower hereby authorizes, directs and empowers O-I General to act for and in the name of such Borrower and as its agent hereunder and under the other instruments and agreements referred to herein. O-I General hereby accepts each such appointment. Each Borrower hereby irrevocably authorizes O-I General to take such action on such Borrower's behalf and to exercise such powers hereunder, under the other Loan Documents, and under the other agreements and instruments referred to herein or therein as may be contemplated being taken or exercised by such Borrower by the terms

hereof and thereof, together with such powers as may be incidental thereto, including, without limitation, to borrow hereunder and deliver Notices of Borrowing, Notices of Conversion/Continuation, Notices of Issuance of Letter of Credit and Compliance Certificates hereunder, to convert, continue, repay or prepay Loans made hereunder, to reduce the Commitments, to pay interest, fees, costs and expenses incurred in connection with the Loans, this Agreement, the other Loan Documents, and the other agreements and instruments referred to herein or therein, to receive from or deliver to any Agent any notices, statements, reports, certificates or other documents or instruments contemplated herein, in the other Loan Documents or in any other agreement or instrument referred to herein and to receive from or transmit to any Agent any Loan proceeds or payments. Each Agent and each Lender shall be entitled to rely on the appointment and authorization of O-I General with respect to all matters related to this Agreement, the other Loan Documents and any other agreements or instruments referred to herein or therein whether or not any particular provision hereof or thereof specifies that such matters may or shall be undertaken by Borrowers' Agent. In reliance hereon, each Agent and each Lender may deal with O-I General alone with the same effect as if such Agent or such Lender had dealt with each Borrower separately and individually.

2.10 Collection Allocation Mechanism

A. Implementation of Collection Allocation Mechanism. On the CAM Exchange Date, (i) the Commitments shall terminate as provided in Section 7, (ii) all Loans denominated in an Offshore Currency shall be converted into, and all such amounts due thereunder shall accrue and be payable in, Dollars at the applicable Spot Rate on such date, and on and after such date the interest rate applicable to all such Loans shall be the rate applicable to overdue Loans of the

117

relevant type that are Base Rate Loans hereunder, (iii) Revolving Lenders shall purchase their required participations in the Domestic Overdraft Amount and the Offshore Overdraft Amount pursuant to subsection 2.1B and 2.1D(ii), respectively, (iv) the Lenders shall automatically and without further action (and without regard to the provisions of subsection 10.2) be deemed to have exchanged interests in the Loans constituting Specified Obligations (and as more particularly described in clauses (v) and (vi) of this subclause (A), in Domestic Overdraft Amounts, Offshore Overdraft Amounts and Letters of Credit, respectively) such that in lieu of the interest of each Lender in each such Loan (and such other Obligations) in which it shall participate as of such date (including such Lender's interest in the Specified Obligations of each Loan Party in respect of each such Loan and other Obligations), such Lender shall hold an interest in every one of the Loans constituting Specified Obligations, the Domestic Overdraft Amounts, the Offshore Overdraft Amounts and the Letters of Credit (including the Specified Obligations of each Loan Party in respect of each such Loans, the Domestic Overdraft Amounts, the Offshore Overdraft Amounts, and the Letters of Credit), whether or not such Lender shall previously have participated therein, equal to such Lender's CAM Percentage thereof, (v) the Lenders shall automatically and without further action (and without regard to the provisions of subsection 10.2) be deemed to have exchanged interests in the Domestic Overdraft Amount and in participations in amounts due with respect to the Domestic Overdraft Amount previously purchased pursuant to subsection 2.1B, such that in lieu of the interest of each Lender in each Domestic Overdraft Amount in which it shall participate as of such date (including such Lender's interest in the Specified Obligations of each Loan Party in respect of each such Domestic Overdraft Amount), such Lender shall hold an interest in every one of the Domestic Overdraft Amounts (including the Specified Obligations of each Loan Party in respect of each such Domestic Overdraft Amount), whether or not such Lender shall previously have participated therein, equal to such Lender's CAM Percentage thereof, (vi) all Offshore Overdraft Amounts denominated in an Offshore Currency shall be converted into, and all such amounts due thereunder shall accrue and be payable in, Dollars at the applicable Spot Rates on such date, and on and after such date the interest rate applicable to all such Offshore Overdraft Amounts shall be the rate applicable to overdue Offshore Revolving Loans that are Base Rate Loans hereunder, and the Lenders shall automatically and without further action (and without regard to the provisions of subsection 10.2) be deemed to have exchanged interests in the converted Offshore Overdraft Amount and in participations in amounts due with respect to the converted Offshore Overdraft Amount previously purchased pursuant to subsection 2.1D, such that in lieu of the interest of each Lender in each Offshore Overdraft Amount in which it shall participate as of such date (including such Lender's interest in the Specified Obligations of each Loan Party in respect of each such Offshore Overdraft Amount), such Lender shall hold an interest in every one of the Offshore Overdraft Amounts (including the Specified Obligations of each Loan Party in respect of each such Offshore Overdraft Amount), whether or not such Lender shall previously have participated therein, equal to such Lender's CAM Percentage thereof.

B. Binding Nature of Collection Allocation Mechanism. Each Lender hereby consents and agrees (and each Borrower hereby consents) to the CAM Exchange, and each Lender agrees that the CAM Exchange shall be binding upon its successors and assigns and any Person that acquires a participation in its interests in any Loan constituting Specified Obligations. Each Borrower agrees from time to time to execute and deliver to the Administrative Agent all participation certificates and other instruments and documents as the Administrative Agent shall reasonably request to evidence and confirm the respective interests of

118

the Lenders after giving effect to the CAM Exchange, and each Lender agrees to surrender any promissory notes originally received by it in connection with its Loans constituting Specified Obligations hereunder to the Administrative Agent against delivery of new promissory notes evidencing its interests in the Specified Obligations with respect to the Loans; provided that the failure of any Borrower to execute or deliver or of any Lender to accept any such promissory note, instrument or document shall not affect the validity or effectiveness of the CAM Exchange.

C. Payments Subsequent to CAM Exchange Date. As a result of the CAM Exchange, upon and after the CAM Exchange Date, each payment received by the Administrative Agent or Collateral Agent pursuant to any Loan Document in respect of the Specified Obligations, and each distribution made by the Collateral Agent pursuant to any Collateral Documents in respect of the Specified Obligations, shall be distributed to the Lenders pro rata in accordance with their respective CAM Percentages. Any direct payment received by a Lender upon or after the CAM Exchange Date, including by way of set-off, in respect of a Specified Obligation shall be paid over to the Administrative Agent for distribution to the Lenders in accordance herewith.

D. Letters of Credit.

(i) In the event that on the CAM Exchange Date any Letter of Credit shall be outstanding and undrawn in whole or in part, or any amount drawn under a Letter of Credit shall not have been reimbursed by the applicable Borrower or with the proceeds of a Revolving Loan, each Revolving Lender shall promptly pay over to the Administrative Agent, in immediately available funds, an amount in Dollars equal to such Lender's Pro Rata Share of such Letter of Credit's undrawn face amount or (to the extent it has not already done so) such Letter of Credit's unreimbursed drawing (in each case, based on the Dollar Equivalent thereof, in the case of any Letters of Credit issued in a currency other than Dollars), together with interest thereon from the CAM Exchange Date to the date on which such amount shall be paid to the Administrative Agent at the rate that would be applicable at the time to a Base

Rate Revolving Loan in a principal amount equal to such amount, as the case may be. The Administrative Agent shall establish a separate account or accounts for each Lender (each, an “**LC Reserve Account**”) for the amounts received with respect to each such Letter of Credit pursuant to the preceding sentence. The Administrative Agent shall deposit in each Lender’s L/C Reserve Account such Lender’s CAM Percentage of the amounts received from the Revolving Lenders as provided above. The Administrative Agent shall have sole dominion and control over each LC Reserve Account, and the amounts deposited in each LC Reserve Account shall be held in such LC Reserve Account until withdrawn as provided in clauses (ii), (iii), (iv) and (v) below. The Administrative Agent shall maintain records enabling it to determine the amounts paid over to it and deposited in the LC Reserve Accounts in respect of each Letter of Credit and the amounts on deposit in respect of each Letter of Credit attributable to each Lender’s CAM Percentage. The amounts held in each Lender’s LC Reserve Account shall be held as a reserve against the Letter of Credit Usage, shall be the property of such Lender, shall not constitute Loans to or give rise to any claim of or against any Loan Party and shall not give rise to any obligation on the part of any Borrower to pay interest to such Lender, it being agreed that the reimbursement obligations in respect of Letters of Credit shall arise only at such times as drawings are made thereunder, as provided in subsection 2.8.

119

(ii) In the event that after the CAM Exchange Date any drawing shall be made in respect of a Letter of Credit, or, if on the CAM Exchange Date, any amount drawn on a Letter of Credit shall not have been reimbursed by the applicable Borrower or with the proceeds of a Revolving Loan, the Administrative Agent shall, at the request of the applicable Issuing Lender, withdraw from the LC Reserve Account of each Lender any amounts, up to the amount of such Lender’s CAM Percentage of such drawing, deposited in respect of such Letter of Credit and remaining on deposit and deliver such amounts to such Issuing Lender in satisfaction of the reimbursement obligations of the Revolving Lenders under subsections 2.8D and 2.8E (but not of the applicable Borrower under subsection 2.8D). In the event any Revolving Lender shall default on its obligation to pay over any amount to the Administrative Agent in respect of any Letter of Credit as provided in this subsection 2.10D, the applicable Issuing Bank shall, in the event of a drawing thereunder, have a claim against such Revolving Lender to the same extent as if such Lender had defaulted on its obligations under subsections 2.8D and 2.8E; but shall have no claim against any other Lender in respect of such defaulted amount, notwithstanding the exchange of interests in the reimbursement obligations pursuant to subsection 2.10. Each other Lender shall have a claim against such defaulting Revolving Lender for any damages sustained by it as a result of such default, including, in the event such Letter of Credit shall expire undrawn, its CAM Percentage of the defaulted amount.

(iii) In the event that after the CAM Exchange Date any Letter of Credit shall expire undrawn, the Administrative Agent shall withdraw from the LC Reserve Account of each Lender the amount remaining on deposit therein in respect of such Letter of Credit and distribute such amount to such Lender.

(iv) With the prior written approval of the Administrative Agent and each Issuing Lender with an outstanding Letter of Credit, any Lender may withdraw the amount held in its LC Reserve Account in respect of the undrawn amount of any Letter of Credit. Any Lender making such a withdrawal shall be unconditionally obligated, in the event there shall subsequently be a drawing under such Letter of Credit, to pay over to the Administrative Agent in Dollars, for the account of the applicable Issuing Lender on demand, its CAM Percentage of such drawing.

(v) Pending the withdrawal by any Lender of any amounts from its LC Reserve Account as contemplated by the above paragraphs, the Administrative Agent will, at the direction of such Lender and subject to such rules as the Administrative Agent may prescribe for the avoidance of inconvenience, invest such amounts in Cash Equivalents. Each Lender that has not withdrawn its amounts in its LC Reserve Account as provided in paragraph (d) above shall have the right, at intervals reasonably specified by the Administrative Agent, to withdraw the earnings on investments so made by the Administrative Agent with amounts in its LC Reserve Account and to retain such earnings for its own account.

120

B. As of that Funding Date:

(ii) No event shall have occurred and be continuing or would result from the consummation of the borrowing contemplated by such Notice of Borrowing that would constitute an Event of Default or a Potential Event of Default;

(iii) Each Loan Party shall have performed in all material respects all agreements and satisfied all conditions which this Agreement provides shall be performed or satisfied by it on or before that Funding Date;

(v) The making of the Loans requested on such Funding Date shall not violate Regulation U of the Board of Governors of the Federal Reserve System.

3.3 Conditions to Letters of Credit

The issuance of any Letter of Credit (other than Existing Letters of Credit) hereunder (whether or not the applicable Issuing Lender is obligated to issue such Letter of Credit) is subject to the following conditions precedent:

A. On or before the date of issuance of the initial Letter of Credit pursuant to this Agreement, the initial Loans shall have been made.

B. On or before the date of issuance of such Letter of Credit, Administrative Agent shall have received, in accordance with the provisions of subsection 2.8B, an originally executed Notice of Request for Issuance of Letter of Credit (or a facsimile copy thereof) in each case signed by a duly authorized officer of the Borrower requesting the Letter of Credit, together with all other information specified in subsection 2.8B and such other documents or information as the applicable Issuing Lender may reasonably require in connection with the issuance of such Letter of Credit.

C. On the date of issuance of such Letter of Credit, all conditions precedent described in subsection 3.1 and subsection 3.2 shall be satisfied to the same extent as if the issuance of such Letter of Credit were the making of a Loan and the date of issuance of such Letter of Credit were a Funding Date.

SECTION 4

LOAN PARTIES' REPRESENTATIONS AND WARRANTIES

In order to induce Lenders to enter into this Agreement and to amend and restate the Second Amended and Restated Credit Agreement as provided hereunder, to induce the Lenders to thereafter make Revolving Loans and Offshore Revolving Loans hereunder, to induce Administrative Agent to make overdrafts in respect of the Domestic Overdraft Account, to induce Offshore Overdraft Account Providers to make overdrafts in respect of the Offshore Overdraft Accounts, to induce Issuing Lenders to issue Letters of Credit and to induce Lenders to purchase participations in Letters of Credit, in the Domestic Overdraft Amount and in the Offshore Overdraft Amounts, Company and each Borrower represents and warrants to each Lender, on the Third Restatement Date, and on each other Funding Date, on the date of issuance of each Letter of Credit and on the date of execution by any Loan Party of a Loan Document pursuant to subsection 10.22, that the following statements are true, correct and complete, which representations and warranties in the case of each Offshore Borrower shall be limited to such Offshore Borrower and its Subsidiaries:

4.1 Organization, Powers, Good Standing, Business and Subsidiaries

A. Organization and Powers. Each of the Loan Parties is a company, duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of formation. Each of the Loan Parties has all requisite organizational power and authority to own and operate its properties, to carry on its business as now conducted and proposed to be conducted, to enter into each Loan Document to which it is a party and to carry

out the transactions contemplated hereby and thereby, and, in the case of Borrowers, to issue the Notes.

B. Good Standing. Each of the Loan Parties is in good standing wherever necessary to carry on its present business and operations, except in jurisdictions in which the failure to be in good standing has not had and will not have a Material Adverse Effect.

C. Conduct of Business. Company and its Subsidiaries are engaged only in the businesses permitted to be engaged in under subsection 6.11.

D. Subsidiaries. All of the Subsidiaries of Company and their jurisdictions of organization are identified in Schedule 4.1 annexed hereto, as said Schedule 4.1 may be supplemented from time to time pursuant to the provisions of subsection 5.1(xi). The Capital Stock of each of the Subsidiaries of Company identified in Schedule 4.1 annexed hereto (as so supplemented), is duly authorized, validly issued, fully paid and nonassessable and as of the Third Restatement Date none of such Capital Stock constitutes Margin Stock. Each of the Subsidiaries of Company identified in Schedule 4.1 annexed hereto (as so supplemented) is a company duly organized, validly existing and in good standing where applicable under the laws of its respective jurisdiction of organization set forth therein, has all requisite power and authority to own and operate its properties and to carry on its business as now conducted and as proposed to be conducted, and is qualified to do business and in good standing where applicable in every jurisdiction where its assets are located and wherever necessary to carry out its business and operations, in each case except where failure to be so qualified or in good standing or a lack of such power and authority has not had and could not reasonably be expected to result in a Material Adverse Effect. Schedule 4.1 annexed hereto (as so supplemented) correctly sets forth, as of the Third Restatement Date, the ownership interest of Company and each of its Subsidiaries in each of the Subsidiaries of Company identified therein.

4.2 Authorization of Borrowing, Etc.

A. Authorization of Borrowing. The execution, delivery and performance of the Loan Documents and the issuance, delivery and payment of the Notes have been duly authorized by all necessary organizational action by each Loan Party which is a party thereto.

B. No Conflict. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party and the issuance, delivery and performance of the Notes do not and will not (i) violate any provision of law applicable to such Loan Party, the Organizational

Documents of such Loan Party, or any order, judgment or decree of any court or other agency of government binding on such Loan Party, (ii) conflict with, result in a material breach of or constitute (with due notice or lapse of time or both) a material default under any Contractual Obligation of Company or any of its Subsidiaries, (iii) result in or require the creation or imposition of any Lien (other than Liens in favor of the Collateral Agent) upon any of the properties or assets of Company or any of its Subsidiaries, or (iv) require any approval of stockholders or any approval or consent of any Person under any Contractual Obligation of Company or any of its Subsidiaries, other than those approvals and consents which have been obtained.

C. Governmental Consents. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party and the issuance, delivery and performance of the Notes did not, do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any federal, state or other governmental authority or regulatory body except for filings, consents or notices that have been or will be made during the period in which they are required to be made.

D. Binding Obligations. This Agreement and the other Loan Documents executed prior to the date of this Agreement are, and the other Loan Documents and the Notes to be executed subsequent to the date of this Agreement, when executed and delivered will be, the legally valid and binding obligations of the applicable Loan Parties, enforceable against the applicable Loan Parties in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

4.3 Financial Condition

Borrowers have heretofore delivered to Lenders, at Lenders' request, the audited consolidated balance sheet of Holdings and its Subsidiaries as at December 31, 2003 and the related consolidated statements of income, stockholders' equity and cash flows of Holdings and its Subsidiaries for the Fiscal Year then ended and the unaudited consolidated balance sheet of Holdings and its Subsidiaries and the unaudited consolidated balance sheet of Company and its Subsidiaries as of June 30, 2004 and the related unaudited consolidated statements of income and cash flows of Company and its Subsidiaries for the periods then ended. All such statements were prepared in conformity with GAAP. All such consolidated financial statements fairly present the consolidated financial position of Holdings and its Subsidiaries as at the date thereof and the consolidated results of operations and cash flows of Holdings and its Subsidiaries for the period covered thereby. Neither Company nor any of its Subsidiaries has any material contingent liability or material liability for taxes, long-term lease or unusual forward or long-term commitment, which is not reflected in the foregoing financial statements or in the most recent consolidated financial statements delivered pursuant to Section 5.1 of this Agreement, except for those incurred since the date of such financial statements that are not prohibited hereunder.

4.4 No Adverse Material Change; No Restricted Junior Payment

Since December 31, 2003, except as publicly disclosed in filings by Holdings or any Borrower with the Securities and Exchange Commission prior to the date hereof, there has been no change in the business, operations, properties, assets or condition (financial or otherwise) of Company and its Subsidiaries, which has been, either in any case or in the aggregate, materially adverse to Company and its Subsidiaries, taken as a whole. Since the Second Restatement Date, neither Company nor any of its Subsidiaries has directly or indirectly declared, ordered, paid or made or set apart any sum or property for any Restricted Junior Payment or agreed so to do except as permitted by subsection 6.5.

4.5 Litigation; Adverse Facts

Except as disclosed in Holdings' annual report on Form 10-K for the Fiscal Year ended December 31, 2003, there is no action, suit, proceeding, governmental investigation or arbitration of which Company has knowledge (whether or not purportedly on behalf of Company or any of its Subsidiaries) at law or in equity or before or by any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, pending or, to the knowledge of Company, threatened against or affecting Company or any of its Subsidiaries or any property of Company or any of its Subsidiaries which would reasonably be expected to result in a Material Adverse Effect.

4.6 Payment of Taxes

Except to the extent permitted by subsection 5.3, all material tax returns and reports of Holdings and each of its Subsidiaries required to be filed by any of them have been timely filed, and all material taxes, assessments, fees and other governmental charges upon such Persons and upon their respective properties, assets, income and franchises which are due and payable have been paid when due and payable.

4.7 Governmental Regulation

Neither Holdings nor any of its Subsidiaries is subject to regulation under the Public Utility Holding Company Act of 1935 or the Investment Company Act of 1940 or to any federal or state statute or regulation limiting its ability to incur Indebtedness for money borrowed.

4.8 Securities Activities

A. Neither Holdings nor any of its Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any Margin Stock.

B. Following application of the proceeds of each Loan, not more than 25% of the value of the assets (either of Company only or of Company and its Subsidiaries on a consolidated basis) subject to the provisions of subsection 6.2 or 6.7, or subject to any similar restriction contained in any agreement or instrument between Company and any Lender or any Affiliate of any Lender relating to Indebtedness and within the scope of subsection 7.2, was or will be attributable to Margin Stock.

4.9 Employee Benefit Plans

A. Each of Holdings and each of its Subsidiaries is in compliance with all applicable provisions of ERISA, the Internal Revenue Code and other applicable federal, state or foreign law with respect to each Plan, and has performed all of its obligations under each Plan, except to the extent that failure to comply, individually or in

the aggregate, would not reasonably be expected to have a Material Adverse Effect. Holdings, each of its Subsidiaries and each ERISA Affiliate has made all required contributions to any Plan subject to Section 412 of the Internal Revenue Code, except to the extent that a failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Internal Revenue Code has been made with respect to any Plan.

B. (i) No ERISA Event has occurred or is reasonably expected to occur; (ii) no Pension Plan which is reasonably likely to be terminated has any Unfunded Pension Liability in an amount which, individually or in the aggregate for all such Pension Plans (excluding for purposes of such computation any such Pension Plans with respect to which assets exceed benefit liabilities), would reasonably be expected to have a Material Adverse Effect if such Pension Plan or Pension Plans were then terminated; and (iii) none of Holdings, any of its Subsidiaries or any ERISA Affiliate has engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

4.10 Disclosure

No representation or warranty of any Loan Party contained in this Agreement, any Loan Document or any other document, certificate or written statement furnished to Lenders by or on behalf of any Loan Party for use in connection with the transactions contemplated by this Agreement contains any untrue statement of a material fact or omits to state a material fact (known to Company in the case of any document not furnished by it) necessary in order to make the statements contained herein or therein not misleading in light of the circumstances in which the same were made. The projections and pro forma financial information contained in such materials are based upon good faith estimates and assumptions believed by Company and its Subsidiaries to be reasonable at the time made, it being recognized by Lenders that such projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such projections may differ from the projected results. There are no facts known to Company or any Borrower (other than matters of a general economic nature) which materially and adversely affects the business, operations, property, assets or condition (financial or otherwise) of Company and its Subsidiaries, taken as a whole, which have not been disclosed herein or in such other documents, certificates and statements furnished to Lenders for use in connection with the transactions contemplated hereby.

4.11 Environmental Protection

Company and each of its Subsidiaries are in compliance with all applicable Environmental Laws in respect of the conduct of its business and the ownership of its property, except such noncompliance as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Without limiting the effect of the preceding sentence:

A. to the best of Company's knowledge, neither Company nor any of its Subsidiaries has received a complaint, order, citation, notice or other written communication with respect to the existence or alleged existence of a violation of, or liability arising under, any Environmental Law, the outcome of which, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect; and

B. to the best of Company's knowledge there are no environmental, health or safety conditions existing at any real property owned, operated or leased by Company or any of its existing or former Subsidiaries or any of their respective predecessors, including off-site treatment or disposal facilities used by Company or any of its existing or former Subsidiaries for waste treatment or disposal, which would reasonably be expected to require any construction or other capital costs or clean-up obligations to be incurred prior to the final scheduled maturity of the Obligations in order to assure compliance with any Environmental Law, including provisions regarding clean-up, to the extent that any of such conditions, construction or other capital costs or clean-up obligations, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

A. Title to Properties; Liens. Company and its Subsidiaries have (i) good, sufficient and legal title to (in the case of fee or freehold interests in Real Property Assets), (ii) valid leasehold interests in (in the case of Ground Leasehold Interests, or other leasehold interests in the UK, in Real Property Assets or personal property), or (iii) good title to (in the case of all other personal property), all of their respective properties and assets reflected in the financial statements referred to in subsection 4.3 or in the most recent financial statements delivered pursuant to subsection 5.1, in each case except for assets disposed of since the date of such financial statements in the ordinary course of business or as otherwise permitted under subsection 6.7 and except for such defects that individually or in the aggregate, would not have a Material Adverse Effect. Except as permitted by this Agreement, all such properties and assets are free and clear of Liens.

B. Real Property. As of the Third Restatement Date, Schedule 4.12B-1 annexed hereto contains a true, accurate and complete list of all fee and Ground Leasehold Interests (or in the UK, all freehold and leasehold interests) in any Real Property Assets with an insurable or assessed value in excess of \$25,000,000.

C. Intellectual Property. As of the Third Restatement Date, Company and its Subsidiaries own or have the right to use all Intellectual Property used in the conduct of their business, except where the failure to own or have such right to use, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No claim has been asserted and is pending by any Person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property, and Loan Parties do not know of any valid basis for any such claim except for such claims that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. The use of such Intellectual Property by Company and its Subsidiaries does not infringe on the rights of any Person, except for such claims and infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Administrative Agent shall have only those duties and responsibilities which are expressly specified in this Agreement, the Guaranties, the Collateral Documents and the Intercreditor Agreement and may perform such duties by or through its agents or employees. Each of the Tranche A1 and B1 Co-Syndication Agents and the Tranche C Syndication Agents shall have no powers or duties hereunder except as expressly specified in this Agreement. The title of "Senior Managing Agents" and "Co-Documentation Agents" provided to certain Lenders in the introductory paragraph to this Agreement is honorary only and does not impose any duty or obligation on such Lenders. The duties of Agents shall be mechanical and administrative in nature; Agents shall not have by reason of this Agreement a fiduciary relationship in respect of any Lender; and nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon Agents any obligations in respect of this Agreement or the other instruments and agreements referred to herein except as expressly set forth herein or therein.

C. Exculpatory Provisions. Neither Agents nor any of their respective officers, directors, employees or agents shall be liable to Lenders for any action taken or omitted hereunder or in connection herewith (including without limitation any act or omission under the Guaranties, the Collateral Documents or the Intercreditor Agreement) unless caused by its or their gross negligence or willful misconduct. If Administrative Agent shall request instructions from Lenders with respect to any act or action (including the failure to take an action) in connection with this Agreement, or the other instruments and agreements referred to herein, Administrative Agent shall be entitled to refrain from such act or taking such action unless and until Administrative Agent, shall have received instructions from Requisite Lenders. Without prejudice to the generality of the foregoing, (i) Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it in good faith to be genuine and correct and to have been signed or sent by the proper person or persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Company and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against Administrative Agent as a result of Administrative Agent acting or (where so instructed) refraining from acting under this Agreement or the other instruments and agreements referred to herein in accordance with the instructions of Requisite Lenders. Each Agent and each of its Affiliates may accept deposits from, lend money to and generally engage in any kind of banking, trust, financial advisory or other business with any Borrower or any Affiliate of any Borrower as if it were not performing the duties specified herein, and may accept fees and other consideration from any Borrower for services in connection with this Agreement and otherwise without having to account for the same to Lenders.

163

8.3 Representations and Warranties; No Responsibility for Appraisal of Creditworthiness

Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Company and the Borrowers in connection with the making of the Loans, the extensions of credit under the Domestic Overdraft Account and the Offshore Overdraft Accounts (in the case of Administrative Agent and each Lender that is an Offshore Overdraft Account Provider) and the issuance of Letters of Credit hereunder and such Lender's purchasing of participations in such Loans, the Domestic Overdraft Account, the Offshore Overdraft Accounts or such Letters of Credit and has made and shall continue to make its own appraisal of the creditworthiness of Company and the Borrowers. No Agent shall have any duty or responsibility either initially or on a continuing basis to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto whether coming into its possession before the making of the Loans or the issuance of the Letters of Credit or any time or times thereafter and no Agent shall have any further responsibility with respect to the accuracy of or the completeness of the information provided to Lenders.

8.4 Right to Indemnity

Each Lender severally agrees to indemnify each Agent, proportionately to its Pro Rata Share as in effect on the date on which indemnification is sought hereunder, to the extent such Agent shall not have been reimbursed by Borrowers, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, without limitation, counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in performing its duties hereunder or in any way relating to or arising out of this Agreement or the other instruments and agreements referred to herein; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct. If any indemnity furnished to an Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished.

8.5 Registered Persons Treated as Owners

Administrative Agent may deem and treat the Persons listed as Lenders in the Register as the owners of the corresponding Loans listed therein for all purposes hereof unless and until an Assignment and Acceptance effecting the assignment or transfer thereof shall have been accepted by Administrative Agent and recorded in the Register as provided in subsection 10.2B(ii). Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender shall be conclusive and binding on any subsequent holder, transferee or assignee of the corresponding Loan.

Upon any such notice of resignation or any such removal, Requisite Lenders shall have the right, upon five days' notice to Company and Borrowers' Agent, to appoint a successor Administrative Agent or UK Administrative Agent, as applicable; provided that so long as no Event of Default shall have occurred and be continuing such appointment shall be subject to the consent of Borrowers' Agent, which consent shall not be unreasonably withheld. Upon the acceptance of any appointment as an Administrative Agent or UK Administrative Agent hereunder by a successor Administrative Agent or UK Administrative Agent, that successor Administrative Agent or UK Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent or UK Administrative Agent as applicable, and the retiring or removed Administrative Agent or UK Administrative Agent shall be discharged from its duties and obligations as Administrative Agent or UK Administrative Agent under this Agreement. After any retiring or removed Administrative Agent's or UK Administrative Agent's resignation or removal hereunder as Administrative Agent or UK Administrative Agent, the provisions of this Section 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or UK Administrative Agent under this Agreement.

(ii) Any resignation or removal of Administrative Agent pursuant to this subsection 8.6 shall also constitute the resignation or removal of Administrative Agent as the provider of the Domestic Overdraft Account and as Collateral Agent, and any successor Administrative Agent appointed pursuant to this subsection 8.6 shall, upon its acceptance of, and as a condition to, such appointment, become the successor provider of the Domestic Overdraft Account and Collateral Agent for all purposes hereunder. In such event (a) Domestic Borrowers shall repay in full the Domestic Overdraft Amount and all other amounts owing to the retiring or removed Administrative Agent under the Domestic Overdraft Agreement, and (b) Borrowers and the retiring or removed Administrative Agent shall terminate the Domestic Overdraft Agreement to which they are a party and Company and the successor Administrative Agent shall enter into a successor Domestic Overdraft Agreement.

Upon the proposed sale, transfer or other disposition of any Collateral by Company or any of its Subsidiaries in accordance with this Agreement for which Company or such Subsidiary desires to obtain a security interest release from Collateral Agent, Company or such Subsidiary shall deliver an Officer's Certificate (x) stating that the Collateral subject to such disposition is being sold, transferred or otherwise disposed of in compliance with the terms of this Agreement and (y) specifying the Collateral being sold, transferred or otherwise disposed of in the proposed transaction. Upon the receipt of such Officer's Certificate, the Collateral Agent is authorized, at Borrower's expense, so long as Collateral Agent has no reason to believe that the Officer's Certificate so delivered with respect to such sale is not true and correct, to execute and deliver such releases of its security interest in such Collateral which is to be so sold, transferred or disposed of, as may be reasonably requested by Company or such Subsidiary. If Requisite Lenders, or if required, all Lenders, consent to the release or reconveyance of any of the Collateral, the Collateral Agent is authorized to, at Borrowers' expense, release, and to execute and deliver any necessary releases of its security interest in such Collateral in connection therewith and all such reconveyances or transfers shall be without recourse to the Collateral Agent or the Lenders and without representation or warranty of any kind. Each Lender agrees that no Lender shall have any right individually to seek to enforce the Guaranties or to realize upon the security granted by any Collateral Document, it being understood and agreed that such rights and remedies may be exercised by Collateral Agent for the benefit of Lenders and the parties to the Intercreditor Agreement (or the BSN Intercreditor Agreements, as applicable) upon the terms of the Collateral Documents and the Intercreditor Agreement (or the BSN Intercreditor Agreements, as applicable).

9.1 Guaranty

Company hereby irrevocably and unconditionally guaranties the due and punctual payment of all Obligations of all Borrowers hereunder, all obligations and liabilities under Interest Rate Agreements by and between Company or any of its Subsidiaries and Lenders or Affiliates of Lenders (“**Interest Rate Obligations**”) and all Currency Agreements by and between Company or any of its Subsidiaries and Lenders or Affiliates of Lenders (“**Currency Obligations**”) and any Other Permitted Credit Exposure, when the same shall become due, whether at stated maturity, by required payment, declaration, demand or otherwise (including amounts which would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code), and agrees to pay any and all costs and expenses (including reasonable fees and disbursements of counsel and allocated costs of internal counsel) incurred by Collateral Agent, Agents or Lenders or their Affiliates party to such Other Lender Guaranteed Obligations (each, a “**Guaranteed Party**” and collectively, the “**Guaranteed Parties**”) in enforcing or preserving any rights under this Guaranty (all such obligations

166

collectively, the “**Guaranteed Obligations**”); provided, that, in order to enjoy the benefit of the foregoing guaranty any such Lender or Affiliate thereof party to any such Other Permitted Credit Exposure, Interest Rate Obligations or Currency Obligations shall execute and deliver to Collateral Agent, during such time as such Lender is a Lender under this Agreement, an acknowledgment to the Intercreditor Agreement agreeing to be bound thereby and acknowledged by Borrowers’ Agent. Any Lender or Affiliate thereof obtaining the benefit of the foregoing guaranty with respect to Other Permitted Credit Exposure, Interest Rate Obligations or Currency Obligations shall remain a Guaranteed Party hereunder with respect to such Other Permitted Credit Exposure, Interest Rate Obligations or Currency Obligations only for so long as such Lender remains a Lender under this Agreement.

9.2 Waivers

A. Company agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that Company will remain bound upon this Guaranty notwithstanding any extension, renewal or other alteration of any Guaranteed Obligation.

B. Company waives presentation of, demand of, and protest of any Guaranteed Obligation and also waives notice of protest for nonpayment. The obligations of Company under this Guaranty shall not be affected by:

- (i) the failure of any Guaranteed Party or any other Person to assert any claim or demand or to enforce any right or remedy against Company, any Borrower or any Subsidiary under the provisions of this Agreement, any other Loan Document, any Interest Rate Agreement, any Currency Agreement or any document relating to Other Permitted Credit Exposure or any other agreement or otherwise,
- (ii) any extension or renewal of any provision of any thereof,
- (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Agreement, any other Loan Document, any Interest Rate Agreement, any Currency Agreement or any document relating to Other Permitted Credit Exposure or any instrument or agreement executed pursuant hereto or thereto,
- (iv) the failure to perfect any security interest in, or the release of, any of the security held by any Guaranteed Party, Collateral Agent, any Agent or any other Person for any of the Guaranteed Obligations, or
- (v) the failure of any Guaranteed Party or any other Person to exercise any right or remedy against any Borrower or any Guarantor of any of the Guaranteed Obligations.

C. Company further agrees that this Guaranty constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be had by any Guaranteed Party or any other Person to any of the security held for payment of any of the Guaranteed Obligations or to any balance of any deposit account or credit on the books of any Guaranteed Party or any other Person in favor of a Borrower or any other Person.

167

D. The obligations of Company under this Section 9 shall not be subject to any reduction, limitation, impairment or termination for any reason, including, without limitation, any claim of waiver, release, surrender, alteration or compromise of any of the Guaranteed Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations, the discharge of any Borrower or any other guarantor from any of the Guaranteed Obligations in a bankruptcy or similar proceeding, or otherwise (including due to any expropriation, confiscation, nationalization or requisition by any Government Authority). Without limiting the generality of the foregoing, the obligations of Company under this Section 9 shall not be discharged or impaired or otherwise affected by the failure of any Guaranteed Party, Collateral Agent, any Agent or any other Person to assert any claim or demand or to enforce any remedy under this Agreement, any other Loan Document, any Interest Rate Agreement, any Currency Agreement or any document relating to Other Permitted Credit Exposure or any other agreement, by any waiver or modification of any hereof or thereof, by any default, or any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of Company or which would otherwise operate as a discharge of Company as a matter of law or equity.

E. Company further agrees that this Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, interest on or any other amount with respect to any Guaranteed Obligation is rescinded or must otherwise be restored by any Guaranteed Party, Collateral Agent, any Agent or any other Person upon the bankruptcy or reorganization of Company, any other Person or otherwise.

9.3 Payment

Company further agrees, in furtherance of the foregoing and not in limitation of any other right which any Guaranteed Party, Collateral Agent, any Agent or any other Person may have at law or in equity against Company by virtue hereof, upon the failure of any Borrower to pay any of the

Guaranteed Obligations when and as the same shall become due, whether by required prepayment, declaration or otherwise (including amounts which would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code), Company will forthwith pay, or cause to be paid, in cash, to Collateral Agent for the ratable benefit of Guaranteed Parties, an amount equal to the sum of the unpaid principal amount of such Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including, without limitation, interest which, but for the filing of a petition in a bankruptcy, reorganization or other similar proceeding with respect to any Borrower, would have accrued on such Guaranteed Obligations) and all other Guaranteed Obligations then owed to Guaranteed Parties as aforesaid. All such payments shall be applied promptly from time to time by Collateral Agent:

First, to the payment of the costs and expenses of any collection or other realization under this Guaranty, including reasonable compensation to Collateral Agent and its agents and counsel, and all expenses, liabilities and advances made or incurred by Collateral Agent in connection therewith;

168

Second, (i) upon and during the effectiveness of the Intercreditor Agreement, to the payment of the Guaranteed Obligations as provided in Section 3 of the Intercreditor Agreement and (ii) except as set forth in clause (i), to the payment of the Guaranteed Obligations for the ratable benefit of the holders thereof; and

Third, after payment in full of all Guaranteed Obligations, to the payment to Company, or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct, of any surplus then remaining from such payments.

9.4 Waiver of Subrogation, Etc.

Company hereby waives any claim, right or remedy, direct or indirect, that it now has or may hereafter have against any Borrower or any of its other Subsidiaries or any of its assets in connection with this Section 9 or the performance by Company of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including without limitation (a) any right of subrogation, reimbursement or indemnification that Company now has or may hereafter have against any Borrower or Subsidiary thereof, (b) any right to enforce, or to participate in, any claim, right or remedy that Collateral Agent or any other Guaranteed Party now has or may hereafter have against any Borrower or a Subsidiary thereof, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by Collateral Agent or any other Guaranteed Party. In addition, until the Guaranteed Obligations shall have been paid in full and the Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled, Company shall withhold exercise of any right of contribution it may have against any other guarantor of the Guaranteed Obligations as a result of any payment hereunder. Company further agrees that, to the extent the waiver of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights of subrogation, reimbursement or indemnification Company may have against any Borrower or any of its other Subsidiaries or against any collateral or security, and any such rights of contribution Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights Collateral Agent or any Guaranteed Party may have against any Borrower or other guarantor, to all right, title and interest Collateral Agent or any Guaranteed Party may have in any such collateral or security, and to any right Collateral Agent or any Guaranteed Party may have against such other guarantor. If any amount shall be paid to Company on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been paid in full, such amount shall be held in trust for Collateral Agent on behalf of Guaranteed Parties and shall forthwith be paid over to Collateral Agent for the benefit of Guaranteed Parties to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

Collateral Agent has been appointed to act on behalf of Guaranteed Parties hereunder by Lenders for their benefit and, by their acceptance of the benefits hereof, the holders of any Other Lender Guaranteed Obligations. Except as otherwise provided in the next succeeding paragraph, Collateral Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or

169

refrain from taking any action, solely in accordance with this Guaranty and this Agreement; provided that, except as otherwise provided in the Intercreditor Agreement, Collateral Agent shall exercise, or refrain from exercising, any remedies hereunder in accordance with the instructions of Requisite Lenders. In furtherance of the foregoing provisions of this paragraph, each holder of Other Lender Guaranteed Obligations, by its acceptance of the benefits hereof, agrees that it shall have no right individually to enforce this Section 9, it being understood and agreed by such holder that all rights and remedies hereunder may be exercised solely by Collateral Agent for the benefit of the Guaranteed Parties in accordance with the terms of this paragraph and that all decisions of the Requisite Lenders shall be binding on such holders.

Anything contained in this Guaranty to the contrary notwithstanding, upon and during the effectiveness of the Intercreditor Agreement no Guaranteed Party shall be entitled to take any action whatsoever to enforce any term or provision of this Guaranty except through the Collateral Agent in accordance with the terms of the Intercreditor Agreement.

9.5 Termination

At such time as all Obligations have been paid in full and all Commitments have terminated and all Letters of Credit have expired or have been cancelled, the provisions of this shall be of no further force and effect as to any Other Lender Guaranteed Obligations guaranteed hereby unless an Event of Default described in subsection 7.6 or subsection 7.7 shall then be continuing.

9.6 Security

The obligations of Company under this Section 9 are secured pursuant to the Pledge Agreement and the Security Agreement.

SECTION 10

MISCELLANEOUS

10.1 Representation of Lenders

Each Lender hereby represents that it will make each Loan hereunder for its own account in the ordinary course of its business and without a view to distribution of such Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws; provided, however, that, subject to subsection 10.2, the disposition of the Notes or other evidences of Indebtedness held by that Lender shall at all times be within its exclusive control.

10.2 Assignments and Participations in Loans, Notes and Letters of Credit

A. General. Each Lender shall, subject to the provisions of this subsection 10.2, have the right at any time to (i) sell, assign, transfer or negotiate to any Eligible Assignee, or (ii) sell participations to any Person in, all or any part of any Loan or Loans made by it or its Commitments or its Letters of Credit or participations therein or any other interest herein or in any other Obligations owed to it; provided that no such assignment or participation shall, without the consent of Company, require any Borrower to file a registration statement with the Securities

170

and Exchange Commission or any foreign securities exchange or apply to qualify such assignment or participation of the Loans, Letters of Credit or participations therein or the other Obligations under the securities laws of any state. No such sale, assignment, transfer or negotiation of any Term Loan or Term Loan Commitment or participation therein by a Lender shall require a ratable sale, assignment, transfer or negotiation of any Revolving Loans or Revolving Loan Commitment of such Lender, and no such sale, assignment, transfer or negotiation of the Revolving Loans or Revolving Loan Commitment or participation therein by a Lender shall require a ratable sale, assignment, transfer or negotiation of any Term Loan or Term Loan Commitment of such Lender. However, an assignment of a Revolving Loan Commitment shall automatically constitute an assignment of a pro rata portion of the assigning Lender's Offshore Revolving Loan Commitments to the assignee and Offshore Revolving Loan Commitments may not be otherwise assigned. Prior to the termination of the Revolving Loan Commitments and Offshore Revolving Loan Commitments, Revolving Loans may not be assigned without a concurrent assignment of the Revolving Loan Commitment (in at least the amount of such assigned Revolving Loan) to the assignee of the Loan. Except as otherwise provided in this subsection 10.2, no Lender shall, as between any Borrower and such Lender, be relieved of any of its obligations hereunder as a result of any sale, assignment, transfer or negotiation of, or any granting of participations in, all or any part of the Loans, Commitments, Letters of Credit or participations therein or the other Obligations owed to such Lender.

B. Assignments.

(i) Amounts and Terms of Assignments. Each Loan, Commitment, Letter of Credit or participation therein or other Obligation may (a) be assigned in any amount (of a constant and not a varying percentage) to another Lender, or to an Affiliate or Related Fund of the assigning Lender or another Lender, with the giving of notice to Borrowers' Agent and Administrative Agent; provided that, if such Related Fund is not a Lender, such assignment shall be in an amount not less than \$1,000,000 in the case of a Term Loan and \$2,500,000 in the case of a Revolving Loan Commitment, Letter of Credit or participation therein or other Obligation or (b) be assigned in an amount (of a constant and not a varying percentage) of not less than \$1,000,000 in the case of a Term Loan and \$2,500,000 in the case of a Revolving Loan Commitment, Letter of Credit or participation therein or other Obligation (or such lesser amount (X) as shall constitute the aggregate amount of all Loans, Commitments, Letters of Credit or participations therein and other Obligations of the assigning Lender or (Y) so long as, after giving effect to such assignment and any other assignments concurrently being made to the assignee, such assignee receives not less than \$1,000,000 of Term Loans, or \$2,500,000 of Revolving Loans, Commitments, or other Obligations assigned to it) to any other Eligible Assignee with the giving of notice to Borrowers' Agent and Administrative Agent and, if no Event of Default shall have occurred and be continuing, with the consent of Borrowers' Agent and Administrative Agent, in the case of an assignment made by a Lender other than Administrative Agent, or with the consent of Borrowers' Agent, in the case of an assignment made by Administrative Agent (which consent of Borrowers' Agent and Administrative Agent shall not be unreasonably withheld, withdrawn, delayed or denied; provided that the inability of an Eligible Assignee to satisfy the requirements set forth in subsection 2.7C(iv) of this Agreement, if applicable, shall constitute reasonable grounds for withholding such consent); and provided further, however, that

171

any assignment in accordance with clause (b) either after the occurrence and during the continuation of an Event of Default or if required by applicable law shall not require the consent of the Borrowers' Agent or the Company. To the extent of any such assignment in accordance with either clause (a) or (b) above, the assigning Lender shall be relieved of its obligations with respect to its Loans, Commitments, Letters of Credit or participations therein or other Obligations or the portion thereof so assigned. The parties to each such assignment shall execute and deliver to Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with, with respect to assignments which occur following the Third Restatement Date, a processing and recordation fee of \$3,500 payable to Administrative Agent (except in the case of an assignment in which an affiliate of CGMI is assignor or assignee) and such certificates, documents or other evidence, if any, with respect to United States federal income tax withholding and foreign tax withholding matters as the assignee under such Assignment and Acceptance may be required to deliver to Administrative Agent pursuant to subsection 2.7C(iv). Upon such execution, delivery and acceptance, from and after the effective date specified in such Assignment and Acceptance, (y) the assignee thereunder shall be a party hereto and a "Lender" hereunder to the extent of the portion of any such Obligation or Commitment so assigned hereunder and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall have the rights and obligations of a Lender hereunder, including, without limitation, the obligation in subsection 10.20 to maintain the confidentiality of all non-public information received by it pursuant to this Agreement and (z) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations (except as otherwise provided in subsection 10.11) under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such assigning Lender shall cease to be a party hereto); provided that, if the assignee of the assigning Lender is an Affiliate of such Lender, such assignee shall not be entitled to receive any greater amount pursuant to subsections 2.6E or 2.7 than the assigning Lender would have been entitled to receive in respect of the amount of the assignment effected by such assigning Lender to such Affiliate had no such assignment occurred. The Commitments hereunder shall be modified to reflect the Commitments of such assignee and any remaining Commitments of such assigning Lender and, if any such assignment occurs after the issuance of a Note to the assigning Lender hereunder, if requested pursuant to subsection 2.1G(iv), new Notes shall, upon surrender of the assigning Lender's Note, be issued upon request to the assignee and to the assigning Lender, substantially in the form of Exhibit IV-A, Exhibit IV-B, Exhibit IV-C1, Exhibit IV-C2, Exhibit V, or Exhibit VI annexed hereto, as the case

may be, with appropriate insertions, to reflect the new Commitments and/or outstanding Loans, as the case may be, of the assignee and the assigning Lender.

(ii) Acceptance by Administrative Agent; Recordation in Register. Subject to the requirements of subsection 10.2A and 10.2B(i), upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, together with the processing and recordation fee referred to in subsection 10.2B(i) and any certificates, documents or other evidence

172

with respect to United States federal income tax withholding and foreign tax withholding matters that such assignee may be required to deliver to Administrative Agent pursuant to subsection 2.7C(iv), Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit X hereto and if Administrative Agent and Company have consented to the assignment evidenced thereby (in each case to the extent such consent is required pursuant to subsection 10.2B(i)), (a) accept such Assignment and Acceptance by executing a counterpart thereof as provided therein (which acceptance shall evidence any required consent of Administrative Agent to such assignment), (b) record the information contained therein in the Register, and (c) give prompt notice thereof to Company. Administrative Agent shall maintain a copy of each Assignment and Acceptance delivered to and accepted by it as provided in this subsection 10.2B(ii).

C. Participations. The holder of any participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except action directly affecting (i) the extension of the regularly scheduled maturity of any portion of the principal amount of or interest on any Loan allocated to such participation; and (ii) a reduction of the principal amount of or the rate of interest payable on any Loan or payments due in repayment of draws under Letters of Credit allocated to such participation and all amounts payable by each Borrower hereunder shall be determined as if such Lender had not sold such participation. A Lender which has sold a participation in its Loans or Commitments shall require the holder of such participation to agree in writing to comply with the provisions of subsection 10.20 and if a Lender desires to give any prospective participant a copy of any non-public information obtained by Lenders pursuant to the requirements of this Agreement which has been identified as such by any Borrower, such Lender shall require such prospective participant to agree to hold such information in accordance with such prospective participant's customary procedures for handling confidential information of this nature and in accordance with safe and sound banking practices prior to its delivery of such material to such prospective participant. Each Borrower hereby acknowledges and agrees that, only for purposes of subsections 2.6E, 2.7, 10.5 and 10.6, any participation will give rise to a direct obligation of such Borrower to the participant and the participant shall be considered to be a "Lender"; provided that no participant shall be entitled to receive any greater amount pursuant to subsections 2.6E or 2.7 than the transferor Lender would have been entitled to receive in respect of the amount of the participation effected by such transferor Lender to such participant had no such participation occurred, unless such participation resulted from the CAM Exchange.

D. Assignments to Federal Reserve Banks. In addition to the assignments and participations permitted under the foregoing provisions of this subsection 10.2, any Lender may assign and pledge all or any portion of its Loans, the other Obligations owed to such Lender, and its Notes to any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any operating circular issued by such Federal Reserve Bank; and any Lender that is a fund that invests in bank loans may without the consent of or notice to the Administrative Agent or any Borrower, pledge all or any portion of its rights under this Agreement and the other Loan Documents (including, without limitation, the Notes held by it) to any trustee for, or any other representative of, holders of obligations owed, or securities issued, by such fund, as security for such obligations or securities; provided that any foreclosure or similar action by such trustee shall be subject to the provisions of this

173

subsection concerning assignments; provided that (i) no Lender shall, as between any Borrower, and such Lender, be relieved of any of its obligations hereunder as a result of any such assignment and pledge and (ii) in no event shall such Federal Reserve Bank be considered to be a "Lender" or be entitled to require the assigning Lender to take or omit to take any action hereunder.

E. Successor Offshore Overdraft Providers. Any Offshore Overdraft Account Provider may resign at any time by giving 30 days' prior written notice thereof to the Lenders, the relevant Offshore Borrower and Administrative Agent. Upon (i) any such notice of resignation, upon five days notice to Lenders and Administrative Agent, or (ii) an assignment by such Offshore Overdraft Account Provider of all of its Offshore Revolving Loan Commitment, such Offshore Borrower shall have the right to appoint a Lender with respect to Offshore Revolving Loans as successor Offshore Overdraft Account Provider with respect to the applicable Borrower; provided that such appointment shall be subject to the consent of Agents, which consent shall not be unreasonably withheld. Upon the acceptance of any such appointment as an Offshore Overdraft Account Provider hereunder by a successor Offshore Overdraft Account Provider, the relevant Offshore Borrower shall repay in full the relevant Offshore Overdraft Amount and all other amounts owing to the resigning Offshore Overdraft Account Provider under the relevant Offshore Overdraft Agreement, and such Borrower and the resigning Offshore Overdraft Account Provider shall terminate such Offshore Overdraft Agreement and the successor Offshore Overdraft Account Provider shall enter into a successor Offshore Overdraft Agreement.

F. Information. Each Lender may furnish any information concerning Company and its Subsidiaries in the possession of that Lender from time to time to assignees and participants (including prospective assignees and participants), subject to subsection 10.20.

G. Replacement of Post-Restatement Date Lender. At any time the Moody's rating or the S&P rating for any Post-Restatement Date Lender (as defined below) is lower than Baa3 or BBB-, respectively:

(i) if Company's long term unsecured debt rating is Ba2 or higher from Moody's and BB or higher from S&P, then Company may (but shall not be obligated to) obtain a commitment from another Lender or Lenders or an Eligible Assignee or Eligible Assignees to become a Revolving Lender or Revolving Lenders for all purposes under this Agreement (in the case of any such Eligible Assignee) and to assume the Revolving Loan Commitments (and related Offshore Revolving Loan Commitments of such Post-Restatement Date Lender) hereunder; and

(ii) if Company's long term unsecured debt rating is lower than Ba2 from Moody's or lower than BB from S&P, and Requisite Lenders have elected to replace such Post-Restatement Date Lender, then Requisite Lenders or Company (with the consent of Requisite Lenders) may obtain a commitment from another Lender or Lenders or an Eligible Assignee or Eligible Assignees to become a Revolving Lender or

Offshore Revolving Loan Commitments) of such Post-Restatement Date Lender hereunder.

In the event the commitment referred to in clause (i) or (ii) above to assume the Revolving Loan Commitments (and related Offshore Revolving Loan Commitments) of the relevant Post-Restatement Date Lender is obtained in accordance with such clause, the relevant Post-Restatement Date Lender (1) shall assign all of its Revolving Loans, Revolving Loan Commitments, Offshore Revolving Loans and Offshore Revolving Loan Commitments and its other obligations to such other Lender or Lenders or Eligible Assignee or Eligible Assignees, at par, pursuant to the provisions of subsection 10.2B; provided that, such replacement shall not be effective until (x) the applicable Borrower has paid or caused to be paid to such Post-Restatement Date Lender all principal, interest, fees and other amounts then due and owing to such Post-Restatement Date Lender hereunder through such date of replacement (including any amounts payable under subsection 2.6B) (and each Borrower hereby agrees to pay such amounts with respect to the relevant Loans, Commitments and other Obligations), (y) Company has paid to Administrative Agent the processing and recordation fee required to be paid by subsection 10.2B(i) (and Company hereby agrees to pay such amounts), and (z) all of the requirements for such assignment contained in subsection 10.2B, including, without limitation, the receipt by Administrative Agent of an executed Assignment and Acceptance and other supporting documents, have been fulfilled, and (2) shall be obligated to use its best efforts to cause the foregoing replacement to occur. For purposes of this subsection 10.2G, **“Post-Restatement Date Lender”** means any Revolving Lender which is neither a Lender on the Third Restatement Date nor an Affiliate of any Lender party to this Agreement on the Third Restatement Date.

10.3 Expenses

Each Domestic Borrower jointly and severally agrees to promptly pay (i) all the actual and reasonable costs and expenses of preparation of this Agreement and the other Loan Documents and all the costs of furnishing all opinions by counsel for the Loan Parties (including without limitation any opinions requested by Lenders as to any legal matters arising hereunder), and of each Loan Party’s performance of and compliance with all agreements and conditions contained herein on their part to be performed or complied with; (ii) the reasonable fees, expenses and disbursements of counsel to Agents (including allocated costs of internal counsel) in connection with the negotiation, preparation, execution and administration of this Agreement, the other Loan Documents, the Letters of Credit and the Loans hereunder, and any amendments and waivers hereto or thereto; and (iii) after the occurrence of an Event of Default, all costs and expenses (including reasonable attorneys’ fees, including allocated costs of internal counsel, and costs of settlement) incurred by any Agent or Lender in enforcing any Obligations of or in collecting any payments due from any Borrower hereunder or under the Notes or any of the other Loan Documents by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or of any insolvency or bankruptcy proceedings.

10.4 Indemnity

In addition to the payment of expenses pursuant to subsection 10.3, each Domestic Borrower jointly and severally agrees to indemnify, pay and hold Agents and Lenders and the officers, directors, employees, agents, trustees and affiliates of Agents and Lenders (collectively called the **“Indemnitees”**) harmless from and against, any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitee shall be designated a party thereto), which may be imposed on, incurred by, or asserted against that Indemnitee, in any manner relating to or arising out of this Agreement or the other Loan Documents, Lenders’ agreement to make the Loans or the use or intended use of the proceeds of the Loans or the issuance of Letters of Credit hereunder and Lenders’ agreement to purchase participations therein as provided for herein or the use or intended use of the Letters of Credit or the honoring of overdrafts under the Domestic Overdraft Agreement or the purchase of participations by Lenders in the Domestic Overdraft Amount or in the Offshore Overdraft Amounts (the **“indemnified liabilities”**); provided that no Domestic Borrower shall have any obligation to an Indemnitee hereunder with respect to indemnified liabilities arising from the gross negligence or willful misconduct of that Indemnitee. Each Domestic Borrower, jointly and severally, also agrees to indemnify and hold harmless the Indemnitees from any claim, demand or liability for broker’s or finder’s fees alleged to have been incurred in connection with any transactions contemplated by this Agreement and any expenses, including reasonable legal fees, arising in connection with any such claim, demand or liability. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, each Domestic Borrower shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them.

10.5 Set Off

For so long as any of the Obligations are secured by one or more Real Property Assets located in the State of California, each Lender agrees not to charge or offset any amount owed to it by any Loan Party against any of the accounts, property or assets of any Loan Party without the prior written consent of Collateral Agent. Subject to the foregoing sentence, in addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, but in all cases subject to subsection 10.6, upon the occurrence and during the continuance of any Event of Default, each Lender is hereby authorized by Company and each Borrower at any time or from time to time, without notice to Company or such Borrower, or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including, but not limited to, Indebtedness evidenced by certificates of deposit, whether matured or unmatured but not including trust accounts and in whatever currency denominated) and any other Indebtedness at any time held or owing by that Lender or any Affiliate thereof to or for the credit or the account of Company or such Borrower against and on account of the obligations and liabilities of Company or such Borrower to that Lender under this Agreement, the Notes, the Domestic Overdraft Agreement,

the Offshore Overdraft Agreements and the Letters of Credit, including, but not limited to, all claims of any nature or description arising out of or connected with this Agreement, the Letters of Credit or the Notes or the other Loan Documents, irrespective of whether or not (a) that Lender shall have made any demand hereunder or (b) that Lender shall have declared the principal of and the interest on the Loans and Notes, any obligations of Company or such Borrower in respect of the Letters of Credit and other amounts due hereunder to be due and payable as permitted by Section 7 and although said obligations and liabilities, or any of them, may be contingent or unmaturred.

10.6 Ratable Sharing

Lenders hereby agree among themselves that if any of them shall, through the exercise of any right of counterclaim, setoff, banker's lien or otherwise (other than a voluntary prepayment of Loans, a mandatory prepayment of Loans, a scheduled repayment of Loans, a payment made under Section 2.10, in each case made and applied in accordance with this Agreement) or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal and interest then due with respect to the Loans owed to that Lender, the amount then due to that Lender with respect to the Domestic Overdraft Amount or any Offshore Overdraft Amount or any Letter of Credit or Offshore Revolving Loan or any participation therein, or any fees or commissions payable hereunder or under the other Loan Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect to the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (y) notify each other Lender and Administrative Agent of such receipt and (z) purchase participations (which it shall be deemed to have done simultaneously upon the receipt of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by the Lenders in proportion to the Aggregate Amounts Due them; provided that if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to that Lender to the extent of such recovery, but without interest. Company and each Borrower expressly consent to the foregoing arrangement and agrees that any holder of a participation so purchased and any other subsequent holder of a participation in any Loan or Letter of Credit or the Domestic Overdraft Amount or any Offshore Overdraft Amount otherwise acquired may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all monies owing by Company or such Borrower to that holder as fully as if that holder were a holder of such a Loan or Letter of Credit or the Domestic Overdraft Amount or any Offshore Overdraft Amount in the amount of the participation held by that holder.

10.7 Amendments and Waivers

A. Except as set forth in subsections 2.1A(iv), no amendment, modification, termination or waiver of any provision of this Agreement or of the Notes, and no consent to any departure by Company or any Borrower therefrom, shall in any event be effective without the written concurrence of Requisite Lenders; provided that no such amendment, modification, termination, waiver or consent shall, without the consent of each Lender (with Obligations directly affected in the case of the following clause (i)): (i) extend the scheduled final maturity

177

of any Loan or Note beyond the Tranche A1 Term Loan Maturity Date, the Tranche B1 Term Loan Maturity Date or the Revolving Loan Commitment Termination Date, as the case may be, or extend the stated expiration date of any Letter of Credit beyond the Revolving Loan Commitment Termination Date or the date for reimbursement of any amount drawn thereunder beyond the Revolving Loan Commitment Termination Date, or reduce the rate of interest (other than any waiver of any increase in the interest rate applicable to any of the Loans pursuant to subsection 2.2E) or fees in respect of the Revolving Loan Commitments, the Loans or the Letters of Credit, or extend or waive the time of payment of interest or fees in respect thereof, or reduce or forgive the principal amount of any of the Obligations (including any Obligation to reimburse the amount of any drawing honored under any Letter of Credit), (ii) amend, modify, terminate or waive any provision of this subsection 10.7 or any other provision of this Agreement expressly requiring the approval or concurrence of all Lenders, (iii) reduce the percentage specified in the definition of Requisite Lenders or change the definitions of "**Pro Rata Share**" (it being understood that, with respect to the Additional Term Loans and, with the consent of Requisite Lenders (determined before giving effect to the proposed action), with respect to other Indebtedness, additional extensions of credit pursuant to this Agreement may be included in determining what constitutes Requisite Lenders and in determining the Pro Rata Shares of Lenders, in each case on substantially the same basis as the Revolving Loan Commitments and the Revolving Loans or the Term Loan Commitments and the Term Loans are included in such determinations on the First Restatement Date), (iv) release Company from the Company Guaranty, (v) release all or substantially all of the Collateral or (vi) permit any Interest Period for any Eurodollar Rate Loan to exceed nine months; provided, further, that no such amendment, modification, termination, waiver or consent shall (1) increase the Term Loan Commitment or the Revolving Loan Commitment of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that (A) amendments, modifications or waivers of conditions precedent, covenants, Potential Events of Default or Events of Default, mandatory reductions in the Revolving Loan Commitments or of mandatory prepayments of Term Loans or Revolving Loans, shall not constitute an increase of the Term Loan Commitment or the Revolving Loan Commitment of any Lender and (B) an increase in the available portion of the Revolving Loan Commitment of any Lender shall not constitute an increase in the Revolving Loan Commitment of such Lender); (2) amend, modify, terminate or waive any provision of subsection 2.1B or any other provision of this Agreement relating to the Domestic Overdraft Account or the Domestic Overdraft Amount (including any provision relating to the repayment of the Domestic Overdraft Amount with the proceeds of Revolving Loans or relating to the obligations of Lenders to purchase participations in the Domestic Overdraft Amount) without the consent of Administrative Agent; (3) amend, modify, terminate or waive any provision of this Agreement relating to the obligations of Lenders to purchase participations in Letters of Credit without the written concurrence of Administrative Agent and each other Issuing Lender which has a Letter of Credit then outstanding or which has not been reimbursed for a drawing under a Letter of Credit issued by it; or (4) amend, modify, terminate or waive any provision of Section 8 applicable to any Agent without the consent of such Agent. In addition, no amendment, modification, termination or waiver of (a) any provision of subsection 2.4 that has the effect of changing any interim scheduled payments, voluntary or mandatory prepayments, or Commitment reductions applicable to a Class in a manner that disproportionately disadvantages such Class relative to any other Class shall be effective without the written concurrence of Requisite Class Lenders of such affected Class (it being understood and agreed that any amendment,

178

modification, termination or waiver of any such provision which postpones or reduces any interim scheduled payment, voluntary or mandatory prepayment, or Commitment reduction from those set forth in subsection 2.4 with respect to one Class but not any other Class shall be deemed to disproportionately disadvantage such one Class but not to disproportionately disadvantage any such other Class for purposes of this sentence) and (b) any provision of subsection 2.10 that disproportionately disadvantages any Class relative to any other Class shall be effective with out the written concurrence of Requisite Class Lenders of such disproportionately disadvantaged Class.

B. If, in connection with any proposed amendment, modification, termination, waiver or consent relating to any of the provisions of this Agreement or the Notes as described in any of clauses (i) through (vi) of the first proviso to subsection 10.7A the consent of Requisite Lenders is obtained but the consent of one or more of the other Lenders whose consent is also required is not obtained, then Company shall have the right, so long as all such non-consenting Lenders whose individual consent is required are treated as described in either clause (i) or (ii) below, to (i) replace each such non-consenting Lender with one or more Replacement Lenders (as defined in subsection 10.7C) pursuant to subsection 10.7C so long as at the time of such replacement each such Replacement Lender consents to the proposed amendment, modification, termination, waiver or consent and/or (ii) terminate each such non-consenting Lender's Commitments and repay in full its outstanding Loans, together with accrued and unpaid interest, fees and other amounts owing to such Lender, in accordance with subsection 2.4B(i); provided that unless the Commitments that are terminated and the Loans that are repaid pursuant to the preceding clause (ii) are immediately replaced in full at such time through the addition of new Lenders or the increase of the Commitments and/or outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to the preceding clause (ii), Requisite Lenders (determined before giving effect to the proposed action) shall specifically consent thereto; provided further that Company shall not have the right to terminate any such non-consenting Lender's Commitments and repay in full its outstanding Loans pursuant to clause (ii) of this subsection 10.7B if, immediately after the termination of such Lender's Revolving Loan Commitment, the Total Utilization of Revolving Loan Commitments would exceed the Revolving Loan Commitments then in effect; provided still further that Company shall not have the right to replace a Lender solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the "provided, further" clause in subsection 10.7A.

C. (i) In the event of certain refusals by any Lender, as provided in subsection 10.7B, to consent to certain proposed amendments, modifications, terminations, waivers or consents with respect to this Agreement which have been approved by Requisite Lenders, Borrowers may, so long as no Potential Event of Default or Event of Default exists, upon five Business Days' written notice to Administrative Agent (which notice Administrative Agent shall promptly transmit to each Lender) repay all Loans, together with accrued and unpaid interest, fees and other amounts owing to such Lender (a "**Replaced Lender**") in accordance with, and subject to the requirements of, subsection 10.7B so long as (i) in the case of the repayment of Loans of any Lender pursuant to this subsection 10.7C, the Commitments of such Lender are terminated concurrently with such repayment (at which time Schedule A shall be deemed modified to reflect the changed Commitments) and (ii) in the case of the repayment of

179

Loans of any Lender the consents required by Section 10.7B in connection with the repayment pursuant to this subsection 10.7C have been obtained.

(ii) At the time of any replacement pursuant to this subsection 10.7C, the lender replacing such Replaced Lender (the "**Replacement Lender**") shall enter into one or more assignment agreements, in form and substance satisfactory to Administrative Agent, pursuant to which the Replacement Lender shall acquire the Commitments and outstanding Loans of, and participations in the Domestic Overdraft Amount and Letters of Credit by, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Replaced Lender, (B) an amount equal to all unpaid drawings with respect to Letters of Credit that have been funded by (and not reimbursed to) such Replaced Lender, together with all then unpaid interest with respect thereto at such time, and (C) an amount equal to all accrued, but theretofore unpaid, fees owing to the Replaced Lender and (y) the appropriate Issuing Lender an amount equal to such Replaced Lender's Pro Rata Share of any unpaid drawing with respect to Letters of Credit (which at such time remains an unpaid drawing), to the extent such amount was not theretofore funded by such Replaced Lender;

(iii) All obligations of any Borrower owing to the Replaced Lender (excluding those specifically described in clause (ii) above in respect of which the assignment purchase price has been, or is concurrently being, paid, but including, however, any amounts that would have been payable by a Borrower pursuant to subsection 2.6E if such Borrower had directly prepaid the Loans of such Replaced Lender) shall be paid in full by such Borrower to such Replaced Lender concurrently with such replacement; and

(iv) Upon the execution of the respective assignment documentation, the payment of amounts referred to in clauses (ii) and (iii) above and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the applicable Borrowers, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to Borrowers' obligations regarding indemnification provisions under this Agreement, which shall survive for the benefit of such Replaced Lender. Notwithstanding anything to the contrary contained above, no Issuing Lender may be replaced hereunder at any time while it has Letters of Credit outstanding hereunder unless arrangements satisfactory to such Issuing Lender (including the furnishing of a standby letter of credit in form and substance, and issued by an issuer, satisfactory to such Issuing Lender or the furnishing of cash collateral in amounts and pursuant to arrangements satisfactory to such Issuing Lender) have been made with respect to such outstanding Letters of Credit.

D. Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of that Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on Company or any Borrower

180

in any case shall entitle Company or any Borrower to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this subsection 10.7 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by Company or any Borrower, on such Company and such Borrower.

10.7A Additional Amendment and Waiver Matters. In addition to the matters set forth in Section 10.7, no amendment, modification, termination, waiver or consent shall, without the consent of each Lender directly affected thereby, extend the final maturity date of any Tranche C Term Loans beyond the Tranche C Term Loan Maturity Date or permit an interest period with respect to any Euro LIBOR Loan to exceed nine months.

10.8 Independence of Covenants

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of

an Event of Default or Potential Event of Default if such action is taken or condition exists.

10.9 Change in Accounting Principles, Fiscal Year or Tax Laws

If (i) any changes in accounting principles and policies from those used in the preparation of the financial statements referred to in subsection 4.3 hereafter occasioned by the promulgation of rules, regulations, pronouncements and opinions by or required by the Financial Accounting Standards Board or the American Institute of Certified Public Accountants (or successors thereto or agencies with similar functions) would result in a change in the method of calculation of financial covenants, standards or terms found in Section 1, Section 5 and Section 6 hereof (other than changes in such principles and policies relating to impairment or charge-offs of the value of assets acquired prior to December 31, 2002, which changes shall be disregarded for purposes of such calculations), (ii) there is any change in Company's or Holdings' Fiscal Quarter or Fiscal Year, or (iii) there is a material change in federal tax laws which materially affects Company's ability to comply with the financial covenants, standards or terms found in Section 1, Section 5 and Section 6 hereof, the parties hereto agree to enter into negotiations in order to amend such provisions (in accordance with subsection 10.7) so as to equitably reflect such changes with the desired result that the criteria for evaluating Company's financial condition shall be the same after such changes as if such changes had not been made.

10.10 Notices

Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, telexed or sent by United States mail or by courier service and shall be deemed to have been given when delivered in person or by courier service, by receipt of telecopy or telex or when received through the United States mail, registered or certified, with postage prepaid and properly addressed; provided that notices to Administrative Agent or any Borrower shall not be effective until received. For the purposes hereof, the addresses of the parties hereto (until notice

181

of a change thereof is delivered as provided in this subsection 10.10) shall be as set forth under each party's name on the signature pages hereof or in the applicable Assignment and Acceptance. All notices to any Borrower provided for hereunder shall be copied concurrently to Borrowers' Agent.

10.11 Survival of Warranties and Certain Agreements

A. All agreements, representations and warranties made herein shall survive the execution and delivery of this Agreement, the making of the Loans hereunder, the execution and delivery of the Notes and the issuance of the Letters of Credit.

B. Notwithstanding anything in this Agreement or implied by law to the contrary, the agreements of Company and each Borrower set forth in subsections 2.6E, 2.7, 10.3, 10.4 and 10.21 and the agreements of Lenders set forth in subsections 8.2C, 8.4, 10.5, 10.6 and 10.20 shall survive the payment of the Loans, the Notes, the Offshore Overdraft Amounts and the Domestic Overdraft Amount, the cancellation or expiration of the Letters of Credit and the termination of this Agreement.

10.12 Failure or Indulgence Not Waiver; Remedies Cumulative

No failure or delay on the part of Administrative Agent or any Lender in the exercise of any power, right or privilege hereunder or under the other Loan Documents shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. All rights and remedies existing under this Agreement or the other Loan Documents are cumulative to and not exclusive of, any rights or remedies otherwise available.

10.13 Severability

In case any provision in or obligation under this Agreement or the Notes shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.14 Obligations Several; Independent Nature of Lenders' Rights

The obligation of each Lender hereunder is several, and no Lender shall be responsible for the obligation or commitment of any other Lender hereunder. Nothing contained in this Agreement and no action taken by Lenders pursuant hereto shall be deemed to constitute Lenders to be a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall, subject to Section 7, be entitled to protect and enforce its rights arising out of this Agreement and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.
